The Historic Preservation Fund provides annual formula grants to Tribal (54 U.S.C. 3027) Historic Preservation Offices (THPO) for responsibilities delegated to them by the Department of the Interior (DOI) and the National Historic Preservation Act (NHPA) (54 U.S.C. 302701-702) based on an approved apportionment formula approved by the Secretary of the Interior. THPOs may fulfill the requirements of NHPA by assuming responsibility from the State Historic Preservation Office in eight program areas: nominating properties to the National Register of Historic Places, Historic Preservation Tax Credits, Review and Compliance for Federal undertakings, Survey and Inventory, Development (physical preservation), Preservation Planning, working with Certified Local Governments (CLGs) to preserve local resources, and administration of the grant programs. In the case of a Continuing Resolution, a partial appropriation may be offered to the States to fund their required federal activities that began on October 1, and a supplemental apportionment offered when the full budget is passed, thus resulting in a range of award floor/ceiling amounts.

Project Narrative

- Anticipated Activities List (Workplan)
 - The Anticipated Activities List must state the activities that will be completed under the grant agreement and in accordance with the Tribe’s MOA Partnership agreement with NPS (under which the Tribe assumed the duties of the State Historic Preservation Office and is eligible to apply for HPF grant funds). The Narrative should specifically address work anticipated under each of the allowable Historic Preservation Fund program areas transferred to the Tribe (education, planning, National Register, survey & inventory, review & compliance, development, preservation tax incentives, Certified Local Governments, and administration). The proposal text must be no longer than 5 pages, no smaller than font size 11, and have 1-inch margins. The 5-page limit includes all text, figures, references, and resumes (other required application forms are not counted as part of the 5-page limit). This should be submitted as an attachment to the Grants.gov application.

Budget Narrative

Applicants must describe and justify items and costs listed in their budget. The budget narrative must identify the following cost items: total estimated costs, non-Federal cost share, third-party contributions, and any pre-award costs. Total project cost is the sum of all allowable costs, including required and voluntary cost share and third-party contributions.

Budget items must be:

- Reasonable, allowable, allocable, and necessary
- Compliant with [2 CFR §200 Subpart E](#) cost principles

Indirect Costs: Applicants must indicate in their budget narrative how they will charge indirect costs, including the rate to be applied:

- De Minimis Rate: If eligible, state if your organization is opting to use the de minimis rate of up to 15% of total modified direct costs. Entities that do not have a current Federal negotiated indirect cost rate (including provisional rate) may propose to use the de minimis rate. For more information, refer to [2 CFR 200.414\(f\)](#).
- Negotiated Rate: State if you will negotiate with your cognizant agency. If your organization has previously negotiated a rate, attach a copy of the most recently negotiated rate agreement (active or expired).

This program has a mandated cap on indirect costs or approved rate deviation.

These funds are subject to a 25% administrative plus indirect cost rate cap.

Administration costs necessary to complete and administer the program cannot exceed 25% of total cost (primary and subgrants combined). This limitation for the Historic Preservation Fund is by statute, 54 U.S.C. 302902.

Administrative costs are defined as: Allowable, reasonable, and allocable costs related to the overall management of activities directly related to finance (accounting, auditing, budgeting, contracting), general administrative salaries and wages (grant administration, personnel, property management, equal opportunity) and other “overhead” functions (general legal services, general liability insurance, depreciation on buildings and equipment, etc.) not directly attributable to specific program areas identified in the grant agreement.

Your SF-424A will serve as your detailed budget narrative. Please divide your costs across the columns under Administration, Program, and Contracts.

Submission Instructions

Apply Through Grants.gov

To apply through [Grants.gov](#), please follow the instructions in the [Quick Start Guide for Applicants](#). Before applying, ensure that at least one person at your organization is registered and

has the Authorized Organization Representative (AOR). Only the AOR can submit the application. If you need more users, they must create their own Grants.gov account. Follow these steps below to apply:

- *Create a Workspace:* Creating a workspace allows you to complete it online and route it through your organization for review before submitting.
- *Complete a Workspace:* Invite participants to the workspace so you can collaborate on the application. Required applications forms are included in the Grants.gov Funding Opportunity Package and can be completed in the Workspace, unless noted otherwise in the Required Forms table above. Check for errors before submission.
- *Submit a Workspace:* An application may be submitted through workspace by clicking the Sign and Submit button on the Manage Workspace page, under the Forms tab
- *Track a Workspace Submission:* After successfully submitting a workspace application, a Grants.gov Tracking Number (GRANTXXXXXXXX) is automatically assigned to the application.

