

U.S. Fish and Wildlife Service
Determination for Issuing a Single Source Financial Assistance Award

Instructions: In accordance with Service policy 516 FW 6, *Issuing Discretionary Grant and Cooperative Agreement Awards without Competition*, complete this form to document the justification for issuing a single source grant or cooperative agreement award. This form must be signed by both a program representative and the employee with signature authority for the award to be issued (see 516 FW 3, *Signature Authority for Grant and Cooperative Agreement Awards*). The completed and signed form must be maintained in the official award file.

Recipient Name: Friends of the Ridgefield National Wildlife Refuge
Project Title: Visitor Education and Outreach Program
Program Contact: Christopher Lapp

Select all criteria that apply (from 505 DM 2):

☐	(1) Unsolicited Proposal: The proposed award is the result of an unsolicited application that represents a unique or innovative idea, method, or approach that is not the subject of a current or planned award, but is found to be advantageous to program objectives.
☐	(2) Continuation: The activity to be funded is necessary for the satisfactory completion of, or is a continuation of, an activity we are funding and holding a competition would have a significant adverse effect on continuing or completing the activity.
☐	(3) Legislative Intent: The language in the applicable authorizing legislation or legislative history clearly indicates the intent of Congress to restrict the award to a particular recipient or purpose.
☒	(4) Unique Qualifications: The applicant is uniquely qualified to perform the activity based on a variety of demonstrable factors such as location; property ownership; voluntary support capacity; cost-sharing ability, if applicable; technical expertise; or other such unique qualifications.
☐	(5) Emergencies: Because of a compelling and unusual urgency, or substantial danger to health or safety, there is not enough time to follow adequate competitive procedures.

Explain below why competition for this award is not practical. As applicable, summarize the program legislative history, unique capabilities of the proposed recipient, and any cost-sharing contribution offered by the proposed recipient. Be brief and specific:

Friends of the Ridgefield National Wildlife Refuge is an established, non-profit 501 (c)(3) organization with over a 17 year track record of high quality refuge support. The Friends of the Ridgefield National Wildlife Refuge is the only organization that is specifically dedicated to support the work of the Ridgefield River "S" National Wildlife Refuge and the Ridgefield Carty Unit National Wildlife Refuge. The Friends of the Ridgefield National Wildlife Refuge have built a strong community and volunteer base to conduct mission-based work that would not happen without their support.

I have determined that this project meets the requirements for a single source award and recommend that it be awarded to the recipient named above.
