1. NOFO Summary

Rural communities face unique housing and community development issues across the country – from outmigration, repetitive disaster losses, aging housing, geographic isolation, and economic marginalization – it is HUD’s priority to ensure rural Americans are provided opportunities to build capacity and unlock access to capital. *This NOFO makes available*

\$6,000,000 for the Rural Capacity Building for Community Development and Affordable Housing Program (RCB) to enable national nonprofit organizations, including faith-based organizations, to advance affordable housing and community development activities in rural areas.

The RCB program enhances the capacity and ability of Rural Housing Development Organizations (RHDOs), Community Development Corporations (CDCs), Community Housing Development Organizations (CHDOs), local governments, and Indian Tribes (eligible beneficiaries) to carry out affordable housing and community development activities in rural areas for the benefit of low- and moderate-income households. This includes supporting pathways for homeless populations to self-sufficiency and stable housing. The RCB program achieves this by funding National Organizations with expertise in rural housing and rural community development who work directly to build the capacity of eligible beneficiaries. Under this competition, RCB also prioritizes projects in Opportunity Zones, broadens access for rural and small towns, and promotes better accountability in ensuring the program expands and achieves intended outcomes.

II. ELIGIBILITY

II. Eligibility

A. Eligible Applicants

B. Eligible Applications

C. Cost Sharing or Matching

II. ELIGIBILITY

A. Eligible Applicants

If your organization is not an eligible applicant, your application won't be reviewed or scored, and you won't receive funding from HUD.

1. Eligible Entity Types:

25 (Others (see text field entitled "Additional Information on Eligibility" for clarification))

Additional Information on Eligibility

You cannot apply as an individual.

[Faith-based organizations](#) may apply just like any other organization. [HUD does not have any policies or practices that unfairly target these institutions.](#)

Only National Organizations that are 501(c)(3) nonprofits, including faith-based organizations, other than institutions of higher education, may apply for RCB funding.

For the purpose of the RCB program, a National Organization must be a single non-profit organization including those that are faith-based, that has ongoing experience conducting RCB eligible capacity building activities in rural areas with rural housing organizations, local governments, and Indian tribes as evidenced by work within the last ten years in at least eight of HUD's Federal regions. Having relevant experience working in one state in a HUD region is sufficient for counting that region towards the eight-region minimum. HUD's Federal regions are described on HUD's website at: <https://www.hud.gov/contactus/local#regions>.

Faith-based organizations may apply for this award on the same basis as any other organization, as set forth at 24 CFR 5.109, and subject to the protections and requirements of 42 U.S.C. 2000bb et seq., HUD will not, in the selection of recipients, discriminate against an organization based on the organization's religious character, affiliation, or exercise.

2. Restrictions

a. Statutory and Regulatory Requirements

You must meet the current [General Statutory and Regulatory Eligibility Requirements](#). If you do not meet these requirements, your application won't be scored, and you won't receive funding from HUD. This is a threshold requirement for all HUD funding.

In accordance with both Executive Orders 14321 and 14224; grantees, subgrantees and/or beneficiaries are expected to adhere to the EOs.

b. Resolution of Civil Rights Matters

If you have any outstanding or unresolved judgments for violating civil rights laws, you must settle them before you apply. If you don't, settle the civil rights law violations before you apply, your application won't be scored, and you won't receive funding from HUD. This is a threshold requirement for all HUD funding.

B. Eligible Applications

1. An application from an [eligible entity](#) is considered for funding if it meets basic [threshold](#)

[requirements](#) and passes [merit review](#).

2. Your application must support the [goals](#) of this NOFO.

3. Awards made under this NOFO will not be used to conduct activities that subsidize or facilitate illegal racial preferences or other forms of illegal discrimination, including activities where race or intentional proxies for race will be used as a selection criterion for employment or program participation.

C. Cost Sharing or Matching

This Program does not require [cost sharing or matching](#) but provides points based on leverage, as described below.

