Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

Under this solicitation, OVC will support VOCA Victim Compensation Formula Programs that provide crucial financial assistance to hundreds of thousands of crime victims each year. Funds under this program shall be used by the states and territories for awards of compensation benefits to eligible crime victims.

State victim compensation programs supplement the state efforts that offset victims' financial burdens resulting from crime. Compensation is extremely vital to victims who face enormous financial setbacks from medical fees, lost income, dependent care, funeral expenses, relocation expenses, and other costs.

OVC will award each eligible state victim compensation program an annual grant equal to 75 percent of the amount the program awarded in state-funded victim compensation payments during the fiscal year 2 years prior to the present fiscal year, other than amounts awarded for property damage.

Statutory Authority

34 U.S.C. § 20102

Specific Information

The primary purpose of these grants is to supplement state efforts to provide financial compensation to crime victims throughout the nation for costs resulting from crime, and to encourage victim cooperation and participation in the criminal justice system. The Goals, Objectives, and Deliverables are directly related to the performance measures that show the completed work's results, as discussed in the Application and Submission Information section.

Application Review Information

Review Process

OJP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. See the [OJP Grant Application Resource Guide](#) for information on the application review process for this solicitation.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General will make all final award decisions.
