Date: April 3, 2023

Question #1:

Regarding the **geographic disaggregations in the FY23 INL Performance Indicator Reference Sheet**, should applicant include the locations of every institution they are planning on working with or is it enough by locating the capital cities where these institutions are located? (For example: longitude and latitude of Monterrey, Nuevo León instead of Attorney General's Office of Nuevo León).

INL Response #1:

It is sufficient to identify the capital cities where the institutions are located.
