Subject: **DRAFT – For Comment Only - 2019 Request for Applications (RFA)–**
Global transportation, delivery, and distribution of shelf-stable food commodities.

Title: **Fiscal Year (FY) 2019 Title II: International Food Relief Partnership (IFRP),
Shelf-Stable Food Commodity Transportation, Delivery, and Distribution.**

The United States Agency for International Development (USAID) is seeking applications (applications for funding) from private voluntary organizations and public international organizations to support the transportation, delivery, and distribution of shelf-stable, prepackaged commodities to be distributed under the International Food Relief Partnership (IFRP) program. Please refer to the Funding Opportunity Description for a complete description.

For the purposes of this program, this RFA is being issued and consists of this cover letter and the following:

- Section I – Funding Opportunity Description
- Section II – Award Information
- Section III – Eligibility Information
- Section IV – Submission and Application Information
- Section V – Application Review Information
- Section VI – Award and Administration Information
- Section VII – Agency Contacts
- Section VIII – Other Information

To be eligible for award, the applicant must provide all required information in its application, including the requirements found in any attachments to this www.grants.gov opportunity. Any future amendments to this RFA can be downloaded from www.grants.gov. It is the responsibility of the recipient to ensure receipt of documents related to this RFA in its entirety from www.grants.gov.

Applicants may submit up to three separate grant applications, with no more than two applications for any one product. Additionally, each grant application must propose only one

product per country.

USAID may make an award resulting from this RFA to the responsible applicant(s) whose application(s) conforming to this RFA offers the greatest value. The Government may (a) reject any or all applications, (b) accept other than the lowest cost application, (c) accept more than one application, and (d) waive informalities and minor irregularities in applications received.

USAID may make an award on the basis of initial applications received, without discussions. Therefore, each initial application must contain the applicant's best terms from a cost and technical standpoint.

Issuance of this RFA does not constitute an award commitment on the part of USAID, nor does it commit USAID to pay for costs incurred in the preparation and submission of an application. Final awards cannot be made until funds have been fully appropriated, apportioned, allocated, and committed. While it is anticipated that these procedures will be successfully completed, potential applicants are hereby notified of these requirements and conditions for award. Applications are submitted at the risk of the applicant, and all preparation and submission costs are at the applicant's expense.

All questions regarding this Draft RFA should be submitted to FFP, attention Benjamin C. Vogler, IFRP Program Manager, at IFRP@usaid.gov.

USAID may (a) reject any or all applications, (b) accept applications for reasons other than cost, or (c) accept more than one application (see Section V - Application Review Information). USAID intends to award predominantly fixed obligation awards, but reserves the right to award any other form of assistance agreement. USAID may waive informalities and minor irregularities in applications received.

Thank you for your interest in USAID programs.

Sincerely,

/S/

Clyde Hicks

Agreement Officer

Director, Office of Food for Peace

SECTION I – FUNDING OPPORTUNITY DESCRIPTION

1. General Description

USAID is seeking grant applications from eligible organizations for the transportation, delivery, and distribution of shelf-stable food commodities produced by U.S. non-profit organizations under the International Food Relief Partnership (IFRP) program. Any and all IFRP activities would entail the transfer of commodities to implementing organizations and then the transfer of these commodities by the implementing organizations to the designated recipients for any allowable purpose specified by the Food for Peace Act, as referenced in Section I – General Description, 2) Authorizing Legislation.

There will be only one IFRP transport, delivery, and distribution grant review cycle during FY 2019, and the three products available for distribution are: Harvest Lentil Pro, Nutributter (SQ-LNS), and an LNS Medium Quantity Lipid-based Nutrient Supplement (LNS-MQ). Please see the detailed chart below regarding product specifications and details.

Please note: contact information has been provided for each commodity should applicants require further information on product use and logistics requirements.

Although not required, USAID recommends applicants not requesting the maximum commodity tonnage level to consider requesting the following lower tonnage levels for:

- Harvest Lentil Pro
 - 131.32 MTs=seven 40' containers
 - 112.56 MTs=six 40' containers
 - 93.80 MTs=five 40' containers
 - 75.04 MTs=four 40' containers
- Nutributter
 - 51.84 MTs=three 40' containers
 - 34.56 MTs=two 40' containers
 - 17.28 MTs=one 40' container
- Medium Quantity LNS
 - 72 MTs=four 40' containers
 - 54 MTs=three 40' containers
 - 36MTs=two 40' containers
 - 18 MTs=one 40' container

Each applicant may request up to \$175,000 of funding per application (excluding commodity

value). It is not mandatory, however, that applicants request that level of funding or the maximum level of the product. Additionally, funding is available for costs directly associated with the movement, management, and monitoring of IFRP products. Funding will not be considered for vehicle purchase, project materials, or office equipment.

