

Funding Opportunity Title: Balkh Media Information Center
Funding Opportunity Number: SCAKAB-13-GR-006-SCA-12272012
RFGP Question and Answer

Question: On the Herat RFA, it is asking for a video camera and two still cameras. On the Balkh one, it is only asking for one still camera. If we include a video camera in the mix for the Balkh proposal, are we disqualifying ourselves? It just seems like there is a request for video storage, but no camera.

Answer: Applicants may include a video camera in their proposal and budget.
