Frequently Asked Question

Q: Where do I indicate the mandatory 10% non-federal match in my application? The application package in Grants.gov is the SF424 (R & R), not the SF424 SF Research and Related Budget (Total Fed + Non-Fed) form referenced in the Notice of Funding Opportunity HRSA-19-101.

A: The mandatory 10% non-federal match should be included within the budget narrative justification.