1.(a) Product Descriptions And Their Appropriate Uses

Harvest Lentil Pro (Product Code # 404 – Unflavored):

The Harvest Lentil Pro (Product Code # 404 – Unflavored) soup mix is a dry/dehydrated blend comprised of lentils, soy, rice, carrots, potatoes, and vegetables and fortified with vitamins, minerals, and vegetable protein, including dietary fiber, iron, vitamin B complex, vitamin C and potassium, but is not limited to these micro-nutrient fortifications. The product has a shelf-life of up to 24 months (or two (2) years). The suggested serving size is 20g of dry/dehydrated mix. After reconstitution, the serving provides a full cup serving.

The product offers essentially a complementary/supplemental nutritional intake of mineral and vitamins needed for a balanced diet and is primarily intended for institutional feeding venues, i.e. as a supplement to main meals to patients/school children/orphans/adults/the elderly at hospitals, schools, clinics, orphanages, civic centers, internally displaced person (IDP)/Refugee camps, and other similar locales, most especially those with sufficient potable water for preparation. The product can also be distributed as a take home ration (to multi-children/single mother households) provided that preparation training and ration intake are available. In most cases, preparation is very consistent with local cooking and food preparation practices, permitting the product to be a base for local ingredients and seasoning. Cooking requires bringing the mix to a boil and simmering for 20-30 minutes to rehydrate the blend for ready consumption. Again, once prepared the product can be distributed/provided as a supplement for added supplemental, micro-nutrient nourishment to a wide-range of ‘at-risk’ and/or food insecure beneficiary groups, essentially from primary & secondary aged school children, to young adults, to adults and the elderly.

IMPORTANT: The Harvest Lentil Pro product is for ‘general population’ feeding per the above, and is intended and appropriately used as a supplement to primary meals and dietary needs to alleviate hunger and address micro-nutrient and/or vitamin deficiencies among targeted populations, people living with AIDS (PLWA) populations (those suffering from nutrient deficiencies from the effects of HIV/AIDS), along with enhancing overall capacities of institutions and associated locales. Once prepared, the product can be distributed/provided as a supplement for added nourishment to a wide-range of ‘at-risk’ and/or food insecure beneficiary groups, essentially from primary and secondary aged school children, to young adults, to adults and the elderly.

For additional information about this product, its overall ingredients/specifications and appropriate use, please refer to [Breedlove Food’s website](#). You may also contact Ms. Michelle Logan of Breedlove Foods at the following email address: michellelogan@breedlove.org.

Breedlove Foods – <http://www.breedlove.org/>

Enov' Nutributter:

Enov' Nutributter is a small quantity, ready-to-use, lipid based supplementary food (LNS-SQ) intended to complement the diet of children 6-24 months of age. The product was formulated to aid children at risk of stunted growth and to obtain their nutrient needs that typical sub-optimal and/or insufficient diets found in poor and periodically food insecure households fail to meet.

Moreover, the product is intended to address nutrient gaps for children by aiming to promote growth and development and to prevent stunting within the first 1,000 days of life.

Enov' Nutributter, per the above, is a dietary supplement of one (1) packet/sachet per day, to provide 20 grams of essential nutrients to infants and young children (6-24 months). Enov' Nutributter has a shelf life of 24 months, especially when stored up to 30° C at 75% relative humidity.

IMPORTANT: The Enov' Nutributter product is NOT a therapeutic food product, and is therefore NOT intended for treatment of severe acute malnutrition (SAM), nor is Enov' Nutributter intended for treatment of moderate acute malnutrition (MAM). Enov' Nutributter is also NOT a breast milk replacement.

It is highly recommended and encouraged by USAID that all grant applicants understand the Enov' Nutributter (LNS-SQ) product, appropriate uses as a dietary/nutritional supplement (preventive) for infants and very young children (6-24 months), and inherent limitations. Applications that propose this product for therapeutic use or for treatment of acute and/or acute malnutrition may not be favorably considered for overall grant funding.

For additional information about this product, its overall ingredients/specifications and appropriate use, please refer to [Edesia Nutrition's website](#). You may also contact Ms. Jennifer Esterle of Edesia Nutrition at the following email address: jesterle@edesianutrition.org.

LNS-MQ (aka Plumpy Doz):

LNS-MQ (aka Plumpy'Doz) is a ready-to-use, lipid-based (supplementary) food intended to be a supplement to the diet of children 6-36 months of age. The product was formulated to aid children affected by household level food insecurity or children otherwise vulnerable to acute malnutrition (but not those currently diagnosed as acutely malnourished) in obtaining energy and

nutrient needs that are typically insufficient and/or sub-optimal in diets found in poor and food insecure households.

