The Unique Entity Identifier (UEI) is one of the data elements mandated by Public Law 109-282, the Federal Funding Accountability and Transparency Act (FFATA), for all Federal awards. SAM.gov is the Federal government's primary database for complying with FFATA reporting requirements. OMB designated SAM.gov as the central repository to facilitate applicant and recipient use of a single public website that consolidates data on all federal financial assistance. Under the law, it is mandatory to register in SAM.gov.

Starting April 2022, the UEI will be assigned when an organization registers or renews its registration in SAM.gov at www.SAM.gov. www.sam.gov requires all entities to renew their registration once a year in order to maintain an active registration status in SAM.gov. It is the responsibility of the applicant to ensure it has an active registration in SAM.gov.

If an organization plans to issue a sub-contract or sub-award, those sub-awardees must also have a unique entity identifier (UEI number). Those entities can register for a UEI only at SAM.gov.
