1.) SECTION III - ELIGIBILITY INFORMATION

Section III.A, *Eligible Applicants*, is revised as follows, per text in red font. Applicants must disregard strikethrough text:

The following organizations are eligible to apply:

- (Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education)
- (Nonprofits without 501(c)(3) status with the IRS, other than institutions of higher education)

~~25 (Others (see text field entitled "Additional Information on Eligibility" for clarification))~~

~~Please see additional eligibility requirements below:~~

Eligible Entities:

Only CBOs as defined in Appendix B are eligible to apply for these grants. A consortium of CBOs may apply as a single applicant; in such instances, the applicant should provide a copy of the consortium agreement that specifies which entity will administer the grant.

Current and Former Grantees:

Recipients of WANTO Act grant program funds awarded under the FY 2023 FOA are NOT eligible to apply for a FY 2024 WANTO grant. FY 2023 grantees will be eligible to apply again in FY 2025, contingent upon the availability of funds. Recipients of funds awarded under previous WANTO Act grant programs outside of those who were awarded funds under the FY 2023 FOA are eligible to apply for this funding opportunity. Although scaling a previous WANTO-funded program is acceptable, former WANTO Act grantees must explain, in their "Statement of Need" (see Section IV.B.3), how their proposed TA activities are materially different and improved from those already performed using funds awarded through a previous WANTO Act grant program. All past and current WANTO grantees after 2006 are listed in Appendix A for reference.

2.) SECTION IV - APPLICATION AND SUBMISSION INFORMATION

Section IV.B.3.c.2.1, *Expected Outcomes and Outputs*, is revised as follows per text in red font. Applicants must disregard strikethrough text:

c. Expected Outcomes and Outputs
