

**Illustrative Questions and Answers Regarding the
Bureau for Humanitarian Assistance, Uganda
Addendum #06 to BAA-OAA-LLDI-2019
Broad Agency Announcement (BAA) for Locally Led Development Innovation**

1. Will USAID be willing to meet with interested parties to hear more about the BAA?

Given this is a competitive procurement, USAID is unable to meet with interested parties prior to co-creation. Not all parties will be invited to co-creation. If applicants are interested in hearing generally about USAID/Uganda's work, please refer to the [USAID/Uganda website](#) for up-to-date contact information.

2. Is this addendum open to any type of for-profit company?

This addendum is open to all interested parties.

3. Will USAID provide guidance on the expected duration of the BAA opportunity for evidence-building for inclusive push-pull market strengthening approaches to decrease vulnerability among refugees and host communities?

USAID uses the BAA process to design to solution - not to time frame. USAID will discuss potential award durations with organizations whose Expressions of Interests have been accepted for co-creation with the Agency. Not all submitters of Expressions of Interest will be invited to co-creation.

4. Will USAID provide the expected budget ceiling for the BAA opportunity for evidence-building for inclusive push-pull market strengthening approaches to decrease vulnerability among refugees and host communities?

USAID uses the BAA process to design to solution - not to dollar or to instrument. USAID will, however, discuss potential funding levels with organizations whose Expressions of Interest have been accepted for co-creation with the Agency. Not all submitters of Expressions of Interest will be invited to co-creation.

5. Will USAID provide the expected community and household targets for the BAA opportunity for evidence-building for inclusive push-pull market strengthening approaches to decrease vulnerability among refugees and host communities?

Applicants should purpose the most appropriate number of individuals served based on

the solution proposed and knowledge of the areas of intervention.

6. **Will USAID clarify whether coalitions should specify research and learning partners at the Expression of Interest stage as the learning agenda is not required at this stage?**

Any organization that is required as part of the proposed solution should be included in the Expression of Interest.

7. **Will USAID clarify whether it has preference for specific research methodologies for this opportunity for evidence-building for inclusive push-pull market strengthening approaches to decrease vulnerability among refugees and host communities?**

Applicants should propose the most appropriate research methodology for the applicants' proposed solutions.
