

HRSA-22-003 Service Area Competition

Clarification: Available Funding Increases

Funding listed on the [Service Area Announcement Table](#) (SAAT) has been updated for many announced service areas under this SAC NOFO. Check the Total Funding column in the SAAT to confirm the final FY 2022 funding amount prior to submitting your application in EHBs. Note: Applications will be considered complete and eligible if they request either the previous or updated service area funding amount included in the SAAT.