There is no match requirement under the Rural Capacity Building program. However, applicants are encouraged to secure leverage, or voluntary committed cost sharing as defined in 2 CFR §200.1, from non-Federal public, private, and/or nonprofit sector resources (such as financing, supplies, or services). Applicants who submit evidence of leverage will receive credit in the review of their application. The pledged leverage becomes a binding requirement of the award. Documentation of leverage through Letters of Firm Commitment and a Leverage Summary must meet the requirements outlined in Rating Factor 5 of this NOFO.

If the anticipated leverage is not provided, HUD will reassess the application with the corrected leverage commitment. If the application is no longer able to be funded after re-rating and re-ranking the application, HUD will rescind the grant and recapture grant funds. Leverage funds must be used for RCB eligible activities in approved action plan activities and are subject to the same rules and requirements set forth in this NOFO, including a prohibition on fees or profit. In addition, loans made with non-RCB funds that a beneficiary must repay are not considered leverage. However, if the loan is offered at below market interest rates, the cost difference between the lower interest rate and the market interest rate can be accepted as leverage with proper documentation.

The RCB Program does not allow Federal sources to be used as leverage. All leverage funds, including in-kind contributions, must conform to the requirements of 2 CFR Part 200.1 and 2 CFR 200.306. Leverage sources may come from public (non-Federal), private, and nonprofit sources, including, but not limited to:

1. State and local housing finance agencies;
2. Local Governments;
3. Foundations;
4. Government Sponsored Enterprises such as the Federal Home Loan Banks, Fannie Mae, and Freddie Mac;
5. Colleges and universities;
6. Financial institutions or banks; and
7. Other private funders.

Once an RCB award is made, the grantee will be required to show evidence through semi-

annual reports and the final closeout report to HUD that the amount of committed leverage was received and used for the intended purpose. Subject to HUD approval, sources of leverage funds may be substituted with other eligible leverage sources after grant award, if the total dollar commitment is met.

III. PROGRAM DESCRIPTION

A. Purpose

The RCB program enhances the capacity and ability of Rural Housing Development Organizations (RHDOs), Community Development Corporations (CDCs), Community Housing Development Organizations (CHDOs), local governments, and Indian tribes (eligible beneficiaries) to carry out affordable housing and community development activities in rural areas for the benefit of low- and moderate-income households. The RCB program achieves this by funding National Organizations with expertise in rural housing and rural community development who work directly to build the capacity of eligible beneficiaries.

B. Goals and Objectives

Program Goals:

1. Award national nonprofits, including faith-based organizations, with expertise in rural housing and community development to build the capacity of local governments, Indian Tribes, RHDOs, Rural CDCs, and Rural CHDOs, to serve low- and moderate-income families and persons in rural areas.
2. To increase capacity building efforts to enable CDCs, CHDOs, and Indian Tribes to access federal funds.
3. To assist rural community organizations to evaluate performance, work with their rural communities, use available resources more effectively, and link plans to foster regional planning.
4. Promote and enhance activities by local governments, Indian tribes, CDCs and CHDOs that lower the cost-of-living and provide price relief for American families. This will allow the beneficiary organizations to create new housing units, assist and create businesses and create well-paying jobs.
5. Promote and enhance activities that assist rural communities in utilizing the benefits of investments in Opportunity Zones

C. Authority

Funding for this program is provided by the Full-Year Continuing Appropriations and Extensions Act, 2025 (Public Law 119-4, approved March 15, 2025).

D. Unallowable Costs

The following is a non-exhaustive list of some ineligible activities and costs, and it does not represent ALL the ineligible activities or ineligible costs possible in the RCB program.

Construction, acquisition, leasing, development, or housing rehabilitation costs are not eligible activities with RCB funds. RCB funds may be used to build the capacity of eligible beneficiaries to be able to engage in construction, rehabilitation, or development work, but the funds cannot be used to directly fund those activities. All activities are categorically excluded from environmental review under NEPA.

1. *Food and meals.* Food is considered an entertainment cost (2 CFR 200.438) and is an

ineligible expense.

2. *Fundraising* with RCB funds is prohibited in accordance with 2 CFR 200.442.
3. *Issue advocacy or political engagement* with RCB funds is prohibited in accordance with 2 CFR 200.450.

