

Questions on NOFO: Combat Wildlife Trafficking in Brazil

Opportunity # SFOP0005548

February 2019

1. **Is it acceptable for an organization to submit a proposal as prime to the NOFO "Combat Wildlife Trafficking in Brazil" and as partner ("sub") in proposals of other organizations?**
 - Yes, applicants may submit separate proposals wherein they are the prime in one application and a sub-grantee in another.
2. **Could the production and publication of a report on the current situation of wildlife trafficking in Brazil be one of the activities to be carried out by our NGO to achieve the objectives of this call?**
 - Yes, a report is acceptable as one output for this program only if it is a targeted report that informs the subsequent activities of the program. However, all other outputs and outcomes from this program must substantively achieve the goal of this program to reduce the poaching and trafficking of protected wildlife.
