Notice of Intent to Award to a Single Source without Competition (NOI)

Per 505 DM 2, Section 2.14, a single source award is a financial assistance award specifically directed to a known recipient that is statutorily designated or determined to be an appropriate partner based on demonstrable criteria, such as unique expertise or capacity. Decisions to award funds to a single source without engaging in competition must withstand scrutiny, should protect the public interest, and should comport with management priorities, objectives and statutory requirements. **Programs must use this NOI template to document justification for issuing funds in any amount to a single source without competition.** The completed NOI template must be included in the official award file maintained by the program office. When issuing funds of \$25,000 or more to a single source a Grants.gov funding opportunity posting, including a synopsis and a complete application package, is required. The completed NOI template must be scanned and uploaded as an attachment to the Grants.gov funding opportunity synopsis.

☒	(4) Unique Qualifications - The applicant is uniquely qualified to perform the activity based upon a variety of demonstrable factors such as location, property ownership, voluntary support capacity, cost-sharing ability, if applicable, technical expertise, or other such unique qualifications.
