What is the required format for the Project Work Plan (PWP)?

No specific format is required for your PWP. However, you must ensure that your PWP is in a table format, easy to follow, and includes all the following required information:

- Description of the activities you will conduct over the 2-year period of performance to make progress toward meeting the objectives for this NOFO.
- A project name.
- A problem statement with a brief description of current challenges your proposed project will address.
- The community engagement approach which will describe your plan to gather input from and meaningfully engage with patients, community members and partners.
- The evidence-based model(s) you plan to implement.
- The goals, innovative activities, and outcome measures and targets.

The QIF-DNDD TA webpage does not include a sample workplan.

See Appendix A: Project Work Plan Instructions in the QIF-DNDD NOFO for more information.