Under Title IV of the Personal Responsibility & Work Opportunity Reconciliation Act of 1996 (PRWORA). Only United States citizens or “qualified aliens” are eligible for benefits under this program.

E. Indirect Costs

If you expect to charge [indirect costs](#) to the award, submit the Indirect Cost Information for Award Applicant/Recipient form (HUD-426) with your application.

You are required to provide documentation identifying the federally negotiated indirect cost rate from the cognizant agency that shows the approved rate or provide an attachment that states that the *de minimis* rate of 15% Modified Total Direct Costs (MTDC) will be used.

To accurately determine the applicant's eligibility, the Threshold Summary must clearly identify specific activities and cite the:

- HUD Region where the activity was conducted;
- State(s) within the HUD Region where the activity was conducted;
- Type and mode (e.g. onsite, online, etc.) of eligible activity (e.g. loans, grants, trainings);
- Name and type of eligible beneficiary of the activity;
- Year(s) the activity was conducted (years must be specific; do not cite any activity older than 10 years.); and
- Amount of funding expended on this activity.

HUD Region Represented	State(s) Served within the HUD Region	Type and Mode of Eligible Activity	Name and Type of Beneficiary(ies) Served (no more than 5 examples for each)	Specific Year(s) Conducted	Total Amount of Funding for this Activity
8	MT	Grant: Direct provision of funds following an RFP process	My Town CDC, CDC	2019	\$15,000

In addition, it is expected that the work presented in this Threshold Summary will be consistent with the applicant's narrative in Factor 1 for experience. The Threshold Summary will not affect the applicant's overall score on the application; it will only be used to determine the organization's eligibility to apply for RCB program funding.

As a reminder, the Threshold Summary should be included at the beginning of the applicant's program narrative prior to the response to the Five Factors.

2. Policy Initiative Preference Points

Preference points are added to your overall application score. You do not need to address the policy initiatives in this section to receive an award. If you choose to address a policy initiative in your application, you must adhere to the information with any award.

3. Other Factors

Your application must respond to the following additional criteria.

a. Budget

The panel will evaluate but not approve the budget. The panel will assess whether the budget aligns with planned program activities and objectives. Panel members will consider whether the budget and the requested performance period are fully justified and reasonable in relation to the proposed project.

Certification of Consistency with the Consolidated Plan

You must ensure that the activities in your application are [consistent with your local Consolidated Plan](#).

C. Risk Review

Before making any awards, HUD will evaluate each applicant's likelihood of successfully carrying out the project. Here's what HUD looks at:

Past Performance:

- Government-wide performance data, as noted in [2 CFR 200.206\(a\)](#)
- Public sources like news reports, Inspector General findings, Government Accountability Office reports, and complaints proven to have merit
- History of managing Federal awards (if applicable), including on-time reporting, meeting planned goals, and following previous award rules. And, the extent to which any previously awarded amounts will be expended prior to future awards

- Reports from past audits, including those performed under 2 CFR part 200, subpart F—Audit Requirements
- History of finishing activities on time and using any promised matching or leveraged funds

Organizational Health:

- Financial stability
- Quality of management systems and ability to meet the management standards in 2 CFR part 200
- Ability to follow all required laws and rules
- Capacity, including staffing structures and capabilities

Results:

- Ability to promote self-sufficiency and economic independence
- Number of people served or targeted for assistance

HUD evaluates the integrity of the applicant as reflected in government-wide websites, information in HUD's files, the federal Do Not Pay portal, public information and information received during HUD's Name Check Review process and incorporates the risk assessment criteria laid out in 2 CFR 200.206. If this integrity evaluation results in an adverse finding, HUD reserves the right to take any of the remedies provided in 2 CFR 200.339 and HUD reserves the right to impose specific grant conditions in accordance with 2 CFR 200.208.

