

Question: Are there any restrictions associated with the funding source of this NOFO?

Answer: Per the Notice of Funding Opportunity (NOFO), this program will be supported out of Economic Support Funds (ESF). Due to restrictions with ESF, this funding cannot be used to support activities and trainings with law enforcement in either country. Please refer to the "Participants and Audiences" section of the NOFO for a non-exhaustive list of which entities can be targeted for assistance.
