NOFO SFOP0010239

Project to Support the Bureau of Western Hemisphere Affairs Race, Ethnicity, and Social Inclusion (RESI) Goals

Questions and Answers February 20, 2024

Question: For the grant seeking to increase inclusion, would I need to team up with a nonprofit firm? It appears that your grants are restricted to existing nonprofit organizations, etc. Are minority individuals, like myself, prohibited from participating? If so, is there a way to team up with one of the agencies expressing interest in the grant?

Response: As stated in the NOFO, only U.S. Non-profit/non-governmental organizations (NGOs) having a 501(c)(3) status with the IRS or overseas based NGOs, institutions of higher education, and public international organizations (PIOs) are eligible to apply. For-profit companies or individuals are not eligible to apply.
