**Bureau of Economic and Business Affairs**  
**NOFO SFOP0008129**  
**Global Telecommunications and Emerging Technology Training**  
**Q and A, May 26, 2021**

**Question 1.** I am the founder of X organization and website. We are focused on providing internet access and creative supplies to developing communities. I am very interested in Applying for the Global Telecommunications and Emerging Technology Training Grant. We are not a registered non profit at this time, I am wondering we can still be considered for the grant?

**DOS' Response:** Per the NOFO, eligibility is addressed on p. 3.

**Eligibility Category:**

- U.S. private institutions of higher education (universities and colleges).
- U.S. public and state-controlled institutions of higher education (universities and colleges).
- Public International Organizations (PIOs).
- U.S.- based non-profit/non-governmental organizations having a 501 (c)(3) status with the IRS.
