Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

With this solicitation, OVC seeks to fund one Training and Technical Assistance (TTA) Provider that will provide technical assistance to all awarded recipients under the OVC FY 2023 Expanding Access to Sexual Assault Forensic Examination (SAFE) Program. Additionally, the TTA Provider will establish regional Sexual Assault Nurse Examiner (SANE) training programs.

Statutory Authority: Department of Justice Appropriations Act, 2023 (Pub. L. No. 117-328, 136 Stat. 4459, 4536) (State and Local Law Enforcement Assistance heading, para. 10(d)).

Specific Information

The purpose of the SAFE TTA Program is to provide technical assistance to awarded recipients under the OVC FY 2023 SAFE Program that will establish or expand access to SANE and SAFE programs to (1) increase the number and availability of SANES/SAFEs, (2) expand access to SAFEs to communities that have been underserved or historically under-funded, and (3) improve the quality of post-sexual assault care using a hospital-based, community-based, campus-based, or corrections-based approach.

The SAFE TTA Program will also establish regional SANE training programs, which is identified as establishing a Center of Excellence model in Forensic Nursing qualified to prepare current and future SANES/SAFEs to be professional-ready and meet the applicable state certifications and licensure requirements. OVC encourages TTA efforts to prioritize rural, tribal, underserved or historically under-funded communities, and urban areas without full-time SANE/SAFE coverage for this regional training program. TTA should also develop and promote the highest standards of care and best practices in forensic nursing.

The TTA Provider is expected to bring innovative and evidence-driven ideas and strategies to the project, and work in partnership with OVC and the awardees to accomplish the goals, objectives, and activities of the SAFE TTA program. The TTA Provider must have demonstrated expertise in successfully managing TTA programs that address SANE/SAFE programming, multidisciplinary collaboration, and trauma-informed approaches to working with victims to include the following—

- developing and delivering trainings.
- supporting peer learning.
- facilitating knowledge sharing and skill building.

- creating or maintaining mechanisms to market, promote, and share TTA resources broadly with the field.

Subawards are permitted. The TTA Provider may propose a collaborative model of TTA that includes a consortium of experienced technical assistance entities with nationally recognized practitioners that possess expertise on various emerging issues that impact SANE/SAFE development, growth, and sustainability. Collaborations with organizations and subject matter experts that serve specific populations (i.e., victims from various cultural groups, victims with limited English proficiency and disabilities, male victims, older victims, etc.) are strongly encouraged. The TTA Provider should describe any proposed subrecipients' experience or relevant area of expertise and detail the specific technical assistance they will provide.

Goals, Objectives, and Deliverables

Refer to the OJP Invitation Letter for information on the goals, objectives, and deliverables that OJP expects the applicant's proposed project to address. The OJP Invitation Letter also provides important information on associated performance measures and the data that will be required for those performance measures.

Goals

The goal of the SAFE TTA Program is to: 1) provide technical assistance that is proactive, action-driven, flexible, and ensures ongoing communication and collaboration with the awarded recipients, OVC, and other relevant federal agencies and partners, and 2) establish a SANE Regional Center of Excellence model, in collaboration with OVC, that can be replicated to other communities that promotes the highest standards of care and prepares current and future SANEs/SAFEs to be professional-ready and meet the applicable state certifications and licensure requirements.

Objectives

An applicant should address all the objectives listed below in the Goals, Objectives, Deliverables and Timeline web-based form.

The overall objectives are to strengthen and expand the skills, expertise, and capacity of OVC FY 2023 SAFE grantees, their program staff and partners, and other stakeholders to increase SANE/SAFE coverage.

Objectives include—

1. Provide ongoing, customized TTA to the awarded recipients under the OVC FY 2023 Expanding Access to Sexual Assault Forensic Exams Program that will support them in successfully implementing their project strategy, based on the needs of the program and the community. TA can include supporting grantees' efforts in the development/enhancement of training plans, sustainability plans, policies and procedures, multidisciplinary partnerships, SARTs, advocacy, outreach/marketing efforts, quality improvement, etc. TTA should integrate innovative models and ensure flexible options for training, learning, practice, and networking (e.g., convenings, workshops, cross-sector trainings and peer learning