LNS-MQ, per the above, is provided as one (1) packet/sachet per day, to provide 50g of essential nutrients and complements a regular diet. LNS-MQ has a shelf-life of 24 months, especially when stored up to 30° C at 75% relative humidity.

IMPORTANT: The LNS-MQ product is NOT a therapeutic food product, and is therefore NOT intended for treatment of severe acute malnutrition (SAM), nor is LNS-MQ intended for treatment of moderate acute malnutrition (MAM). LNS-MQ is also NOT a breast milk replacement.

It is highly recommended and encouraged by USAID that all grant applicants understand the LNS-MQ product and its appropriate uses as a dietary/nutritional supplement (preventative) for children, per all of the above information and inherent limitations as a supplement. Applications that propose this product for ‘therapeutic’ use or for ‘treatment’ of acute and/or moderate acute malnutrition may not be favorably considered for overall grant funding.

For additional information about this product, its overall ingredients/specifications and appropriate use, please refer to [Edesia Nutrition’s website](#). You may also contact Ms. Jennifer Esterle of Edesia Nutrition at the following email address: jesterle@edesianutrition.org.

Authorizing Legislation

The Food for Peace Act authorizes the USAID Administrator to award grants to private voluntary organizations and international organizations for the rapid transportation, delivery, and distribution of shelf-stable prepackaged foods requested by eligible organizations to needy individuals in foreign countries. 7 U.S.C. § 1726b.

Authority to carry out the program has been delegated to the Director, Office of Food for Peace (FFP), as Agreement Officer. More information on the program can be found here:

<http://www.usaid.gov/what-we-do/agriculture-and-food-security/food-assistance/programs/nutritional-support-programs>

2. Project Eligibility Requirements

To ensure the best opportunity, the proposed grant goals, objectives, and activities, along with the receipt/loading, rapid transportation, and delivery of the product in-country, must be achievable within 18 months of the initial date of the award.

3. Award Administration

USAID may make an award resulting from this RFA to the responsible applicant(s) whose application(s) conforming to this RFA offers the greatest value. The Government may (a) reject any or all applications, (b) accept other than the lowest cost application, (c) accept more than one application (see Section B, Selection Criteria), (d) accept alternate applications, and (e) waive informalities and minor irregularities in applications received.

USAID may make an award on the basis of initial applications received, without discussions. Therefore, each initial application must contain the applicant's best terms from a cost and technical standpoint. As part of its evaluation process, however, USAID may elect to discuss technical, cost or other pre-award issues with one or more applicants. Alternatively, USAID may proceed with award selection based on its evaluation of initial applications received and/or commence negotiations solely with one applicant.

Awards will be made in accordance with the USAID Standard Provisions for Fixed Amount Awards to Nongovernmental Organizations (NGOs) or for awards to international organizations, the USAID Automated Directives System (ADS) 303 and ADS 308 respectively, and other applicable U.S. Government regulations, which are available on the USAID website (<http://www.usaid.gov/pubs/ads>). The award will be administered under 2 CFR 200, 2 CFR 700, and the USAID Standard Provisions, as applicable.

The Agreement Officer is the only individual who may legally commit USAID to the expenditure of public funds. No costs chargeable to the proposed agreement may be incurred before receipt of either a fully executed Agreement or a specific written authorization from the Agreement Officer.

SECTION II – AWARD INFORMATION**1. Estimate of Funds Available**

Subject to the availability of funds, under this RFA, USAID/DCHA/FFP plans to enter into grant award(s) for a maximum of \$175,000 each.

2. Anticipated Start Date and Performance Period

The anticipated award date is on (or around) September 30, 2019, with a performance period of 18 months for all awards.

3. Assistance Awards

Pursuant to 2 CFR 200.400 it is USAID policy not to award profit under assistance instruments. However, all reasonable, allocable, and allowable expenses, both direct and indirect, which are related to the agreement program and are in accordance with applicable cost standards (2 CFR 200).

SECTION III – ELIGIBILITY INFORMATION**1. Eligible Applicants**

To be considered for a Title II funded award, applicants must meet one of the following minimum eligibility requirements:

- A private voluntary organization (PVO) or cooperative.
 - A PVO is a U.S. private voluntary organization, international private voluntary organization or a local private voluntary organization as defined in 22 CFR 203.2.
 - A PVO includes U.S. and non-U.S. nonprofit, non-governmental organizations (NGOs) (1) as defined in Section 402 of the Food for Peace Act; and (2) in accordance with ADS 303.
- An organization designated by USAID as a Public International Organization (PIO) such as the UN World Food Program.

USAID encourages applications from potential new partners.

