

Instructions for submitting a full proposal to U.S. Nuclear Regulatory Commission Notice of Funding Opportunity (NOFO), Research and Development Grant, Fiscal Year (FY) 2022

(Funding Opportunity Number: 31310022K0001)

Full proposal submissions must be received by 5 p.m. (Eastern Time) on April 5, 2022.

Please complete the required forms, SF-424 (Application for Federal Assistance), SF-424A (Budget Information Non-construction programs), and Certification Regarding Lobbying Form, SF-LLL: Disclosure of Lobbying Activities, if applicable. Please attach the required elements as listed below as part of your full proposal application package. It is preferred that you attach all your documents as separate PDF files.

REQUIRED ELEMENTS FOR FULL PROPOSALS

Full Proposals must include the following, packaged in the order listed, with the bottom right-hand corner of every page numbered and labeled with the Principal Investigators last name. Adobe pdf format is required.

Application Content

The recipient must download a grant application package from http://www.grants.gov/web/grants/applicants/download-application-package.html

Applications that are incomplete, non-compliant and/or nonresponsive will not be reviewed.

Required Elements for Applications

A. Format:

Font Size, Style, and Color

- **11 point, Arial, black color** (A Symbol font may be used to insert Greek letters orspecial characters.) This is a requirement for all pages included in the document, i.e., table of contents, references, etc.

Page Size and Margins

- Use standard paper size (8 ½" x 11").
- Use one-inch margins (top, bottom, left, and right).
- The NRC requires all text attachments to the SF424 application forms to besubmitted as PDF files. Adobe PDF format is preferred.

Footer

- Each page should include a page number and Principal Investigator's last name in the bottom right-hand corner.

Attachments

- The NRC requires all text attachments to the SF424 application forms to besubmitted as separate individual PDF files. Adobe PDF format is preferred.

Applications that are incomplete, non-compliant and/or nonresponsive will not bereviewed.

B. Executive Summary* (one-page maximum):

Describe the proposed project's essential elements.

- Descriptive title of proposed project: NOTE: The applicant should describe itsprogram as the University's program and not the NRC's program.
- Name, address, email address and telephone number of the PI(s).
- Name(s), address, email address and affiliations of other investigator/collaborative personnel who will contribute significantly to theproject.
- The project's total funding request.
- Concise statement of the project's objectives and benefits.

Applications that are incomplete, non-compliant and/or nonresponsive will notbe reviewed.

C. Project Description:

Applications must include and clearly identify the following elements in the ProjectDescription section:

1. State the management structure and the capability for administering theprogram.
2. Identify the evaluation plan that will provide information on the effectiveness of theproject.
3. State any arrangements with other non-Federal entities that provide additional support,usually in the form of cost sharing or matching to the goals of this project. A written agreement or letter is required from the source of the matching funds.

The project description (**which is not the same as the evaluation criteria in Section V.1**) is limited to seven (7) pages or less, including text, tables, and visual materials (e.g.,charts, graphs, maps, photographs). The page limit does not include the following:

- Executive Summary;
- Budget and Budget Narrative;
- Current and Pending Support;
- Curriculum Vitae;
- Past NRC Funding and Summary of Results from Past NRC Funding, if applicable; or
- Other required forms.

Applications that are incomplete, non-compliant and/or nonresponsive will not bereviewed.
