

HRSA NOFO name: Early Hearing Detection and Intervention Program

Funding opportunity number: HRSA-20-047

Second TA webinar details:

Date: Thursday, August 22, 2019

Time: 2–4 p.m.

Dial In: 1-800-988-9761

Participant Code: 1889773

Link: <https://hrsa.connectsolutions.com/ta-webinar-hrsa-20-047/>

HRSA will record the webinar and make it available at:

<https://mchb.hrsa.gov/fundingopportunities/default.aspx>.

Reason for the second webinar: During the initial webinar, the host experienced technical difficulties and was unable to see the text in the chat box which included numerous questions. We spent considerable time trying to reconnect to the webinar/call site after being repeatedly bumped off the webinar site, but eventually had to end the webinar prematurely. Due to the large number of participants during the initial session (70+) and numerous requests for a repeat, we decided to schedule a second TA webinar.