Additionally, all applications must include a Data Universal Number System (DUNS) Number and System for Award Management (SAM) Registration. Applicants are encouraged to apply for a DUNS number and must be registered with the SAM in order to facilitate the eligibility for a federal grant award. The SAM website can be found here: www.sam.gov. Applicants should do this well in advance of the application submission and review period, as it may take several weeks to obtain the number online. Further information about the DUNS Number and SAM registration can be found in Section IV – Application and Submission Information, 3) Data Universal Number System (DUNS) Number and System for Award Management (SAM).

2. Cost Sharing or Matching

Although cost sharing is not mandatory, applicants are strongly encouraged to provide non-federal funds, an in-kind contribution, or a combination of such funds.

3. Minimal Qualification Requirements

USAID has no additional minimal qualification requirements.

SECTION IV – SUBMISSION AND APPLICATION INFORMATION

1. Point of Contact

Benjamin C. Vogler
IFRP Program Manager
U.S. Agency for International Development
Office of Food for Peace (DCHA/FFP)
1300 Pennsylvania Ave, NW
Washington, D.C. 20523
Email: IFRP@usaid.gov

This draft RFA and any future amendments can be downloaded from <http://www.grants.gov>. It is the responsibility of the recipient of the application document to ensure that it has been received from grants.gov in its entirety. USAID bears no responsibility for data errors resulting from transmission or conversion processes.

If you have difficulty registering or accessing the RFA, please contact the grants.gov helpdesk at support@grants.gov for technical assistance.

All application inquiries should be submitted to FFP, attention Benjamin C. Vogler, IFRP Program Manager, at IFRP@usaid.gov.

2. Content and Form of Application Submission

FFP requires that applicants use FFPMIS to apply for an IFRP “Transport” activity under this RFA. FFPMIS can be accessed at [FFPMIS](#).

- To request access or for technical questions please contact [FFPMIS Support](#).
- The FFPMIS helpdesk is staffed from 9:00 a.m. to 5:00 p.m. EST, Monday through Friday, except holidays.
- Potential applicants are encouraged to start the submission process early, as new account

creation and answers to technical questions may take more than one business day.

- Users guides and additional FFPMIS resources can be found on the [FFPMIS Training and Documentation Resources](#).

Any questions concerning submission of applications must be submitted in writing to FACG@usaid.gov.

FFPMIS submission will require a combination of data entry and document uploads. Applicants must complete both direct entry and document upload portions of the application in order to be considered for funding, and all documents should be completed in accordance with the format detailed in this RFA and adhere to the following:

- Written in English and in 12-point Times New Roman font;
- Text in tables or charts may be 10-point Times New Roman font;
- Narratives should be prepared in Microsoft Word or compatible equivalent with print areas set to 8.5 x 11 inch, letter-sized paper and one-inch margins, left justification and a footer on each page including page numbers, date of submission, and applicant name;
- Spreadsheets should be prepared in Microsoft Excel or or compatible equivalent , with print areas set to 8.5 x 11 inch, letter-sized paper;
- Official (signed) documents, memoranda, and certifications may be submitted as Adobe PDF files; and
- Emailed, faxed, and hard copy applications are not acceptable.

Applicants must submit budgets using Standard Form 424, 424A, and 424B, as appropriate, which can be downloaded from the USAID website; and a Detailed Budget, a Summary Budget and a Budget Narrative. Alternatively, the Standard Forms are found on <http://www.grants.gov/>.

Applicants should retain for their records one copy of the full application and all attachments which accompany their application. To facilitate the competitive review of the applications, applications should conform to the format prescribed below.

Applicants are expected to review, understand, and comply with all aspects of this RFA. Failure to do so will be at the applicant's risk.

Each applicant shall furnish the information required by this RFA.

Applications are comprised of two components: technical applications and cost applications. Both technical applications and cost applications should be specific, complete, and presented concisely. A lengthy application does not in and of itself constitute a well thought-out application. Technical applications shall demonstrate the applicant's capabilities and expertise with respect to achieving the goals of this program, and the requirements can be found in Section V – Application Review Information, 1) Evaluation Criteria.

Applicants are required to submit separate applications for different countries. An organization may only submit three applications in response to this RFA, with no more than two applications

for any one product. Additionally, each grant application must propose only one product per country.

The application should be specific, complete, and presented concisely. Applications that do not substantially meet the requirements of this RFA will not be considered for award. The application shall be divided into the following sections, with the maximum number of pages given per section as follows:

- A. Application Narrative
 1. Cover Page (1 page maximum)
 2. Executive Summary (2 pages maximum)
- B. Technical Narrative (10 pages maximum)
 1. Organizational Capabilities
 2. Situation Analysis
 3. Program Objectives/Strategy
 4. Implementation Plan
- C. Budget
 1. Detailed Budget (no page limit)
 2. Summary Budget (no page limit)
 3. Budget Narrative (no page limit)
- D. Annexes (no page limit)

The above bullets correspond to the sections of the RFA, as described below, and constitute the general application format.

