South Sudan Peace Talks Facilitation
FUNDING OPPORTUNITY #: SFOP0009903

Question : We would like to apply for the recent opportunity SFOP0009903 for South Sudan Peace Talks Facilitation, however, the technical narrative templates and that of budget templates are in pdf, isn't possible to share with me the word and excel version for drafting our concept notes and budget?

DOS Response: There is no technical narrative template. Please see the "Budget Guidelines" document to find guidance for the budget narrative. Applicants must create their own budget spreadsheet, retaining the same format, including the OMB-approved cost categories. Budget narrative must address the costs in the same order as they are listed in the budget spreadsheet (see the PSIs).
