The SF-424 must be submitted in Grants.gov. It is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See

the [OJP Grant Application Resource Guide](#) for additional information on completing the SF-424.

In Section 8F of the SF-424, please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*email address*) to assign the application to this user in JustGrants.

Intergovernmental Review: This solicitation (“funding opportunity”) **is not** subject to [Executive Order 12372](#). In completing the SF-424, an applicant is to answer question 19 by selecting the response that the “Program is not covered by E.O. 12372.”

Standard Applicant Information (JustGrants 424 and General Agency Information)

The Standard Applicant Information section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and make edits as needed. Within this section, the applicant will need to add: zip codes for areas affected by the project; confirm their Authorized Organization Representative; and verify and confirm the organization’s unique entity identifier, legal name, and address.

Proposal Abstract

A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known) — must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information.

Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. See the [OJP Grant Application Resource Guide](#) for an example of a proposal abstract.

Proposal Narrative

The Proposal Narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point font; have no less than 1-inch margins; and should not exceed 25 pages. Pages should be numbered and submitted as an attachment. If the proposal narrative fails to comply with these length restrictions, OVC may consider such noncompliance in final award decision.

The following sections must be included as part of the proposal narrative:

a. Description of the Issue

The description of the issue must establish strong rationale for the TA project and provide a clear statement of how funding will meet the stated goals. The applicant should demonstrate a strong understanding of the needs of hospital-based victim service programs and how to provide innovative TA supports to victim serving organizations and their partners. If the applicant organization is receiving funding from any other sources to

provide services and support for crime victims, or TA to support such projects, then the strategy must demonstrate how the OVC funding would leverage the other funding to enhance the response to victims and not duplicate costs.

b. Project Design and Implementation

The project design and implementation plan must describe the TA project strategy and discuss how it will address the goals and objectives for this solicitation. Plans for the project design and implementation must include training and TA on victim-centered, culturally relevant, and trauma-informed approaches to supporting victims of gun and community violence. This section should detail how the project will link and leverage resources from program partners to offer TA supports that address the complex, long-term issues of survivors and their families, such as substance abuse, health issues, joblessness, educational opportunities, and stable housing that may prevent victims from achieving stability, safety, and overall well-being. The applicant's strategy or project design must include the identification of a lead agency and a main point of contact within the lead agency to coordinate the effort. It must also contain a description of project phases, tasks, activities, staff responsibilities, interim deliverables, and final products. The project design and implementation section must include a time-task plan that delineates organizational responsibility for the TA activities to be completed and a schedule for the completion of the activities and the submission of finished products. In preparing the time-task plan, Gantt chart, or schedule, applicants should make certain that all project activities occur within the proposed project period. Applicants must include a logic model that graphically illustrates how the project's problems, goals, objectives, and design are interrelated, leading to anticipated outputs, performance measures, and outcomes. Sample logic models are available at <https://ojjdp.ojp.gov/funding/grant-performance-measurement/data-collection-methods-and-logic-models>. The applicant must submit the logic model as a separate attachment, as stipulated in "Additional Attachments."

c. Capabilities and Competencies

The applicant must demonstrate they have the expertise and organizational capacity to successfully undertake an initiative that involves significant collaboration with other agencies supporting the TA effort. The applicant must address the following items in this section:

- a. Explain the roles and responsibilities of the lead agency along with a plan for communicating with the multidisciplinary team, other agencies, and community partners. This discussion must describe the TA project's organizational structure and operations. A copy of the applicant's organizational chart must be submitted.
- b. Identify a coordinator within the lead agency responsible for the operation and expansion of TA efforts. This individual must be empowered to lead a

multidisciplinary effort within a well-designed, staff-supported organizational structure that includes capacity to oversee programmatic and financial responsibilities.

- c. Discuss any previous or current experience providing TA to victim services, using multidisciplinary partnerships, balanced public health approaches, and culturally relevant strategies.
- d. List personnel, in addition to the identified coordinator, responsible for managing and implementing the major stages of the TA project and provide a description of the current and proposed professional staff members' unique qualifications that enable them to fulfill their responsibilities.

d. Plan for Collecting the Data Required for this Solicitation's Performance Measures

This section must include the following information:

- 1. A plan for collecting all the performance measures data required by this solicitation.
- 2. A description of the qualifications of the key staff who will be responsible for collecting data and reporting performance measures in JustGrants.

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included as a notification that each award recipient will be required to submit performance data as part of each award's reporting requirements. Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

OJP will require each award recipient to submit regular performance data that show the completed work's results. The performance data directly relate to the goals, objectives, and deliverables identified in the "Goals, Objectives, and Deliverables" discussion. An applicant can visit OJP's performance measurement page at www.ojp.gov/performance for an overview of performance measurement activities at OJP.

