## C. PROGRAM DESCRIPTION

### *1. Project Background, Goals and Objectives*

The U.S. Embassy Harare's American Spaces Program invites proposals to implement programs at the American Corner Gweru in commemoration of the United States' 250th anniversary. Proposed initiatives should highlight themes of American history, free speech, innovation, and entrepreneurship, demonstrating how these pillars have shaped core American values. This milestone offers an opportunity to showcase the United States' democratic heritage and leadership in innovation while fostering meaningful partnerships between the United States and Zimbabwe. Through these programs, the American Corner Gweru will provide audiences with engaging opportunities to explore and connect with the values that have defined and continue to influence American society.

In recent years, the U.S. Embassy has supported a portfolio of initiatives spanning entrepreneurship, digital literacy, cybersecurity, and digital marketing. The activities, which proved to be most effective in driving participant engagement include workshops, alumni-led activities, visiting speaker activities, and bootcamps generating strong participant engagement, meaningful knowledge transfer, and direct exposure to U.S. tools. These approaches increased participant engagement and demonstrated measurable improvements in knowledge and skills. Lessons learned indicate that activities lacking structured follow-up yielded limited long-term impact, highlighting the need to embed mentorship, peer networks, and structured follow-up to ensure lasting results.

This NOFO builds on previous Mission efforts by prioritizing structured, results-oriented programming that support innovation partnerships, showcase American leadership, and expanding economic opportunity. Proposed initiatives should clearly demonstrate how they advance free speech and highlight U.S. leadership in innovation in ways that support U.S. foreign policy priorities. Activities should contribute to increased public favorability toward the United States as a trusted partner, strengthen people-to-people ties, enhance Embassy visibility, and underscore the value of long-standing American partnerships.

#### **Project Audience(s):**

Primary beneficiaries may include one or more of the following Zimbabwean audiences:

- **Emerging Leaders (Ages 15–30)** from urban and rural communities across Gweru;
- **Young Professionals, Innovators, Creatives, and Entrepreneurs**, particularly those engaged in technology, media, business, or civil society;
- **Educators, Civil Society Leaders, and expert leaders** who influence youth engagement and civic participation.

Applicants should clearly identify their intended audience(s), geographic focus, and any relevant demographic characteristics. If multiple audiences are targeted, proposals should outline distinct objectives or tailored approaches for each group. All audiences must be Zimbabwean, though collaborations with groups in the United States are also acceptable.

**Project Goal:** The long-term goal of this program is to strengthen U.S.–Zimbabwe relations by promoting responsible innovation, and civic engagement in alignment with shared prosperity values.

**Project Objectives:**

- Objective 1: Promote American excellence by implementing a series of programs that showcase U.S. educational resources and leadership principles, resulting in at least 10 activities that reinforce the United States’ role as a global leader in innovation and entrepreneurship resulting in engaging a minimum of 150 participants.
- Objective 2: Coordinate and deliver a minimum of five (5) American Corner Gweru programs on the following thematic areas of free speech, founders museum exhibitions, sports, film screenings, and technology to engage at least 150 participants to strengthen exposure to emerging technologies, U.S. leadership and excellence.
- Objective 3: Ensure uninterrupted program delivery at the America Corner Gweru by disbursing timely funds to technology and supply vendors, leveraging grants management expertise to drive efficient operations and improved visitor satisfaction which will be measured through post-program surveys.

To qualify for final consideration, certain applicants may be required to undertake the Risk Analysis Management (RAM) vetting process by providing Risk Analysis Information (RAI) about their “key individuals” (i.e., individuals with the ability to control applicant organizations’ funds), including “key individuals” from selected sub-recipients. **Please note: these individuals could be different from the key personnel listed in the section 4 of required documents.** The purpose of vetting potential contractors and grantees is to reduce the risk that federal assistance funding is provided to terrorists or their supporters. **Potential grantees will be notified separately if RAI is required.** Applicants submit key individuals’ RAI by completing the Risk Analysis Information Form, DS-4184, through the secure web portal at <https://ramportal.state.gov>. The DS-4184 requests the following RAI for each key individual: Full Name; Aliases; Gender; Birth Place; Birthdate; Home/Work Addresses; Phone Numbers; Employer; Professional Title; Email Addresses; Skype ID (if included, email address is also required); Numbers from All Official IDs (e.g., passports, ID cards, etc.); Nationalities;

and Social Security Number (if U.S. person). Questions about the DS-4184 form may be emailed to [RAM@state.gov](mailto:RAM@state.gov). Failure to submit information when requested, or failure to pass vetting, may be grounds for rejecting your proposal.

## **G. AWARD NOTICES**

The award or cooperative agreement will be written, signed, awarded, and administered by the Grants Officer. The award agreement is the authorizing document, and it will be provided to the recipient for review and countersignature. The recipient may only start incurring project expenses beginning on the start date shown on the award document signed by the Grants Officer.

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is at the discretion of the Department of State.

Issuance of this NOFO does not constitute an award commitment on the part of the U.S. government, nor does it commit the U.S. government to pay for costs incurred in the preparation and submission of proposals. Further, the U.S. government reserves the right to reject any or all proposals received.

### **Payment Method:**

Recipients will be required to request payments by completing form SF-270—Request for Advance or Reimbursement and submitting the form to the Grants Officer and Grants Officer Representative.

Recipients may not draw down funds without the affirmative authorization of the Department of State. In addition, recipients must submit, with each SF-270 payment request, a detailed explanation justifying the request.

The recipient will be expected to follow all existing marking and branding requirements in accordance with Department branding guidance. The Freedom 250 logos would be used in addition to, not in place of, these requirements.

## **I. OTHER INFORMATION**

### **Guidelines for Budget Justification**

**Personnel and Fringe Benefits:** Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program.

**Travel:** Estimate the costs of travel and per diem for this program, for program staff, consultants or speakers, and participants/beneficiaries. If the program involves international travel, include a brief statement of justification for that travel.

**Equipment:** Describe any machinery, furniture, or other personal property that is required for the program, which has a useful life of more than one year (or a life longer than the duration of the program), and costs at least \$10,000 per unit.

**Supplies:** List and describe all the items and materials, including any computer devices, that are needed for the program. If an item costs more than \$10,000 per unit, then put it in the budget under Equipment.

**Contractual:** Describe goods and services that the applicant plans to acquire through a contract with a vendor. Also describe any sub-awards to non-profit partners that will help carry out the program activities.

Other Direct Costs: Describe other costs directly associated with the program, which do not fit in the other categories. For example, shipping costs for materials and equipment or applicable taxes. All “Other” or “Miscellaneous” expenses must be itemized and explained.

Indirect Costs: These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 15% of Modified Total Direct Costs as defined in 2 CFR 200.1.

“Cost Sharing” refers to contributions from the organization or other entities other than the U.S. Embassy. It also includes in-kind contributions such as volunteers’ time and donated venues.

Alcoholic Beverages: Please note that award funds cannot be used for alcoholic beverages.

### **STEP Enrollment**

U.S. citizens who travel to Zimbabwe are encouraged to enroll in the Department of State’s Smart Traveler Enrollment Program (STEP) available at: <https://step.state.gov/step/>.
