

Questions on NOFO: Combat Wildlife Trafficking in Southeast Asia

Opportunity # SFOP0005550

February 2019

1. **Are current INL/C grantees are allowed to submit a proposal, i.e. do you consider each proposal independently?**
 - Yes, current INL/C grantees may apply for any open INL funding opportunity.
2. **In Section III eligibility information, it states that to be eligible “organizations must either be headquartered in Southeast Asia, or, if an international NGO, maintain an office in Southeast Asia.” Are bids still eligible if the lead organization is not headquartered and does not have offices in Southeast Asia, but a member of the consortium is headquartered or has offices in Southeast Asia?**
 - Yes, as long as at least one sub-grantee maintains an office in Southeast Asia, the proposal will be considered for funding.
