QUESTIONS AND ANSWERS
Tuesday, August 17, 2010

1. We are interested in knowing the procedure for the USAID disbursements in case of being the grantee.

R/= Advances and liquidations are the usual method.

2. Could an institution that is outsourced or has a valid contract or has teamed up with a U.S company that is already implementing a USAID project in Honduras, qualify for this proposal?

R/= Yes, if it is a Honduran NGO.

3. Could an institution that is a subsidiary of a U.S Company qualify for this proposal?

R/= Yes if it is a Honduran NGO.

4. From the 424 form series, is it necessary to fill out the forms 424, 424A, 424B only or also the others such as 424 Mandatory, Organizational, Individual, etc?

R/= Applicants are required to fill out SF 424 and SF 424-A

5. Does a private university qualify to be a grantee for this proposal?

R/= Yes if it is a Honduran NGO.

6. In items such as hiring policies, travel expenses policies and product acquisitions policies, and considering that there is a manual for each topic written in Spanish, is it possible to present an English summary for each, and include the manuals in the Appendix?

R/= Yes, the Summary may be in English with the Appendix in Spanish. However, after award, the winning recipient may be requested to have the manuals converted into English.

7. We would like to request an extension to the due date for receipt of applications.

Extension is not granted. The due date for receipt of applications is August 27, 2010.