A. Application Narrative (3 pages maximum)

The Application Narrative should have the following:

Cover Page (1 page maximum)

- The names of the organizations/institutions involved in the proposed application.
- Proposed sub-awardees are to be listed separately, including a brief narrative describing the unique capacities/skills being brought to the program by each.
- Include information about a contact person for the prime applicant, including this individual's name (both typed and his/her signature), title or position with the organization/institution, address, and telephone and email address. Applicants are to acknowledge whether the contact person is the person with authority to contract for the Applicant, and if not, that person should also be listed.
- The date of registration in SAM.

Executive Summary (2 pages maximum)

- Should summarize the key elements of the application:
 - The applicant's capabilities;
 - The nature of the food security and nutritional situation in the proposed country;

- The proposed program for the population targeted;
 - The type and amount of product requested; and
 - The funding requested.
- Must be concise and accurate.

IMPORTANT: See appropriate purpose and use of the available LNS supplemental products per the above information (pages 5-7)

B. Technical Narrative (10 pages maximum)

The Technical Narrative should have the following:

Organizational Capabilities

- Applicants must provide evidence of their technical and managerial resources and expertise (or their ability to obtain such) to meet the program objectives. Information in this section should include a brief description of all the organization's history/expertise in the proposed country of operation not limited to U.S. Government (USG) funding, and any previous experience with the distribution of food aid commodities.
- If the applicant is proposing to make a sub-award(s), all of the information above should also be provided with regard to that organization(s).
- No information is required on key personnel.

Situation Analysis

- Applicants must include a concise description of the food security in the proposed areas of operation and the proposed beneficiaries.
- Applications must thoroughly explain why these proposed locations have been selected.
- Applications must provide a detailed description of the proposed beneficiaries, specifically focusing on the applicant's rationale for targeting them, the number of them, and an explanation of the criteria used to select them.
- Relevant statistics and/or assessment data helping to further explain the need for the proposed program are also important to include.

Program Objectives/Strategy

- Applications must provide the proposed program's overall goals and objectives.
- A detailed description of the proposed food distribution activities is necessary.
- Applicants should discuss how an IFRP grant would contribute to addressing the problem of food insecurity among the targeted population and how the IFRP activities enhance, or are integrated, into any ongoing program.
- Applications should provide a monitoring and evaluation plan outlining how progress against objectives and overall program impact can be tracked.
- Applicants must include a monitoring and reporting schedule and any plans for internal or external program evaluations.

IMPORTANT: See appropriate purpose and use of the available LNS supplemental products per the above information (pages 5-7)

Implementation Plan

- There are two important factors that also must be addressed:
 - Activities must include detailed planning for the management of product-related solid waste packaging, in particular individual product wrapping/containers/boxes/bags/sachets. Grantees must notify USAID in advance of complementary activities, such as rehabilitation of infrastructure, provision of medical supplies, vaccination campaigns, and home gardening, that may negatively impact or harm the environment, per USAID environmental compliance procedures (22 CFR 216). Please refer to the following link for additional information on this requirement:
http://www.usaid.gov/our_work/environment/compliance/22cfr216.
 - In order to avoid potential interference and/or duplication of other programs in the same country/region(s), applicants must demonstrate that they have coordinated with host country government(s) and/or the USAID Mission, FFP funded activities, and also other donors operating in-country. USAID strongly emphasizes that applicants describe in sufficient detail their overall knowledge and awareness of other food security activities being implemented in their proposed country/region(s) by either:
 - Any host country government and/or local governance activities and
 - Any/all other organizations, such as the World Food Program (WFP), and/or any other public international organizations (PIOs), private voluntary organizations (PVOs), and NGOs operating in the region/country.
- Applicants must provide the following information for the proposed program:
 - A concise explanation of how program activities will be executed;
 - A delivery and distribution schedule and a list of proposed distribution sites;
 - An explanation of why the product requested is appropriate for the proposed target population;
 - A description of the ration size per beneficiary;
 - A description of the proposed distribution procedures;
 - Any relevant information pertaining to coordination with the host government, other organizations, or other program activities that complement or facilitate the use of IFRP products; and
 - An outline of logistical arrangements pertaining to the following:
 - Assessing, loading and shipping, storing, handling, and distribution of the product; and
 - A solid waste management plan.

