Approval is requested to provide Notice of Intent (NOI) to make a single-source award of \$30,000 to the Ducks Unlimited, Inc. (DU) to assist in the completion of the North American Wetlands Conservation Act Grant (with a NAWCA grant) between DU and multiple agencies, private landowners and Fish and Wildlife (FWS) on FWS property. This is an on-going DU project that will encompass approximately 2,431 acres when complete; of which, 1,042 acres is FWS property.

The Texas Mid-coast Wetlands Project (Project) proposes to construct marsh terraces or hard structures along the shoreline to prevent erosion and marsh degradation, colonial nesting water bird habitat, and substrate suitable for aquatic encrusting organisms along the shoreline of Cowtrap Lake. The terraces may be planted with native marsh species to prevent further erosion and loss. The terraces and the breakwater will provide suitable conditions to halt shoreline loss and marsh degradation by reducing erosion forces generated from wind forced waves. The Project will directly contribute to meeting winter/migrant waterfowl foraging objectives of the Gulf Coast Joint Venture's Texas Mid-coast Initiative Area.

If you have questions or need additional information, please contact Julie Chisolm at 979-964-4011 or Julie_chisolm@fws.gov.

U.S. Fish and Wildlife Service (USFWS)
Notice of Intent to Award to a Single Source without Competition (NOI)

Per 505 DM 2, Section 2.14, a single source award is a financial assistance award specifically directed to a known recipient that is statutorily designated or determined to be an appropriate partner based on demonstrable criteria, such as unique expertise or capacity. Decisions to award funds to a single source without engaging in competition must withstand scrutiny, should protect the public interest, and should comport with management priorities, objectives and statutory requirements. **Programs must use this NOI template to document justification for issuing funds in any amount to a single source without competition.** The completed NOI template must be included in the official award file maintained by the program office. When issuing funds of \$25,000 or more to a single source a Grants.gov funding opportunity posting, including a synopsis and a complete application package, is required. The completed NOI template must be scanned and uploaded as an attachment to the Grants.gov funding opportunity synopsis.

Single Source Justification (as per 505 DM 2.14) - select the applicable justification(s):

☒	(1) Unsolicited Proposal - The proposed award is the result of an unsolicited assistance application which represents a unique or innovative idea, method, or approach which is not the subject of a current or planned contract or assistance award, but which is deemed advantageous to the program objectives;
☒	(2) Continuation - The activity to be funded is necessary to the satisfactory completion of, or is a continuation of an activity presently being funded, and for which competition would have a significant adverse effect on the continuity or completion of the activity.
☐	(3) Legislative Intent - The language in the applicable authorizing legislation or legislative history clearly indicates Congress' intent to restrict award to a particular recipient or purpose.
☒	(4) Unique Qualifications - The applicant is uniquely qualified to perform the activity based upon a variety of demonstrable factors such as location, property ownership, voluntary support capacity, cost-sharing ability, if applicable, technical expertise, or other such unique qualifications.

Notice of Funding Availability and Application Instructions

I. Description of Funding Opportunity

This is a single-source funding opportunity for the restoration, enhancement and establish 1,042 acres of freshwater and coastal wetlands, flooded agricultural, and associated transitional upland habitats within the San Bernard Refuge.

II. Award Information

There will be one sole-source grant agreement awarded in the amount of \$30,000. The period of performance for this opportunity is 5 years after the award has been obligated. Fish & Wildlife Service (FWS) employees will be consultants only. No other work will be done by FWS employees.

III. Basic Eligibility Requirements

Eligible Applicants:

This grant agreement is reserved to Ducks Unlimited, Inc.

Federal law (2 CFR Part 25, Central Contractor Registry and Data Universal Numbering System) mandates that all entities applying for Federal financial assistance must have a valid Dun & Bradstreet Data Universal Number System (DUNS) number and have a current registration in the Central Contractor Registry (CCR). The CCR functionality was consolidated into the System for Award Management (SAM) in September 2012. Exemptions: The SAM registration requirement does not apply to individuals submitting an application on their own behalf and not on behalf of a company or other for-profit entity, State, local or Tribal government, academia or other type of organization.