- (both virtual and in person)).
2. Establish up to four SANE Regional Centers of Excellence (CoE) that offer clinical preceptorship instruction by experienced Forensic Nurse Preceptors, guided by national training standards; encourage advanced education and supervised clinical practice for health care personnel conducting the exam; and certification for all examiners.
 3. Identify a centrally located, high-volume, hospital-based SANE program that has in-house experienced SANEs to serve as a pilot Hub CoE. The regional pilot sites (hospital- and community-based) should be selected to participate in the pilot project and implement/test the model created by the pilot Hub.
 4. Identify peer liaisons who are diverse peer experts to work regularly with SAFE awardees and COEs to provide peer-to-peer advisory support (remotely and onsite) and serve as a liaison between the site, OVC, and the TTA provider.
 5. Develop and disseminate TTA resources and training to help build the capacity of SANE/SAFE programs, including the regional CoEs. Trainings may be provided at relevant conferences, through webinars, or through other mechanisms.
 6. Coordinate with other OVC-funded TTA provider grantees to leverage expertise, deliver joint training or resources, and avoid duplication of efforts through regular communication.
 7. Other activities, as required, to meet the stated goals and objectives.

Deliverables

Deliverables include—

- Development of TTA plan for FY 2023 SAFE awarded recipients (Year 1).
- Establishment of SANE regional training programs (CoEs).
- Conduct site assessment visits (in person or virtual) to all newly funded SAFE awardees and COEs during the TTA award. Any additional in-person TTA visits as determined necessary to address site needs should be made in consultation with OVC.
- Plan and conduct regional meetings, workshops, or other educational sessions for SAFE awardees and COEs, under the direction of OVC, that focuses on implementation and sustainability issues.

The goals, objectives, and deliverables are directly related to the performance measures that show the completed work's results, as discussed in the "Application and Submission Information" section.

How to Apply

Registration: Before submitting an application, all applicants must register with the System for Award Management (SAM). You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Registration and renewal can take up to 10 business days to complete.

Submission: Applications must be submitted to DOJ electronically through a two-step process via Grants.gov and JustGrants.

Step 1: After registering with SAM, the applicant must submit the **SF-424** and an **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html> by the Grants.gov deadline. **Submit the SF-424 and SF-LLL as early as possible, but no later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit in Grants.gov, they will be unable to apply in JustGrants.

Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://www.justgrants.usdoj.gov) by the JustGrants deadline.

Within 24 hours after receipt of confirmation emails from Grants.gov, the individual in Section 8F of the SF-424 will receive an email from DIAMD-NoReply@usdoj.gov with instructions on how to create a JustGrants account. Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant's Authorized Representative(s) before an application can be submitted.

Submit the complete application package in JustGrants at least 24 – 48 hours prior to the JustGrants deadline. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

For additional information, see the “How to Apply” section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

Submission Dates and Time

The **SF-424** and the **SF-LLL** must be submitted in Grants.gov by 11:59 p.m. eastern time on July 28, 2023.

The **full application** must be submitted in JustGrants by 8:59 p.m. eastern time on August 4, 2023.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates with sufficient time to correct any errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration process in sufficient time (i.e., waiting until the date identified in this solicitation) is not an acceptable reason for late submission.

Experiencing Unforeseen Technical Issues Preventing Submission of an Application

OJP will only consider a request to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented application submission.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes a tracking number generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; and for this reason, applicants are encouraged to email the appropriate service desk, even if they also intend to call the service desk for phone support. Experiencing wait times for phone support does not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov - contact the [SAM Help Desk \(Federal Service Desk\)](#), Monday – Friday from 8 a.m. to 8 p.m. ET at 866-606-8220.
- Grants.gov - contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or support@grants.gov.
- JustGrants - contact the JustGrants Service Desk at JustGrants.Support@usdoj.gov or 833-872-5175, Monday – Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and Federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission

by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must -

- describe the technical difficulties experienced,
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded),
- include an attachment of the complete grant application and all the required documentation and materials,
- include the applicant's Unique Entity Identifier (UEI), and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant who does not provide documentation of a technical issue or who does not submit a waiver request within the required time period will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

Application Review Information

Review Process

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. For invited applications, OJP reviews for consistency with the invitation letter and invited applicant guidance. See the [OJP Grant Application Resource Guide](#) for information on the application review process.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal

awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General who may consider not only OVC recommendations, but also other factors as indicated in this section.

For purposes of this Guidance for Invited Applications, this “[final] award decisions” provision expressly modifies the “final award decisions” provision in the “Application Review Information” section of the [OJP Grant Application Resource Guide](#).
