U.S. Department of Labor

Mine Safety and Health Administration
201 12th Street South, Suite 401
Arlington, Virginia 22202-5452

We received the following question:

Q. We have a federally negotiated indirect cost rate of 40.4% with DHHS. Should we use the 10% de minimis rate or our federally negotiated rate of 40.4% in our budget?

A. You are able to use the approved rate of 40.4% as long as the agreement has not expired. Please include a copy of your federally approved rate agreement with your submission.
