Attachment A: Work Plan Template Year 1 (CDC-RFA-PS20-2004)

Please describe the work plan with the suggested tables that follow. When filling out the tables, please try and be as responsive to the component and subcomponent as possible. For example, a strong work plan would include (where applicable) collaborating partners, types and number of trainings/courses proposed, locations, target audience, etc. A more detailed plan will be expected after award.

Component A: Regional Centers

A.Core: Assess training needs and service gaps.

Specify Outcomes:				
Activity Description	**Activity Timeframe**	**Outcome Measure**	**STD PCHD Project Area**	**Main point of contact (organization)**

Additional Information:

A. Core: Develop and deliver STD clinical preventive services, training/technical assistance (T/TA) consistent with CDC guidelines and recommendations.

Specify Outcomes:				
Activity or Course Description (Use course descriptions in Attachment C as applicable)	**Activity Timeframe**	**Location (practice site, city, state)**	**Target audience**	**Anticipated number in attendance**

Additional Information:

A. Core: Establish and grow learning communities of key providers including emerging leaders in the STD field.

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**PTC Staff Involved and Role**

Additional Information:

A.Core: Collaborate with the National STD PTC Coordination Center ($NPTC_3$) and the National STD Curriculum Center (NSTDC).

Specify Outcomes:			
Description of Collaboration	**Activity Timeframe**	**Outcome Measure**	**PTC Staff Involved and Role**

Additional Information:

Subcomponent A1: Assess provision of HIV preventive services in STD specialty clinics to identify gaps and needs.

Specify Outcomes:				
Activity Description	**Activity Timeframe**	**Outcome Measure**	**STD PCHD Project Area**	**Main Point of Contact (organization)**

Additional Information:

Subcomponent A1: Develop and deliver HIV preventive services, T/TA to STD specialty clinics

Specify Outcomes:				
Activity or Course Description (Use course descriptions in Attachment C as applicable)	**Activity Timeframe**	**Location (practice site, city, state)**	**Target audience**	**Anticipated number in attendance**

Additional Information:

Subcomponent A1: Establish and grow HIV preventive services learning communities for STD specialty clinic providers

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**PTC Staff Involved and Role**

Additional Information:

Subcomponent A2: Train STD Clinical Prevention Fellows

Specify Outcomes:			
Describe the proposed STD Clinical Prevention Fellow career development plan:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**Assigned To**

Additional Information:

Component B: National STD PTC Coordination Center (NPTC$_3$)

B.Core: Coordinate National Network of STD Clinical Prevention Training Centers (NNPTC) activities

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**Regional PTC Members Involved**

Additional Information:

B.Core: Perform a national assessment of needs and service gaps

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**Key Collaborators**

Additional Information:

B.Core: Promote NNPTC expertise and training activities/resources nationally

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Dissemination Method**	**Key Collaborators**

Additional Information:

B.Core: Support participant registration data collection and submission to CDC

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**Assigned To**

Additional Information:

B.Core: Develop, support and promote the STD CCN for the NNPTC nationally

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**Assigned To**

Additional Information:

Subcomponent B1: Coordinate resources developed by the NNPTC as part of the scale up of regional HIV prevention services in STD specialty clinics

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**Assigned To**

Additional Information:

Subcomponent B1: Support the collection of participant data and other evaluation data as part of the scale up of regional HIV prevention services in STD specialty

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**Assigned To**

Additional Information:

Component C: National STD Curriculum Center (NSTDC)

C. Core: Develop high quality, national STD clinical online curriculum, training and resources

Specify Outcomes:			
Activity/Module Description	**Activity Timeframe**	**Outcome Measure**	**Key Collaborators**

Additional Information:

C. Core: Develop national learning communities of key medical directors and decision makers in collaboration with CDC

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**PTC Staff Involved and Roles**

Additional Information:

C. Core: Support regional PTCs to scale up ECHO and other distance learning technologic training approaches

Specify Outcomes:			
Activity Description	**Activity Timeframe**	**Outcome Measure**	**Assigned To**

Additional Information:

Subcomponent C1: Develop national online HIV preventive services course, training and resources

Specify Outcomes:			
Activity/Module Description	**Activity Timeframe**	**Outcome Measure**	**Key Collaborators**

Additional Information:
