

How to Upload Technical and Cost Proposals in Grants.gov

To upload technical and price proposal documents:

1. Prepare the Application for Federal Assistance SF-424 mandatory form
2. Upload both the technical proposal and the cost proposal under box 15 (Project Title section) in the Application for Federal Assistance (SF-424) form.

15. DESCRIPTIVE TITLE OF APPLICANT'S PROJECT:

Attach supporting documents as specified in agency instructions.