The system generates a date and time stamp and sends it to the applicant's AOR via email as proof of submission. Make sure your application passes the Grants.gov validation checks. Do not encrypt, zip, or password-protect any files. Only registered individuals in SAM as both a user and an AOR can submit applications. Please allow 30 days to register in Grants.gov.

Application System Technical Support: For Grants.gov technical registration and submission, downloading forms, and application packages, contact Grants.gov Customer Support at 1-800-518-4726 or by email at Support@grants.gov.

APPLICATION REVIEW INFORMATION

Eligibility Review

During the eligibility review, the application is checked for timely submission, completed packages (see [Application Documents](#) above) and alignment with the requirements of this announcement. The Federal agency may remove an application if it does not pass the eligibility review.

Qualified federal personnel will review all applications.

If an applicant selected for funding hasn't finished their SAM.gov registration (see [2 CFR 25.200](#) and [2 CFR 25.110](#)) when the federal agency is ready to make an award, we may decide that the applicant is ineligible for the award and choose to grant it to someone else. Please refer [2 CFR 25.205](#) for more information.

Prior to making an award, the DOI checks the anticipated recipient and their key project personnel against the current list of prohibited or restricted persons or entities in the System for Award Management (SAM.gov) Exclusions database. We are prohibited from making an award if a recipient or any key personnel are found ineligible, prohibited, restricted, or otherwise excluded from receiving or participating in an award, as their ineligibility condition applies to this program.

If removed from consideration for ineligibility, the Federal agency will notify the applicant in writing.

Merit Review

The Historic Preservation Fund provides annual formula grants to Tribal (54 U.S.C. 302701) Historic Preservation Offices (THPO) for responsibilities delegated to them by the Department of the Interior (DOI) and the National Historic Preservation Act (54 U.S.C. 302702) based on an approved apportionment formula approved by the Secretary of the Interior. THPOs may fulfill the requirements of NHPA in eight program areas through a memorandum of agreement with the NPS that may include all or some of the following: nominating properties to the National Register of Historic Places, Historic Preservation Tax Credits, Review and Compliance for Federal undertakings, Survey and Inventory, Development (physical preservation), Preservation Planning, working with Certified Local Governments (CLGs) to preserve local resources, and administration of the grant programs. Qualified federal personnel will review all applications in accordance with the requirements the NHPA places on these formula grants. These are not competitive awards, and funding is determined by an apportionment formula as detailed in the *Historic Preservation Fund Grants Manual* and approved by the Secretary of the Interior developed in consultation with Tribes with 80% of the total appropriation being divided equally among all THPOs and the remaining 20% being apportioned based on the area of Tribal lands as defined in the National Historic Preservation Act.

Review and Selection Process

This program reviews proposed budgets to ensure:

- figures are correct
- estimated costs are necessary and reasonable and clearly linked to project narratives
- avoid obviously unallowable costs
- identify costs requiring prior approval
- ensure indirect cost rates are applied correctly
- confirm cost sharing requirements are reflected in the budget.

This program reviews applications for potential overlap or duplication between the proposed project and any other funded or proposed project. Depending on the circumstances, DOI may choose to not make an award.

a. Initial Review

Prior to conducting the comprehensive merit review, an initial review will be performed to determine whether: (1) the applicant is eligible for an award; (2) the information required by the NOFO has been submitted; (3) all mandatory requirements of the NOFO are satisfied; (4) the proposed project is responsive to the program objectives of the NOFO (program determination); and (5) the proposed project is in compliance with all applicable executive and secretary orders, including the President's executive order on *Ending Radical and Wasteful Government DEI Programs and Preferencing*, as well as the executive order and Secretary order on *Restoring Truth and Sanity to American History*. If an applicant fails to meet the requirements or objectives of the NOFO, or does not provide sufficient information for review, the applicant will be considered non-responsive and eliminated from further review.

The Government may enter into discussions with a selected applicant for any reason deemed necessary, including, but not limited to: (1) only a portion of the application is selected for

award; (2) the Government needs additional information to determine that the recipient is capable of complying with the requirements of DOI Financial Assistance Regulations, and/or (3) additional specific terms and conditions are required. Failure to satisfactorily resolve the issues identified by the Government may preclude award to the applicant.

Risk Review

Prior to making an award, the applicant will be assessed for their level of risk per [2 CFR 200.206](#). This assessment includes the applicant's financial management capabilities, project delivery experience, staffing resources, past award performance, administration and reporting compliance records, and overall project complexity and potential for challenges. If an award will be made, special conditions may be applied to the award corresponding to the assessed risk. For awards over the simplified acquisition threshold (currently \$350,000), a review of the applicant's eligibility and financial integrity information in the applicant's SAM.gov records will also be performed per [2 CFR 200.206](#).

