OVERVIEW, RECIPIENT AND NPS SUBSTANTIAL INVOLVEMENT

Substantial involvement on the part of the National Park Service (NPS) is anticipated for the successful completion of the objectives to be funded by this award. The NPS will provide staff time to lead mapping work through the IMR cultural landscapes program. The NPS will provide sub-meter GPS survey support, GIS-based mapping support, and any required standards for labeling metadata or other files. The NPS will support the research needs

of the Recipient through providing access to NPS and monument files, reports, photographs, maps, or any other documents needed during the project to help clarify the history, significance, and evolution of the 1904 Ranger Cabin.