- **Review Types.** Two types of reviews will be conducted. First, HUD will review each application to determine whether it meets threshold eligibility requirements. If an application does not meet threshold eligibility requirements, HUD will not assess the application with respect to the Rating Factors for award. Second, HUD will review and assign scores to eligible applications using the Rating Factors for Award noted under Criteria, Section V.A.
- **Threshold Eligibility Requirements.** All applicants must comply with the threshold requirements found in this NOFO and the eligibility requirements listed in Section III of this NOFO in order to be reviewed, scored, and ranked. Applications that do not meet these requirements and applications that were received after the deadline (see Section IV.D of this NOFO) will be ineligible for funding.
- **Rating.** HUD will rate all eligible applications that meet the Threshold Requirements against the criteria in Rating Factors 1 through 5 and assign a rating score. The maximum total rating score for the Rating Factors is 100 points.
 - **Minimum Rating Score.** Applicants must receive a total rating score of 75 points or more for Rating Factors 1 through 5 to be eligible for funding. In addition, applicants must earn at least 9 points for Factor 1 to be eligible for funding. HUD will reject any application that does not meet the minimum rating score requirements.
 - **Ranked Order.** HUD will place eligible applications that meet the minimum

rating score requirements in ranked order and will award up to the amount requested or a lesser amount if sufficient funds are not available. Meeting a minimum score of 75 points does not guarantee a funding award will be made. HUD reserves the right to adjust funding to meet urgent policy priorities.

- **Tie Scores.** If two or more applications have the same score, the applicant with the highest score for Rating Factor 5 of this NOFO, ("Achieving Results and Program Evaluation"), or with lower indirect cost rates, will be ranked higher. If a tie remains, the applicant with the highest score for Rating Factor 3 of this NOFO, ("Soundness of Approach"), will be ranked higher.
- **Grant Award Adjustments.** Successful applicants selected to receive a grant award that is less than they applied for are required to participate in the negotiation process to create an updated program budget and plan reflecting the actual award offer, and to include the exclusion of any proposed ineligible activities, if applicable. In cases where HUD cannot successfully conclude negotiations on an updated program budget and plan, or if the selected applicant fails to provide HUD with requested information as part of the negotiation process in the required time frame, an award will not be made to that applicant. In such an instance, HUD may offer an award to and negotiate with another applicant.

HUD may use the results of the risk review to make final funding decisions and/or set specific conditions on the award.

D. Selection Process

When making award funding decisions, HUD will consider:

- Threshold review results, including eligibility requirements.
- Merit review results.
- Risk review results.

To the extent allowed by law, HUD may also consider:

- The scope of the overall projected impact on the program and administrative goals and priorities in this NOFO.
- Reasonableness of the estimated costs to the government.
- The applicant's readiness to conduct the proposed work.
- Likelihood that the proposed project will result in the benefits expected.
- Broad range of recipients beyond recurrent recipients.
- Geographic dispersion.
- All else being equal, preference for applicants with lower indirect cost rates.
- Applicants with demonstrated success in implementing Gold Standard Science (applicable to research awards).

- Applicants with potential to produce immediate results and potential for longer-term, breakthrough results, based on the goals of this NOFO (applicable to research awards).

To the extent allowed by law, HUD may:

- Fund applications in whole or in part.
- Fund applications at a lower amount than requested.
- Choose to fund no applications under this NOFO.
- Withdraw an award offer and make an offer of funding to another eligible application, if terms and conditions are not finalized or met timely.
- Use additional funds made available after NOFO publication to either fully fund an application or fund additional applications.
- Correct HUD review and selection errors. If HUD commits an error that causes an applicant not to be selected, HUD may make an award to that applicant when and if funding is available.
- Release another NOFO, if funding is available and if HUD does not receive applications of merit.

E. Award Notices

If your application is successful, HUD will email an award notice to the authorized official representative from the SF-424. HUD will also notify unsuccessful applicants.

The award notice communicates the amount of the award, important dates, and the terms and conditions you need to follow. The notice may also include HUD-imposed award conditions as provided under [2 CFR 200.208](#).

You agree to the award terms and conditions by either drawing funds from HUD's payment system or signing the agreement with HUD. If you do not agree to the award terms and conditions, HUD may select another eligible applicant.

