OVERVIEW, RECIPIENT AND NPS SUBSTANTIAL INVOLVEMENT

The University of Pennsylvania (UPE) will collaborate with the National Park Service (NPS) to complete the comprehensive condition assessment of the identified interior spaces of the church.

Substantial involvement on the part the National Park Service (NPS) is anticipated for the successful completion of the objectives to be funded by this award. NPS staff will assist with ensure compliance with the National Historic Preservation Act, collaborate in all phases of the project work to disseminate the information of the technical reports through web-based media.

NPS did not solicit full and open competition for this award based the following criteria:

The cooperator is a member of an established Cooperative Ecosystem Studies Unit (CESU) network, and was awarded a Cooperative Agreement (P14AC00921) allowing UPE to participate in specific tasks, and can provide the necessary activities involved in this particular task while providing an effective outcome for the National Park Service and the research and/or education project. This is a continuation of P16AC00931.
