2. Executive Summary

The U.S. Department of State's Embassy Ouagadougou is pleased to announce an open competition for organizations to submit innovative proposals aimed at strengthening the relationship between the United States and Burkina Faso. This funding opportunity is designed to advance shared priorities that promote economic growth, enhance security cooperation, and highlight American innovation and excellence.

Through this program, the Embassy seeks to support projects that foster commercial partnerships, encourage co-investment, and expand opportunities for mutual economic advancement. With the focus on collaboration between U.S. and Burkinabè organizations, the program aims to move beyond traditional models of assistance and instead build a sustainable, mutually beneficial relationship that drive progress in both countries.

A central objective of the program is to deepen security ties between the United States and Burkina Faso. This will be achieved by supporting joint law enforcement initiatives, protecting critical infrastructure, and reinforcing Burkina Faso's role in promoting regional stability. The program encourages proposals that address pressing security challenges, such as countering transnational crime, strengthening border security, and improving crisis response. By working on these issues, both nations can contribute to a safer and more stable West Africa, while also advancing their own national interests.

In addition to economic and security objectives, the program places a strong emphasis on showcasing American excellence and leadership. Through the Freedom 250 campaign, the Embassy celebrates the United States' legacy of innovation, entrepreneurship, and promotion of democratic values. The program also seeks to highlight U.S. achievements in technology and diplomacy, providing a platform for Burkinabè partners to engage with American experts and institutions. Expanding opportunities for English language learning and entrepreneurship education is another key component, as these skills are essential for accessing American markets, workforce development, and long-term economic growth.

The target audience for this Notice of Funding Opportunity (NOFO) includes a range of stakeholders. Burkinabè and American organizations—such as non-profits, educational institutions, and private sector groups—are encouraged to apply, particularly those with experience in economic development and security-related projects. The program welcomes proposals whose target Burkinabè audiences including youth, media personalities and influencers, policy makers, and populations residing outside of Ouagadougou. By bringing together a broad coalition, the Embassy aims to maximize the program's impact and ensure that its benefits are widely shared. Eligible applicants must be registered organizations in Burkina Faso or the United States with a demonstrated track record of implementing successful projects in relevant fields.

Through this call for applications, Embassy Ouagadougou seeks innovative projects that advance U.S. interests by promoting prosperity, stability, and shared strategic objectives between the United States and Burkina Faso. This NOFO prioritizes initiatives that deliver clear, tangible benefits for the American people while strengthening our partnerships and supporting mutually beneficial development.

Proposals should advance U.S. foreign policy goals, offer practical and cost-effective solutions, and promote lasting cooperation that reinforces American leadership and security. Projects must

demonstrate measurable results, responsible use of U.S. taxpayer resources, and a credible plan for sustaining impact beyond the period of U.S. government funding.

Each submission must clearly explain how the proposed activities will advance U.S. priorities, describe expected outcomes and indicators of success, and outline how the project will remain viable after U.S. support ends.

Please follow all instructions below.

The budget must identify the total amount of funding requested, with a breakdown of amounts to be spent in the following budget categories: personnel; fringe benefits; travel; equipment; supplies; consultants/contracts; other direct costs; and indirect costs. See Annex Section I for a description of the types of costs that should be included in each category. Personnel salaries should include the level of effort and the rate of pay, which should cover the percentage of time each staff member will dedicate to grant-based activities. If an organization is charging an indirect cost rate without a NICRA, it must apply it to the modified total budget costs (MTDC), refer to 2CFR§200.1. **Budgets shall be submitted in U.S. dollars** and final grant agreements will be conducted in U.S. dollars.

2. Indirect Costs

If two or more applications receive equivalent scores based on the evaluation criteria outlined in this NOFO, preference will be given to the applicant with the lower indirect cost rate, as consistent with Executive Order 14332, Section 4(b)(iii). This preference will only be applied as a tie-breaking mechanism and does not supersede the primary evaluation criteria.