HUD will send written notifications to both successful and unsuccessful applicants. Notifications will be sent by email to the person listed as the Authorized Representative in item 21 of the SF424.

A notification sent to a successful applicant is not an authorization to begin performance or to incur costs. Successful applicants will receive notification of the preliminary award decision and must submit a revised budget and plan for any amount offered that is less than original request, and they must receive final approval for an updated budget and plan (according to the deadlines set in the award notification). Once the updated budget and plan is approved, HUD will send the successful applicant a Federal Award Agreement package to be signed and returned.

Once the Federal Award Agreement is fully executed, the grantee must submit to HUD an action plan with specific activities and budgets for each initiative it proposes to implement, based on its final approved budget and plan. RCB work and program activities cannot commence unless approved as an activity in an action plan. The action plan and activities will

show when and how the federal funds and matching funds will be used. The action plan and activities must be sufficiently detailed for monitoring purposes and must identify the performance goals and objectives to be achieved. HUD will approve the action plan and activities or notify the grantee of matters that need to be addressed prior to approval. Multiple action plan activities may be submitted for each grant; as such, action plan activities may be developed for less than the full dollar amount and term of the award, but no HUD-funded costs may be incurred for any work until the action plan activity is approved by HUD. All activities are also subject to the environmental requirements in Section VII. A.28 of this NOFO.

Consistent with the web resources provided in Section III.F of this NOFO and the requirements at 2 CFR 200.112 and 200.318, after selection, but prior to award, applicants selected for funding will be required to provide HUD with an up-to-date copy of their written Code of Conduct. An applicant who previously submitted an application and included a copy of its Code of Conduct will not be required to submit another copy if the applicant is listed in HUD's library of the Code of Conducts for HUD Grant Programs located at https://www.hud.gov/program_offices/spm/gmomgmt/grantsinfo/conductgrants unless the information has been revised. Frequently Asked Questions for this Notice of Funding Opportunities (NOFO) will be located at www.hud.gov. The executed award notice is not intended as and does not constitute a contract. There are no monetary remedies for the grant recipient under the award notice.

TABLE OF CONTENTS

VI. SUBMISSION REQUIREMENTS AND DEADLINES

You must apply electronically, unless you qualify to submit a [paper application](#). See [Find the Application Package](#) to make sure you have everything you need to apply online.

Make sure you are current with [SAM.gov](#) and UEI requirements before applying for the award. See the [Before You Begin](#) section of this NOFO.

A. Deadlines

1. Application submission deadline:

The application deadline is 11:59:59 PM Eastern time on:

07/06/2026

HUD must receive your application by the deadline. Applications received after the deadline are late. Late applications are not eligible for HUD funding.

If HUD receives more than one application from you, HUD will review only the last submission.

HUD may extend an application due date based on emergency situations such as Presidentially-declared natural disasters. An improper or expired registration and password issues are not causes to allow HUD to accept applications after the deadline date.

2. Grace Period for Grants.gov Submissions

If [Grants.gov](#) rejects your application before the deadline, you have up to 24 hours after the application deadline to correct and resubmit your application. Any application submitted during the grace period but not received and validated by Grants.gov will not be considered for funding. There is no grace period for paper applications.

B. Submission Methods

1. Electronic Submission

You must register and submit your application through [Grants.gov](#). See [Before You Begin](#).

For instructions on how to submit in [Grants.gov](#), see the [Quick Start Guide for Applicants](#).

Make sure that your application passes the [Grants.gov](#) validation checks or we may not get it.

[Grants.gov](#) will record the date and time of your application submission. HUD will use this information to determine timely applications.

Need Help? See the [Contact and Support](#) section of this NOFO.

2. Electronic Submission Application Waiver

You may request a waiver from the requirement to submit your application electronically. The request must show good cause and detail why you are technologically unable to submit electronically. An example of good cause may include: a valid power or internet service disruption in the area of your business office. Lack of [SAM.gov](#) registration is not good cause.

Use the information in the [Contact and Support](#) section of this NOFO to submit a written request to HUD. You must **submit your waiver request at least 15 calendar days before**

the application deadline.

