Building Capacity to Counter Violent Extremism in Mozambique: Q and A

Question: *Does our proposal have to answer to the three key project's objectives at the same time ? While opening the logical framework template, we indeed realize the expected results were pre-filled.*

Would it be possible to make a proposal matching only one of the key project's objectives ?

Response: All application packages must be complete, addressing the content outlined in the NOFO. This means that proposals failing to address all three objectives will be considered incomplete and not competitive.