3. Review and Selection Process

- a. Acknowledgement of receipt. Applicants will receive acknowledgment of receipt of their proposal.
- b. Review. All submissions are screened for technical eligibility. **If a submission is missing any required forms/documents listed above in [Section D. Application Contents and Format](#), it will be considered ineligible and will not be reviewed by the grants review committee.** A technical review panel will review eligible proposals based upon the criteria noted in this NOFO.
- c. Follow up notification. Applicants will generally be notified within 120 days after the NOFO deadline regarding the results of the review panel.

2. Risk Review

- i. Under the merit review as required by 2 CFR 200.206, prior to making a Federal Award the Department will review and consider the following risk factors:
 - a. Financial stability
 - b. Management systems and standards
 - c. History of performance
 - d. Audit reports and findings
 - e. Ability to effectively implement project requirements
 - f. Security risks throughout Burkina Faso
- ii. High Risk Designation

Awardees that are deemed to be high risk based on the above risk factors will be held to special award conditions. At a minimum, the recipient and/or project designated as High Risk will be required to submit monthly narrative reports and/or quarterly detailed financial reports. Recipients may also be required, upon request of the Grants Officer or Grants Officer Representative, to provide electronic copies of receipts or other supporting documentation (e.g., timesheets, travel documents) for costs incurred. The Grants Officer may withhold 10% of the award amount until final reports have been reviewed and approved by the GO. The recipient may be required to pay all salaries supported by the grant via electronic funds transfer. Other special award conditions may also be included if deemed appropriate by the Grants Officer.

iii. Risk Analysis Management

To qualify for final consideration, certain applicants must undertake the Risk Analysis Management (RAM) vetting process by providing Risk Analysis Information (RAI) about their “key individuals” (i.e., individuals with the ability to control applicant organizations’ funds), including “key individuals” from selected sub-recipients. **Please note: these individuals could be different from the key personnel listed in the section 4 of required documents.** The purpose of vetting potential contractors and grantees is to reduce the risk that foreign assistance funding is provided to terrorists or their supporters. **Potential grantees will be notified separately if RAI is required.** Applicants submit key individuals’ RAI by completing the Risk Analysis Information Form, DS-4184, through the secure web portal at <https://ramportal.state.gov>. The DS-4184 requests the following RAI for each key individual: Full Name; Aliases; Gender; Birth Place; Birthdate; Home/Work Addresses; Phone Numbers; Employer; Professional Title; Email Addresses; Skype ID (if included, email address is also required); Numbers from All Official IDs (e.g., passports, ID cards, etc.); Nationalities; and Social Security Number (if U.S. person). Questions about the DS-4184 form may be emailed to RAM@state.gov. Failure to submit information when requested, or failure to pass vetting, may be grounds for rejecting your proposal.

G. AWARD NOTICES

The award or cooperative agreement will be written, signed, awarded, and administered by the Grants Officer. The award agreement is the authorizing document, and it will be provided to the recipient for review and counter-signature. The recipient may only start incurring project expenses beginning on the start date shown on the award document signed by the Grants Officer.

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is at the discretion of the Department of State.

Issuance of this NOFO does not constitute an award commitment on the part of the U.S. government, nor does it commit the U.S. government to pay for costs incurred in the preparation and submission of proposals. Further, the U.S. government reserves the right to reject any or all proposals received.

Payment Method:

Recipients will be required to request payment by completing form SF-270—Request for Advance or Reimbursement and submitting the form to the Grants Officer and Grants Officer Representative.

Recipients may not draw down funds without the affirmative authorization of the Department of State. In addition, recipients must submit, with each SF-270 payment request, a detailed explanation justifying the request.

H. POST-AWARD REQUIREMENTS AND ADMINISTRATION

1. *Administrative and National Policy Requirements*

Before submitting an application, applicants should review all the terms and conditions and required certifications which will apply to this award, to ensure that they will be able to comply. These include:

In accordance with the Office of Management and Budget’s guidance located at 2 CFR part 200, all applicable Federal laws, and relevant Executive guidance, the Department of State will review and consider applications for funding, as applicable to specific programs, pursuant to this notice of funding opportunity in accordance with the following: NOTE:

