Reference: Advancing Partners and Community – based Family Planning Project-
Request for Application (RFA) Number- SOL- OAA-12-000091

Subject: Amendment 01

Dear Applicant:

The purpose of this amendment is to make the following changes:

1. On Cover Page- The Closing Date for this solicitation has been extended from July 12, 2012 11:00 a.m. EST to July 20th, 2012 11:00 a.m. EST
2. On Page 14 under Result 2: Innovative PVO/NGO community programs implemented, expanded and strengthened delete "The Advancing Communities Recipient and implementing partners will not be eligible for sub-awards under this agreement" and replace with "A key responsibility of the Recipient and any implementing Partner(s) of the Advancing Partners and Community-based Family Planning award will be to solicit, execute, and manage sub-grants. This will include reviewing applications for eligibility, reviewing and recommending applications for funding, monitoring program progress, and bringing to the attention of USAID any implementation and financial accountability issues and problems. Because of potential conflicts of interest in carrying out these responsibilities, the Recipient and any implementing partner(s) and their affiliates will NOT be eligible to receive small- or medium-sized sub-grants issued under this project. "

Please direct any questions regarding this amendment to Alina Schulte at aschulte@usaid.gov or Alisa Dunn at ADunn@usaid.gov.

Sincerely,