C. Other Submission Information

1. Intergovernmental Review

This NOFO is not subject to Executive Order [12372](#). No action is needed.

2. Technical Application Errors

HUD will contact you to fix a [technical error](#) with your timely application after the due date. Use the following submission requirements to respond to HUD's notice.

a. Fix Errors in Electronic Applications

To fix an error in response to a HUD notice, you must email the corrections to HUD at applicationsupport@hud.gov. The subject line of the email to applicationsupport@hud.gov must state "Technical Fix" and include the [Grants.gov](#) application tracking number (e.g., Subject: Technical Fix - GRANT123456). If you do not email applicationsupport@hud.gov or if you do not include the appropriate subject line, HUD may mark your application as ineligible.

The HUD notice will allow between 48 hours and 14 calendar days from the date of the HUD notice to fix an error. If the due date to fix an error falls on a Saturday, Sunday, Federal holiday, or on a day when HUD's Headquarters is closed, then the due date moves to the next business day.

b. Fix Errors in Paper Applications

You must fix an error in your paper application, in accordance with HUD's notice. If your paper application includes an incorrect UEI, HUD will request you supply the correct UEI.

D. False Statements

By submitting an application, you acknowledge your understanding that providing false or misleading information on your application, or during any part of the performance phase of an award, can lead to serious consequences. Those consequences include but are not limited to: fines, repayment, restitution, prison time, termination of any HUD award, and being banned from receiving any future HUD award and doing business with the federal government (18 USC 1001, 18 USC 1012, 18 USC 1010, 18 USC 1014, 18 USC 287, 31 USC 3729 et seq., 31 USC 3801-3812, FAR Part 9.4, 2 CFR Part 180, other remedies in your HUD award).

National Organization: For the purpose of the RCB program, a National Organization must be a single 501(c)(3) nonprofit or faith-based entity, other than an institution of higher education, that has ongoing experience in rural housing including experience working with rural housing organizations, local governments, Tribes, and conducting RCB eligible capacity building activities in rural areas with RCB eligible beneficiaries serving high need rural communities, as evidenced by work within the last ten years in at least eight of HUD's Federal regions. Having relevant experience working in one state in a HUD Federal region is sufficient for counting that region towards the eight-region minimum. HUD's Federal regions are described on HUD's website at:

<http://portal.hud.gov/hudportal/HUD?src=/localoffices/regions>.

Outcomes: Results achieved, or benefits derived from the capacity building activity conducted, typically demonstrated by the eligible beneficiary. Some examples include an ability to maintain a full-time paid staff person, increased amount of affordable homes in a beneficiary's portfolio, or success in building the beneficiary's loan portfolio to conduct community development.

Outputs: Deliverables such as products created, grants made, individuals served, or trainings delivered that are usually quantified by number produced, number delivered, number of attendees, etc. Outputs do not measure a change in a beneficiary's capacity directly, but they do identify what the grantee has done with the program funds.

Rural Area: A rural area is a statistical geographic entity delineated by the Census Bureau that does not meet the definition of an urbanized area. An urbanized area is a statistical geographic entity delineated by the US Census Bureau, consisting of densely settled census tracts and blocks and adjacent densely settled territory that together contain at least 50,000 people. As of the 2010 decennial census, the United States contained 486 urbanized areas with an additional 11 in Puerto Rico. For more information about urbanized areas, including maps, FAQs, and reference manuals, please refer to this Census Bureau website - <https://www.census.gov/programs-surveys/geography/guidance/geo-areas/urban-rural.html>.

To demonstrate that a beneficiary complies with the rural area requirement, grantees will be expected to implement a review process to confirm that the proposed rural beneficiary is located geographically within an eligible rural area or, as a result of RCB assistance, will be commencing or expanding service in an eligible rural area. HUD has created a mapping tool for grantees to utilize in assessing a beneficiary's compliance with the rural area definition.

The mapping tool is posted on HUD's RCB grant program webpage - https://www.hud.gov/program_offices/comm_planning/section-4. Scroll to the bottom of the page where Resources are listed and select Rural Beneficiary Mapping Tool.
