Page Description

This page will help you determine your entity's purpose of registration. First, select what type of entity you are registering in SAM. Then state why you are registering. Based on your response, you will complete different registration sections.

If you want to obtain federal contract awards, you must complete all four sections of the registration: Core Data, Assertions, Representations & Certifications (Reps & Certs), and Points of Contact (POCs). This is required by the Federal Acquisition Regulation (FAR) in [FAR 52.204-7 System for Award Management](#).

If you are only interested in federal assistance opportunities, such as grants and loans, you must complete three sections of the registration: Core Data, Representations & Certifications (Reps & Certs), and POCs. If you decide later to pursue federal contract awards, you must update your SAM registration to change your purpose of registration and complete all four sections.

As of February 2, 2019, all entities registering for All Awards or Federal Assistance Only, will be required to review the Financial Assistance Representations and Certifications. These are a common set of certifications and representations required by Federal statutes or regulations in accordance with grants guidance under Title 2 of the Code of Federal Regulations. If you intend to apply for or are a recipient of a Federal grant or agreement, you must agree to the grants certifications and representations in the Representations & Certifications section of your entity registration.

Registration Details for Incomplete Record

Your entity registration is Expired. Please select Update Entity from Registration Details for Complete Record if you want to renew it.

- Cuando su organización se registra en SAM.gov debe designar un punto de contacto (POC). El POC es quien debe registrar su organización en SAM.gov
- Es aconsejable usar como dirección de **e-mail** del POC para comunicaciones de SAM un e-mail general de la organización al que más personal tenga acceso, en lugar de una dirección de e-mail personalizada. La persona POC podría cambiar a lo largo de los años y las comunicaciones que envíe SAM.gov en el futuro se perderían si van a un e-mail personal de alguien que ya no es parte de la organización.
- **IMPORTANTE: El POC debe renovar el registro SAM.gov de su organización cada año. Si no renuevan no podemos otorgar subvenciones a su organización.**
- Registro y renovación son siempre gratuitos. (Cuidado con e-mails que solicitan pagos, podrían ser scams)
