Expressions of Interest Due Date: June 8th, 2018
Expressions of Interest Due Time: 17:00 Eastern Standard Time

Subject: Broad Agency Announcement BAA-AFG-ENERGY-2018
USAID/Afghanistan Broad Agency Announcement for Energy

Reference: **BAA-AFG-ENERGY-2018 Amendment 0001**

The United States Government (USG), represented by the U.S. Agency for International Development's Mission in Afghanistan (USAID/Afghanistan), is issuing this Broad Agency Announcement (BAA) to invite participants to submit an Expression of Interest (EOI), co-create, co-design, co-invest, and collaborate to pilot new and innovative approaches that provide actionable solutions to the most pressing obstacles and challenges to enterprises and individuals inhibiting access to reliable electricity and impeding economic development in Afghanistan.

The purposes of this amendment are to revise the submission date and to provide information on the review process as follows:

- a. Extend the due date from June 1st, 2018 to June 8th 2018
- b. Expression of Interests received by June 1st, 2018 will be reviewed and given highest priority for the co-creation phase.

All other terms and submission requirements remain unchanged.

Thank you for your consideration of this USAID initiative.

Sincerely,

/s/
George K. Boateng
Contracting/Agreement Officer
Office of Acquisition and Assistance
