

NOFO Clarification Notice

HRSA-22-165, Rural Communities Opioid Response Program- Medication-Assisted Treatment Access Program

1. On page 32 of the Notice of Funding Opportunity, Goal 1 is incorrectly stated as, “Establish new MAT access points to provide both medications and supportive services to individuals with SUD/OD in rural communities.”
 - The correct language for Goal 1 is, “Establish new MAT access points to provide both medications and supportive services to individuals with OD and/or AD in rural communities.”