C. Budget

Certain documents are required to be submitted by an applicant in order for the Agreement Officer to make a determination of responsibility. The following sections describe the

documentation that applicants for Assistance awards must submit to USAID prior to award. While there is no page limit for the cost application, applicants are encouraged to be as concise as possible while still providing the necessary detail to address the items discussed herein.

Summary Budget

- Applicants must include the following line items in the Summary Budget:
 - Cost of headquarters and field personnel;
 - Cost of transport, storage, and handling;
 - Cost of local travel;
 - Direct costs; and
 - Indirect costs, if applicable.
- If applicable, applicants must include any non-federal cost-share, including the total amount and the description.
- If an application contains indirect costs, applicants must include substantiating documentation.

In accordance with 2 CFR 200.414, eligible applicants may choose to apply a 10 percent de minimis rate to their Modified Total Direct Costs. Please note this is only for those applicants which have never received a Negotiated Indirect Cost Rate Agreement (NICRA).

Budget Narrative

- Applicants must submit an accompanying budget narrative detailing the following:
 - The total proposed costs for implementation of the proposed program; and
 - Discussion and complete description of the components of each SF-424 budget element.

There is no specific maximum dollar amount allowed for administrative and management costs. All proposed costs will be reviewed in accordance with applicable cost principles.

The awardee will only be required to provide rapid transportation, delivery, and distribution of the proposed commodity; production, packaging, and stockpiling of the commodities shall be covered by separate grants.

Applicants proposing a cost share should show clearly in their Detailed and Summary Budgets which costs would be covered by USAID funds and which by the grantee. If the cost share is an in-kind contribution, the budget should show the value of that contribution.

D. Annexes

Annexes are suggested and/or required to have the following:

- The applicant may include additional information if deemed necessary; however, as stated above, technical applications should be specific, complete, and concise. A lengthy application does not in and of itself constitute a well thought-out application. Therefore,

applicants must avoid unnecessary documentation.

- All applicants are required to complete an analysis of risks as it relates to the proposed modalities and relevant mitigation measures. Specifically, the assessment should examine potential risk related to fraud, corruption and mismanagement. Applicants should demonstrate that due consideration has been given to ensuring the security and protection of all participants, especially with respect to: timing and location of distributions; amount of food or cash transfers or value of food vouchers of which participants will take possession; person(s) responsible for pickup; distance to distribution sites, etc. A sample risk matrix can be found at The Remote Cash Project website. Additionally, the USAID Office of Inspector General has a reference handbook found [here](#).
- **Important: If applicants are proposing an indirect cost rate percentage, then each applicant must include a copy of its organization's most recent Negotiated Indirect Cost Rate Agreement (NICRA) issued by its organization's audit agency (USAID or another agency of the U.S. Government). If applicants are proposing an indirect cost rate percentage but do not have an established NICRA, they must then submit supporting financial/auditing information to support any of the proposed indirect costs as recovered by a percentage method.**
- Certain documents are required to be submitted by the applicant in order for the Agreement Officer to make a determination of financial responsibility. Applicants shall submit any additional evidence of responsibility to support this determination. The information submitted should substantiate that the applicant:
 - Has adequate financial, management, and personnel resources and systems, or the ability to obtain such resources, as required during the performance of the award;
 - Has the ability to comply with the award conditions, taking into account all existing and currently prospective commitments of the applicant, non-governmental and governmental;
 - For Apparent Successful Applicants only, past performance supporting documentation, including the Past Performance Reference Questionnaire which will be sent to Apparent Successful Applicants only;
 - Has a satisfactory record of integrity and business ethics; and
 - Is otherwise qualified and eligible to receive a grant under applicable laws and regulations (e.g., Equal Employment Opportunity (EEO)).
- Applicants that have never received a grant, cooperative agreement, or contract from USAID are required to submit a copy of their accounting manual, personnel policies, travel policies, and procurement policies, and audits received for the past three years.

3. Data Universal Number System (DUNS) Number and System for Award Management (SAM)

Each applicant is required to:

- Be registered in SAM before submitting an application;
- Provide a valid DUNS number in its application; and
- Continue to maintain an active SAM registration with current information at all times during which it has an active award or an application or plan under consideration by USAID.

USAID may not make an award to an applicant until the applicant has complied with all applicable DUNS and SAM requirements and, if an applicant has not fully complied with the requirements by the time USAID is ready to make an award, USAID may determine that the applicant is not qualified to receive an award and use that determination as a basis for making an award to another applicant.

Additional information and details for obtaining a DUNS number and registering in SAM can be found at www.grants.gov.

4. Submission Dates and Times

The application submission deadline is TBD, 12:00pm, Washington, D.C. time, i.e. Eastern Standard Time (EST), and all applications must be received no later than this date and time. The applicant is responsible for ensuring that the electronic application is received by the due date and specified time.

