GRANT NOTICE OF FUNDING OPPORTUNITY (NOFO)

REVIEW AND APPROVAL DOCUMENTATION SHEET

With implementation of a Department of the Interior requirement for all NOFOs to make clear to the public how program funding will be used to support both a public purpose and the FWS and DOI missions, and monitoring of FWS postings by the Department, a more rigorous review and approval process is required for all NOFOs.

This form is to be signed by the originating Project Officer and by the Branch Chief of Pacific West Regions Financial Assistance **prior to public posting on Grants.gov**, when appropriate in the processing timeline for the subject competitive or single source selection process.
