Q1 Do you know how many days this surveying of flowering rush along the riverbanks would be so I can include this in the funding? Question was modified for clarity purposes.

A1 Yes, Surveying is in the SOW under item #3. If surveying happens, USACE anticipates no more than 2 days/ 16 hours for any surveying on that stretch of river.

Q2 And for under 18. Estimated Funding, which one do I put the estimated funding amount under? Federal, Applicant, State, Local, other, or program income?

A2 Federal
