

USAID | KENYA AND EAST AFRICA

DATE: June 27, 2017

SUBJECT: Amendment No. 01, Notice of Funding Opportunity Number RFA-615-17-000006
Kenya Feed the Future – Crops and Dairy Market Systems Development Activity

Dear Prospective Applicants:

The purpose of this amendment number one (1) is to provide clarification on the number of pages requested for the Technical Application.

Technical applications in response to the subject funding opportunity are limited to **twenty five (25) pages, exclusive of required annexes**. The 25 page limit includes the cover page and table of contents. Information beyond these limits will not be evaluated. Required annexes as laid out in the Notice of Funding Opportunity (NOFO) are not included in the 25 page limit for technical applications. There is no page limit for cost applications.

This Amendment to the subject NOFO does not obligate USAID to execute an award, nor does it commit USAID to pay any costs incurred in the preparation and submission of applications. Furthermore, the U.S. Government reserves the right to reject any and all applications, if such action is considered to be in the best interest of the United States Government. All other terms and conditions remain unchanged.

Sincerely,

Caroline B. Hillas
Agreement Officer
Office of Acquisition and Assistance
USAID/Kenya and East Africa