Applications that are received late or are incomplete run the risk of not being considered in the review process. Such late or incomplete applications will be considered in USAID's sole discretion depending on the status of USAID's application review process, time of receipt, and/or the quality of other applications received.

5. Funding Restrictions

USAID anticipates awarding several grants under this RFA for a total of up to \$175,000 per award. For more information, please review Section I – Funding Opportunity Description, 1) General Description.

6. Pre-Award Certifications, Assurances, and Other Statements of the Recipient and Solicitation Standard Provisions

Apparently successful applicants must provide the following:

- For PVOs or NGOs, a signed copy of [Certifications, Assurances, Representations, and Other Statements of the Recipient and Solicitation Standard Provisions](#) as described in ADS 303.3.8 on the USAID website.
- A branding strategy and marking plan per the solicitation standard provisions noted below. Agency branding and marking guidance can be found at the following websites: <https://www.usaid.gov/sites/default/files/documents/1868/320.pdf> (contains instructions on how to prepare the branding strategy and marking plan) and <http://www.usaid.gov/branding/> (contains samples of the USAID logo in various formats).
- A statement by the applicant assuring that the product can be imported duty-free, along with any information and associated documentation that supports the statement. Such documentation can include, but is not limited to, written certification by the USAID Mission or Diplomatic Post or a Host Country Agreement.

USAID requires the recognition of the contributions of the American people extended under this agreement. In this regard, recipients are reminded of the requirements to acknowledge USAID funding of projects and programs as required by the Standard Provisions. In publications and media products, recipients will apply, where appropriate, the Agency branding standards published in the Agency's *Graphics Standards Manual* (available at www.usaid.gov/branding). Recipients should also note that the acknowledgement of USAID as a funding source may be applied where texts are publicly published.

The following Standard Provisions for solicitations are applicable to this RFA and may be found at: <https://www.usaid.gov/sites/default/files/documents/1868/303mav.pdf>

- Branding Strategy – Assistance
- Marking Plan – Assistance
- Prohibition on Providing Federal Assistance to Entities that Require Certain Internal Confidentiality Agreements - Representation

7. Other Submission Requirements

Certain documents may be required to be submitted by the applicant in order for the Agreement Officer to make a determination of financial responsibility. Applicants shall submit any additional evidence of responsibility, as requested, to support the determination pertaining to adequate financial, management, and personnel resources and systems; ability to comply with the award conditions; satisfactory record of performance, integrity and business ethics; and/or qualifications and eligibility to receive a grant under applicable laws and regulations.

SECTION V – APPLICATION REVIEW INFORMATION

1. Merit Review Criteria

Technical applications and cost applications of each application will be reviewed separately. The technical application will be evaluated in accordance with the Merit Review Criteria set forth below. Thereafter, the cost application of all applicants submitting a technically acceptable application will be reviewed for general reasonableness, allowability, and allocability. To the extent that they are necessary (if award is not made based on initial applications), negotiations and/or interviews will then be conducted with all applicants whose application, after discussion and negotiation, has a reasonable chance of being selected for award. Awards will be made to responsible applicants whose applications offer the greatest value, cost-effectiveness, and other factors considered.

After it is determined that the minimum eligibility requirements have been met, a Selection Committee (SC) will evaluate applications according to criteria described below. Moreover, there will be a separate SC for each product.

<u>Merit Review Criteria</u>	<u>Maximum Possible Points</u>
A. Organizational Capabilities	15
B. Situation Analysis	20
C. Program Objectives/Strategy	25
D. Implementation Plan	30
E. Cost Effectiveness/Realism	10
Total Possible Points	100

A. Organizational Capabilities

Factors under this criterion include, but are not necessarily limited to, the following:

- Quality of service, including consistency in meeting goals and targets;
- Timeliness of performance, including adherence to agreement schedules; Support from other donors; and
- Institutional capacity to accomplish the range of programmatic activities described in this RFA, including the ability to manage relationships with government officials and institutions.

B. Situation Analysis

Factors under this criterion include, but are not necessarily limited to, the following:

- Demonstrated understanding of the food security and nutrition situation in the country and target area; and
- Thorough description of the target population's nutrition status, the number of beneficiaries, and the targeting criteria used to select them.

C. Program Objectives/Strategy

Factors under this criterion include, but are not necessarily limited to, the following:

- Identification of realistic goals/objectives, describing program activities, specifically food distributions, in sufficient detail. Such details should include how, when, where, and by whom the food will be distributed;
- Identification of a monitoring and evaluation (M&E) schedule, providing indicators/benchmarks and measurement tools that will enable them to track progress towards objectives and program impact;
- Overall technical merit of program strategy; and
- Appropriate M&E plans may include activities such as tracking the quantity of product distributed and the number of beneficiaries targeted and supplemented; the number of beneficiaries reached through nutrition specific and nutrition sensitive program activities; and growth monitoring.

