RFP # 693JJ921R000002
Enhance Uniformity of Traffic Laws and
Countermeasures Among State Motor Vehicle Administrators Offices

Questions and NHTSA Response:

1. **Due date. We wanted to clarify that the due date for applications is July 6, 2021, by 1:00pm as stated in the NOFO, page 22. (The grants.gov opportunity page lists the Closing Date for Applications as July 4, 2021.)**

NHTSA Response: ***Yes, the due date is July 6, 2021, by 1:00pm as stated in the NOFO, on page 22.***

2. **Period of performance. The NOFO (p. 7) indicates that all work "shall be completed within thirty-six (36) months of the effective date of the Cooperative Agreement. NHTSA currently anticipates the start date for new Federal awards to be in TBD following S1 Approval." For purposes of preparing a proposed timeline and budget, would it be acceptable to assume a start date of September 1, 2021 (with the understanding that this may change due to availability of appropriated funds)?**

NHTSA Response: ***NHTSA anticipates the start date to be on or before September 30, 2021.***