OVC will require award recipients to submit performance measure data in OVC's Online Performance Measurement Tool, and separately submit semi-annual performance reports and quarterly performance reports in JustGrants. OVC will provide further guidance on the post-award submission process, if selected for award.

Note on Project Evaluations

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the "Note on Project Evaluations" section in the [OJP Grant Application Resource Guide](#).

Goal, Objective and Deliverables

The applicant may submit the program's goals, objectives, deliverables, and timelines in

the JustGrants web-based form or in a separate attachment.

For applications submitted from two or more entities, applicants are encouraged to develop and submit signed MOUs or signed Letters of Intent that provide a detailed description of how the agencies will work together to meet project requirements.

Each MOU or Letter of Intent should include the following: (1) names of the organizations involved in the agreement; (2) scope of the direct service(s) and other work to be performed under the agreement; (3) duration of the agreement. Subcontracts, MOUs, or Letters of Intent should be submitted as one separate attachment to the application.

Additional Application Components

The applicant will attach the requested documentation in JustGrants.

Curriculum Vitae or Resumes

Provide resumes of key personnel.

Timeline Form

The time-task plan will not be included as part of the 25-page narrative limitation. The applicant must submit a time-task plan that clearly identifies organizational responsibility for the activities to be completed and a schedule for the completion of activities and the submission of finished products. In preparing the time-task plan, Gantt chart, or schedule, applicants should make certain that all project activities will occur within the 24-month project period.

Research and Evaluation Independence and Integrity Statement

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the [OJP Grant Application Resource Guide](#).

Applicant Disclosure and Justification – DOJ High Risk Grantees (if applicable)

If applicable, submit the DOJ High Risk Disclosure and Justification as an attachment in JustGrants. A DOJ High Risk Grantee is an award recipient that has received a DOJ High Risk designation based on a documented history of unsatisfactory performance; financial instability; management system or other internal control deficiencies; noncompliance with award terms and conditions on prior awards, or is otherwise not responsible. See the [OJP Grant Application Resource Guide](#) for additional information.

How to Apply

Registration: Before submitting an application, all applicants must register with the System for Award Management (SAM). You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Registration and renewal can take up to 10 business days to complete.

Submission: Applications must be submitted to DOJ electronically through a two-step process via Grants.gov and JustGrants.

Step 1: After registering with SAM, the applicant must submit the **SF-424** and an **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html> by the Grants.gov deadline. **Submit the SF-424 and SF-LLL as early as possible, but no later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit in Grants.gov,

they will be unable to apply in JustGrants.

Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at JustGrants.usdoj.gov by the JustGrants deadline.

Within 24 hours after receipt of confirmation emails from Grants.gov, the individual in Section 8F of the SF-424 will receive an email from DIAMD-NoReply@usdoj.gov with instructions on how to create a JustGrants account. Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant's Authorized Representative(s) before an application can be submitted.

Submit the complete application package in JustGrants at least 24 – 48 hours prior to the JustGrants deadline. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

For additional information, see the “How to Apply” section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

Submission Dates and Time

The **SF-424** and the **SF-LLL** must be submitted in Grants.gov by 11:59 p.m. ET on July 6, 2023.

The **full application** must be submitted in JustGrants by 8:59 p.m. ET on July 13, 2023.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates with sufficient time to correct any errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration process in sufficient time (i.e., waiting until the date identified in this solicitation) is not an acceptable reason for late submission.

Experiencing Unforeseen Technical Issues Preventing Submission of an Application

OJP will only consider a request to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented

application submission.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes a tracking number generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; and for this reason, applicants are encouraged to email the appropriate service desk, even if they also intend to call the service desk for phone support. Experiencing wait times for phone support does not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov - contact the [SAM Help Desk \(Federal Service Desk\)](#), Monday – Friday from 8 a.m. to 8 p.m. ET at 866-606-8220.
- Grants.gov - contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or support@grants.gov.
- JustGrants - contact the JustGrants Service Desk at JustGrants.Support@usdoj.gov or 833-872-5175, Monday – Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and Federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must -

- describe the technical difficulties experienced,
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded),
- include an attachment of the complete grant application and all the required documentation and materials,
- include the applicant's Unique Entity Identifier (UEI), and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant who does not provide documentation of a technical issue or who does not submit a waiver request within the required time period will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

Application Review Information

Review Process

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. For invited applications, OJP reviews for consistency with the invitation letter and invited applicant guidance. See the [OJP Grant Application Resource Guide](#) for information on the application review process.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General who may consider not only OVC recommendations, but also other factors as indicated in this section.
