

P24AS00331 - FAQs

Historic Preservation Training Center Facility Management and Historic Preservation Emerging Professional Engagement

- **Is my project competitive enough to apply?**

Competitive applicants will be organizations that are set up to host paid preapprentice-style and preprofessional experiences (internships) for emerging professionals all over the country on NPS-managed cultural resources.

- **I am not able to submit my application on Grants.gov because the “Apply” button is greyed out. How do I proceed?**

The website does occasionally conduct maintenance and could be offline at times for accepting applications. Please refer to the top of the website that will show any system outages.

If you continue to need assistance, please contact the Grants.gov helpdesk at 1-800-518-4726 (24/7 support) or email support@grants.gov.