- [Guidance for Grants and Agreements in Title 2 of the Code of Federal Regulations](#) (2 CFR), as updated in the Federal Register’s 89 FR 30046 on April 22, 2024, particularly on:
 - Selecting recipients most likely to be successful in delivering results based on the program objectives through an impartial process of evaluating Federal award applications (2 CFR part 200.205),
 - Promoting the freedom of speech and religious liberty in alignment with *Promoting Free Speech and Religious Liberty* (E.O. 13798) and *Improving Free Inquiry, Transparency, and Accountability at Colleges and Universities* (E.O. 13864) (§§ 200.300, 200.303, 200.339, and 200.341),

For the avoidance of doubt, the Department has sole discretion over the determination that an award no longer effectuates program goals or agency priorities, and this provision permits awards to be terminated at the Department’s convenience, including when it determines that the award no longer advances the national interest.

2. *Reporting*

Reporting Requirements: Recipients will be required to submit financial reports and program reports. The award document will specify what reports are required and how often these reports must be submitted. *Note:* most recipients will be required to submit quarterly program progress and financial reports throughout the project period. The quarterly progress report should include an up-to-date copy of the PMP datasheet. Progress and financial reports are due 30 days after the reporting period. Final certified programmatic and financial reports are due 120 days after the close of the project period.

All reports are to be submitted electronically.

Foreign Assistance Data Review: As required by Congress, the Department of State must make progress in its efforts to improve tracking and reporting of foreign assistance data through the Foreign Assistance Data Review (FADR). The FADR requires tracking of foreign assistance activity data from budgeting, planning, and allocation through obligation and disbursement. Successful applicants will be required to report and draw down federal funding based on the appropriate FADR Data Elements, indicated within their award documentation. In cases of more than one FADR Data Element, typically program or sector and/or regions or country, the successful applicant will be required to maintain separate accounting records.

3. *Branding and Marking*

The Department of State, its programs, and U.S. Government funding and assistance should be easily identifiable to the Department's global audiences.

Recipients of federal assistance awards must follow the branding guidance published at Guidance for Contracts and Grants - U.S. Department of State Brand System. Branding policy exceptions are outlined in the U.S. Department of State Foreign Affairs Manual 10 FAM 416, Policy Exceptions.

Additional Bureau/Post Specific Requirements

In addition to the Department of State branding guidance, which requires that materials produced under a federal award be marked appropriately to acknowledge U.S. Government support, recipients of new Public Diplomacy awards promoting Freedom 250 activities must also incorporate the Freedom 250 logos in all program materials, activities, and communications. The recipient should continue to follow all existing marking and branding requirements in accordance with Department branding guidance. The Freedom 250 logos would be used in addition to, not in place of, these requirements.

I. OTHER INFORMATION

Guidelines for Budget Justification

Personnel and Fringe Benefits: Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program.

Travel: Estimate the costs of travel and per diem for this program, for program staff, consultants or speakers, and participants/beneficiaries. If the program involves international travel, include a brief statement of justification for that travel.

Equipment: Describe any machinery, furniture, or other personal property that is required for the program, which has a useful life of more than one year (or a life longer than the duration of the program), and costs at least \$10,000 per unit.

Supplies: List and describe all the items and materials, including any computer devices, that are needed for the program. If an item costs more than \$10,000 per unit, then put it in the budget under Equipment.

Contractual: Describe goods and services that the applicant plans to acquire through a contract with a vendor. Also describe any sub-awards to non-profit partners that will help carry out the program activities.

Other Direct Costs: Describe other costs directly associated with the program, which do not fit in the other categories. For example, shipping costs for materials and equipment or applicable taxes. All “Other” or “Miscellaneous” expenses must be itemized and explained.

Indirect Costs: These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 15% of Modified Total Direct Costs (MTDC) as defined in [2 CFR 200.1](#).

“Cost Sharing” refers to contributions from the organization or other entities other than the U.S. Embassy. It also includes in-kind contributions such as volunteers’ time and donated venues.

Alcoholic Beverages: Please note that award funds cannot be used for alcoholic beverages and other entertainment related expenses.

STEP Enrollment

U.S. citizens who travel to Burkina Faso are encouraged to enroll in the Department of State's Smart Traveler Enrollment Program (STEP) available at: <https://step.state.gov/step/>.