A. DUNS Registration

Request a DUNS number online at <http://fedgov.dnb.com/webform>. U.S.-based entities may also request a DUNS number by telephone by calling the Dun & Bradstreet Government Customer Response Center, Monday – Friday, 7 AM to 8 PM CST at the following numbers:

U.S. and U.S Virgin Islands: 1-866-705-5711

Alaska and Puerto Rico: 1-800-234-3867 (Select Option 2, then Option 1)

For Hearing Impaired Customers Only call: 1-877-807-1679 (TTY Line)

Once assigned a DUNS number, entities are responsible for maintaining up-to-date information with Dun & Bradstreet.

B. Entity Registration in SAM

Register in SAM online at <http://www.sam.gov/>. Once registered in SAM, entities must renew and revalidate their SAM registration at least every 12 months from the date previously registered. Entities are strongly urged to revalidate their registration as often as needed to ensure that SAM is up to date and in synch with changes that may have been made to DUNS and IRS information. Foreign entities who wish to be paid to a bank account in the United States must enter and maintain valid and current banking information in SAM.

Entities that had an active record in CCR have an active record in SAM. Such entities do not need to do anything in SAM unless a change in business circumstances requires updates to your Entity record(s) or the Entity record is due to expire. SAM will send notifications to migrated Entity users via email 60, 30, and 15 days prior to expiration of the Entity record. To update or renew your Entity records(s) in SAM your Entity user(s) will need to create a SAM User Account and link their account(s) to your migrated Entity record(s). Entities migrated from CCR can find complete instructions on accessing their SAM Entity records online at <http://www.sam.gov/>.

C. Excluded Entities

Applicant entities identified in the SAM.gov Exclusions database as ineligible, prohibited/restricted or excluded from receiving Federal contracts, certain subcontracts, and certain Federal assistance and benefits will not be considered for Federal funding, as applicable to the funding being requested under this Federal program

Cost Sharing or Matching:

There will be no cost sharing with this grant.

Though there will be no cost sharing, the total cost of the project is \$700,000, of that cost is \$30,000 of Fish & Wildlife funding.

- **Indirect Costs:** An applicant without an established indirect cost rate agreement with a Federal agency may not charge indirect costs to Federal financial assistance awards and must charge all costs directly. VI. Award Administration

Award Notices: Following review, applicants may be requested to revise the project scope and/or budget before a final award can be made. Successful applicants will receive written notice in the form of a Notice of Award document. Notice of Award documents are typically sent to recipients by e-mail. If e-mail notification is unsuccessful, the documents will be sent by courier mail (FedEx, DHL, Airborne Express). Award recipients are not required to sign/return the Notice of Award document. Acceptance of an award is defined as starting work, drawing down funds, or receiving the award via electronic means. Awards are based on the application submitted to, and as approved by, the USFWS. Applicants whose projects are not selected for funding will receive written notice, most often by e-mail, within 30 days of the final review decision.

Domestic Recipient Payments:

Prior to an award being issued to you/your organization, the USFWS program office will contact you/your organization to either enroll in the U.S. Treasury's Automated Standard Application for Payments (ASAP) system or, if eligible, submit to the USFWS program a request to obtain approval from the Department of the Interior to be waived from using ASAP.

Domestic applicants subject to the SAM registration requirement (see Section III above) who receive a waiver from receiving funds through ASAP must enter and maintain current banking information in SAM. Domestic applicants exempt from the SAM registration requirement (see Section III above) who receive a waiver from receiving funds through ASAP will be required to submit their banking information directly to the USFWS program. However, ***do NOT submit any banking information to the USFWS until it is requested from you by the USFWS program!***

Recipients are responsible for ensuring any sensitive data being sent to the USFWS is protected during its transmission/delivery. The USFWS strongly recommends recipients use the most secure transmission/delivery method available. The USFWS recommends the following digital transmission methods: secure digital faxing; encrypted emails; emailing a password protected zipped/compressed file attachment in one email followed by the password in a second email; or emailing a zipped/compressed file attachment. The USFWS strongly encourages recipients sending sensitive data in paper copy to use a courier mail service. Recipients may also contact their USFWS Project Officer and provide any sensitive data over the telephone.

The Notice of Award document from the USFWS will include instructions specific to each recipient on how to request payment. If applicable, the instructions will detail any additional information/forms required and where to submit payment requests.