IMPORTANT: See appropriate purpose and use of the available LNS supplemental products per the above information (pages 5-7)

D. Implementation Plan

Factors under this criterion include, but are not necessarily limited to, the following:

- Adequacy and feasibility of comprehensive logistics plan detailing:
 - Shipping;
 - Internal transport;
 - Warehousing/commodity storage;
 - Delivery schedule;
 - Distribution schedules; and
 - List of distribution sites.
- Appropriateness of plan for management/disposal of product-related solid waste;
- Suitability and ration size(s) for the target population(s);
- Coordination with other food security activities being implemented in the target area by the host government and/or other organizations (i.e., PIOs, PVOs and NGOs); and
- Demonstrated awareness of other food security programs operating in the country.

E. Cost Effectiveness/Realism

Factors under this criterion must include the following:

- The applicant should provide sufficient resources (human capital and financial) for the transport, delivery, and distribution of the commodities as well as related program activities including monitoring and evaluation.

2. Review of Cost Application

The cost application of all applicants submitting a technically acceptable application will be reviewed to determine if costs are reasonable, allocable, and allowable. If an application is recommended for award following the technical review, USAID may at its option conduct cost negotiations.

Costs will be reviewed for cost reasonableness, allowability, allocability, adequacy of budget detail, and financial feasibility. If applicable, the applicant's cost share contribution will be reviewed using the same criteria as well as 2 CFR 200.306 requirements regarding cost share.

3. Review and Selection Process

After initial selection, the apparent successful applicant will be asked to provide additional information pertaining to any application concerns. This information will be used to make a determination before a grant is provided. The Agreement Officer shall make the final selection.

SECTION VI – AWARD AND ADMINISTRATION INFORMATION**1. Federal Award Notices**

USAID may make an award resulting from this RFA to the responsible applicant(s) whose application(s) conforming to this RFA offer(s) the greatest value. USAID may (a) reject any or all applications, (b) accept other than the lowest cost application, (c) accept more than one application, and (d) waive informalities and minor irregularities in applications received.

An award signed by the Agreement Officer is the authorizing document. The Agreement Officer is the only individual who may legally commit USAID. No costs chargeable to the proposed agreement may be incurred before the start date of a fully executed Agreement.

Upon receipt of award, grantees may contact the manufacturer for the overall availability of the products and for planning the arrangements for receipt, loading, and delivery.

2. Administrative Requirements

Awards will be made in accordance with applicable USAID Standard Provisions. For non-governmental organizations 2 CFR 700, 2 CFR 200 and [ADS 303mat, Standard Provisions for Fixed Amount Awards to Non-governmental Organizations \(NGOs\)](#). For international organizations, [ADS 308mai, Fixed Amount Agreements with Public International Organizations](#) will apply, as appropriate.

3. Reporting

- A. Awardees shall submit an annual results report (ARR) in accordance with the FFP ARR guidance. The ARR reporting guidance can be found under Annual Results Report section in the FFP website for overall reporting at: <https://www.usaid.gov/what-we-do/agriculture-and-food-security/food-assistance/guidance/implementation-and-reporting>. The ARR should be submitted through FFP MIS. This report will be instrumental in helping USAID complete reporting on overall program performance.
- B. Awardees shall also submit one copy of a final performance report to the Agreement Officer's Representative (AOR), who can also provide the guidance on how to adapt FFP Reporting Guidance to the unique nature of this kind of award. Information in the final report can include but not be limited to: overall program assessments, analyses, studies, articles, final baseline surveys, mid-term and final evaluations, and appropriate components of annual results reports.

Note that all final reports are due by 90 days after the estimated completion date of the award.

SECTION VII - AGENCY CONTACTS

Agency contacts may be found in Section IV – Submission and Application Information, 1) Point of Contact.

SECTION VIII – OTHER INFORMATION

USAID reserves the right to fund any or none of the applications submitted.

In regards to freight forwarders and in light of possible debarment of certain freight forwarders, applicants are advised to check the Excluded Parties Listing Systems (www.sam.gov) prior to providing new work to freight forwarders through new awards, extensions of existing awards, increases in scope of existing awards, and/or increases in the total estimated amount of existing awards.

Under this RFA, all applicants (for NGOs, PVOs, and PIOs) may be required to comply with the USG Cargo Preference Act as described in [ADS 315](#). Compliance with the Cargo Preference Act is carried out an Agency level and will be coordinated by the Bureau for Management, Office of Acquisition and Assistance, Transportation Division (M/OAA/T).
