The Alumni Engagement Innovation Fund (AEIF) 2026, administered by the Bureau of Educational and Cultural Affairs' Office of Alumni Affairs (ECA/P/A), addresses a strategic challenge: maximizing the long-term impact of U.S. government-funded exchange programs by supporting alumni to advance U.S. foreign policy priorities in their home countries. U.S. exchange programs have established a global network of leaders and professionals who can deliver tangible returns for the United States. The challenge remains to sustain and amplify their engagement, foster collaboration, and ensure their work aligns with evolving U.S.

policy objectives, especially as the United States approaches its 250th anniversary (Freedom 250).

Alumni networks often face obstacles such as limited resources and insufficient coordination. The AEIF 2026 NOFO addresses these gaps by providing targeted foreign assistance for alumni-led initiatives that directly advance U.S. policy goals, strengthen alumni networks, and celebrate Freedom America250.

AEIF 2026 is seek to:

- Promote Freedom250 by encouraging projects that celebrate the United States’ 250th anniversary and its core values, such as freedom of speech, prosperity, and security.

Project Audience(s): The primary beneficiaries of AEIF 2026 projects are:

2. Local Communities: Residents of the countries where alumni projects are implemented, who benefit from improved education, economic opportunities, civic engagement, or other project outcomes.
3. Regional Stakeholders: In the case of regional projects or summits, participants from multiple countries who collaborate on shared challenges and solutions.

To engage and enhance collaboration with U.S. exchange alumni to design and implement innovative projects that advance U.S. foreign policy priorities, strengthen alumni networks, and celebrate America250. The program seeks to:

- Foster collaboration among alumni from different programs and countries.

While the grantee is free to create their own template, completing this **template** will ensure a thorough PMP.

The key components to the PMP are as follows:

- **Monitoring and Evaluation Narrative:** In narrative form, applicants should describe how they intend to monitor and evaluate the activities of their award. In addition, the applicant should describe any M&E processes, including key personnel, management structure (where M&E fits into the overall program's staff structure), technology, and as well provide a brief budget narrative explaining any line-item expenditures for M&E listed in the program's budget. If the proposal is from a prior grantee, the proposal discusses how the grantee has adapted, improved or otherwise modified their approach based on learning from previous experience. This narrative is limited to two pages.
- **Theory of Change Diagram:** Applicants are expected to submit either a Theory of Change diagram or an If-Then Statement that illustrates how project activities will lead to intended outcomes. **PMP template** includes a suggested format for these requirements.

- **Monitoring and Evaluation Datasheet:** The applicant must include their proposed activities and their expected outputs and outcomes as well as the goals and objectives as written in the NOFO. The datasheet's purpose is to explicitly illustrate how a project's activities lead to tangible results (such as increased beneficiary skills, knowledge, or attitudes) that ultimately address a PDS objective. For more information, please see [page 2 of the template for Logic Model Instructions](#).
- The selected applicant's M&E PMP is subject to review and approval before any award will be issued under this NOFO. The selected applicant will be required to work with the Public Diplomacy Section's Monitoring and Evaluation Specialist to ensure the applicant's M&E PMP achieves an expected level of expertise and meets PDS objectives.
- Expenses directly associated with monitoring and evaluation are considered allowable. The suggested template includes a space to list the portion of the total budget amount directly associated with monitoring and evaluation activities.

3. Budget Justification Narrative

- **Detailed Budget** - Applicants must submit a detailed line-item budget. Applicants are encouraged to utilize the template provided with the funding opportunity but are not required to do so ([PDS Budget Narrative Sample Template](#)). Line-item expenditures should be listed in the greatest possible detail. The budget must identify the total amount of funding requested, with a breakdown of amounts to be spent in the following budget categories: personnel; fringe benefits; travel; equipment; supplies; consultants/contracts; other direct costs; and indirect costs. See Annex Section I for a description of the types of costs that should be included in each category. Personnel salaries should include the level of effort and the rate of pay, which should cover the percentage of time each staff member will dedicate to grant-based activities. If an organization is charging an indirect cost rate without a NICRA, it must apply it to the modified total budget costs (MTDC), refer to [2CFR§200.1](#). **Budgets shall be submitted in U.S. dollars** and final grant agreements will be conducted in U.S. dollars.

- **Budget Justification Narrative** – Applicants must submit a budget justification narrative to accompany the detailed line-item budget. The purpose of the budget justification narrative is to supplement the information provided in the detailed budget spreadsheet by justifying how the budget cost elements are necessary to implement project objectives and accomplish the project goals. The budget justification narrative is a tool to help Embassy staff fully understand the budgetary needs of the applicant and is an opportunity to provide descriptive information about the requested costs beyond the constraints of the budget template. Together, the detailed budget spreadsheet, the budget justification narrative, and the SF-424A should provide a complete financial and qualitative description that supports the proposed project plan and should be directly relatable to the specific project components described in the applicant’s proposal.

G. AWARD NOTICES

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is at the discretion of the Department of State.

Issuance of this NOFO does not constitute an award commitment on the part of the U.S. government, nor does it commit the U.S. government to pay for costs incurred in the preparation and submission of proposals. Further, the U.S. government reserves the right to reject any or all proposals received.

Payment Method:

Recipients will be required to request payments by completing form SF-270—Request for Advance or Reimbursement and submitting the form to the Grants Officer and Grants Officer Representative.

Recipients may not draw down funds without the affirmative authorization of the Department of State. In addition, recipients must submit, with each SF-270 payment request, a detailed explanation justifying the request.

I. OTHER INFORMATION

Guidelines for Budget Justification

Personnel and Fringe Benefits: Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program.

Travel: Estimate the costs of travel and per diem for this program, for program staff, consultants or speakers, and participants/beneficiaries. If the program involves international travel, include a brief statement of justification for that travel.

Equipment: Describe any machinery, furniture, or other personal property that is required for the program, which has a useful life of more than one year (or a life longer than the duration of the program), and costs at least \$10,000 per unit.

Other Direct Costs: Describe other costs directly associated with the program, which do not fit in the other categories. For example, shipping costs for materials and equipment or applicable taxes. All “Other” or “Miscellaneous” expenses must be itemized and explained.

Indirect Costs: These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 15% of Modified Total Direct Costs (MTDC) as defined in 2 CFR 200.1.

“Cost Sharing” refers to contributions from the organization or other entities other than the U.S. Embassy. It also includes in-kind contributions such as volunteers’ time and donated venues.

Alcoholic Beverages: Please note that award funds cannot be used for alcoholic beverages and other entertainment related expenses.