AWARD NOTICES

Notices of Federal Award are sent electronically via GrantSolutions or e-mail. These notices outline the terms, conditions, and payment instructions per [2 CFR 200.211](#). The Notice of Federal Award signed by an authorized Grants Officer is the legal instrument obligating financial assistance to a recipient. Any other prior notice is not an authorization to begin work. If the program allows pre-award costs per [2 CFR 200.458](#), beginning performance before receiving a Notice of Federal Award is at the applicant's own risk.

Anticipated Project Start Date: 10/01/2025

Anticipated Project End Date: 09/30/2027

Once an application is approved, applicants will receive notification of their award through GrantSolutions.

Any pre-award costs incurred prior to the receipt of a signed agreement or written notice signed by a Financial Assistance Awarding Officer authorizing pre-award costs, is at the applicant's own risk. A fully executed copy of the grant agreement through GrantSolutions by the Financial Assistance Awarding Officer is the only authorizing document to begin performance. Costs are allowable from the start date of the agreement, October 1, 2025, forward.

POST AWARD REQUIREMENTS AND ADMINISTRATION

Administration and National Policy Requirements

For award administration and national policy requirements, see the [DOI General Terms and Conditions](#). Infrastructure projects require the use of American iron, steel, manufacture products, and construction materials per [2 CFR 184](#).

1. Applications for renewal or supplementation of existing projects are not eligible.
2. Projects funded under this program constitute "undertakings" as defined by Section 106 of the National Historic Preservation Act (NHPA) (54 U.S.C. 306108). Accordingly, after the grant is awarded, the National Park Service will work with the grantee to complete the consultation process for Section 106.

3. Section 110 of the NHPA will apply to National Historic Landmarks.
4. All Section 106 & 110 responsibilities will be conducted in accordance with the [Nationwide Programmatic Agreement for Cultural Resources Grants and Financial Assistance \(CRFA PA\)](#).
5. All projects will also be reviewed for effects under the National Environmental Protection Act (NEPA).
6. All work will be reviewed to ensure it meets the Secretary of the Interior's *Standards and Guidelines for Archeology and Historic Preservation*.
7. Any historic property receiving physical preservation (development) assistance through the program will be required to place a preservation covenant/easement/agreement on the property ranging from 5 to 20 years determined by the amount of grant, to protect the federal investment and characteristics which made the property historic.
8. The total of administration and indirect costs necessary to complete and administer the program cannot exceed 25% of total cost (primary and subgrants combined). This limitation for the Historic Preservation Fund is by statute, 54 U.S.C. 302902.

As authorized by 2 CFR § 200.340(a)(4), awards made under this announcement may be terminated in part or its entirety by the Federal agency if an award is determined to no longer effectuate the program goals or agency priorities.

Reporting

The recipient's Notice of Award will detail all reporting requirements, including frequency, due dates, and instructions for requesting extensions. In general, but not limited to, recipients must:

- Submit Federal Financial reports and Program Performance reports.
- Use the [Federal Financial Report \(SF-425\) form](#) for financial reporting,
- Monitor award activities and report on program performance per [2 CFR 200.329](#),
- Promptly notify the awarding program in writing of any issues, delays, or conditions impairing award objectives per [2 CFR 200.329\(e\)](#),

- Report on the status of real property acquired under the award in which the Federal government retains an interest per [2 CFR 200.330](#), and
- Report all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award per [2 CFR 200.113](#).
- Report any matters related to recipient integrity and performance to SAM.gov per [Appendix XII to 2 CFR 200](#).
- If the Federal share of the award is more than \$100,000 and the recipient makes or agrees to make any payment using non-appropriated funds for lobbying in connection to the award, disclose those activities using the Disclosure of Lobbying (SF-LLL) form per [43 CFR 18.100](#).
- Federal Funding Accountability and Transparency Act of 2006 (FFATA) and 2 CFR 170 requires certain recipients to report information on executive compensation, and information on all sub-awards, subcontracts and consortiums equal to or over \$30,000 to SAM.gov.

Performance will be regularly evaluated to determine recipient adherence to program goals and Agency and Administration priorities, in accordance with applicable laws, regulations, and with all current and applicable Executive Orders and Secretary Orders. This will include annual reporting on minimum federal requirements in the program areas required by the National Historic Preservation Act that each THPO has taken responsibility for from the SHPO. These include all or some of: nominating properties to the National Register of Historic Places, Historic Preservation Tax Credits, Review and Compliance for Federal undertakings, Survey and Inventory, Development (physical preservation), Preservation Planning, working with Certified Local Governments (CLGs) to preserve local resources, and administration of the grant programs and offices. Activity in these areas will be reported quantitatively and qualitatively in the required THPO Annual Accomplishments Report.

Other Information
