Subject: Cancellation Notice / Request for Application (RFA) # 675-12-000002

Dear Offerors:

In accordance with ADS 303.3.5.3 USAID/Guinea wishes to notify prospective offerors of USAID's intention to cancel RFA # 675-12-000002.

On May 24, 2012, Request for Application RFA #675-12-000002 was issued on grants.gov as follows:

Date of RFA Publication: **May 24, 2012**

Deadline for Submission of All Questions: **October 15, 2012**

Closing date for submission of All Applications: **November 1, 2012**

The decision to cancel was reached given the length of the review process and intensive time it required. Given the current stage in the evaluation process, the RFA could not be amended without incurring unreasonable additional costs, loss of time and use of human resources.

Please allow me to thank you for your application. We are fully aware of the amount of time and effort that preparation of applications involve, and greatly appreciate your interest in this requirement. You will most certainly be given an opportunity to apply for any subsequent or future RFAs for the program, if appropriate. We sincerely wish you the very best in all of your future endeavors. Thank you for your interest in USAID programs.

Sincerely,

Matthew Cullinane
