SUBJECT: Potential Applicants' Requests to Extend the NOFO Closing Date

REFERENCE: Informal Livelihoods Advancement Activity (Iqlaaʻ) Notice of Funding
Opportunity (NOFO) No. 72027821RFA00006 Amendment No. 01

After publishing the "Amendment Notice of Funding Opportunity (NOFO) to Publish the Submitted Questions and Corresponding responses, and Amend Various NOFO Sections (i.e., NOFO Amendment No. 01), USAID/Jordan received several requests from potential applicants to extend the NOFO closing date. After careful and deliberate consideration, given that USAID/Jordan provided potential applicants 46 days to compile their respective applications, and recognizing that amendment No. 01 provided greater technical application content and format guidance with only de minimis changes to NOFO **SECTION A: PROGRAM DESCRIPTION**, as well as lengthened the technical application page limitation by 5 pages from 20 to 25 pages per NOFO amendment No. 01 **Section 5.1.1**, we respectfully reject potential applicants' requests to extend the NOFO closing date from the established Wednesday, September 02, 2021, by 16:00 PM EEST.

Thus, all NOFO, as amended by Amendment No. 01, terms and conditions remain unchanged and in full force and effect. Thank you.

Yours truly,
