Part 1. Overview Information

Federal Agency Name:

Federal Centers for Disease Control and Prevention (CDC)

Notice of Funding Opportunity (NOFO) Title:

Increasing Public Awareness and Provider Education About Primary Immunodeficiency Disease

Announcement Type:

Type 3 (Competitive supplement)

Agency Notice of Funding Opportunity Number:

CDC-RFA-OE17-17020301SUPP19

Assistance Listings (CFDA) Number:

93.980

Key Dates:

Due Date for Application: **06/03/2019**

Application must be successfully submitted to Grants.gov by 11:59pm Eastern Standard Time on the deadline date.

Additional Overview Content:

Executive Summary:

CDC announces a supplemental funding opportunity to organizations that were previously awarded funding under the Notice of Funding Opportunity (NOFO) CDC-RFA-OE17-1702. The recipient is eligible to submit application for this supplemental funding.

This supplemental NOFO will further strengthen the nation's capacity to carry out public health activities in the area of primary immunodeficiency diseases (PID) to widen the scope of the current grant, increase and improve physician education and public health awareness for/of PID. The intent is to increase the scope of the campaign to disseminate educational information on a national level to health care providers, educators, third-party payers, impacted families, and others who may help expedite clinical recognition and improve health outcomes for Americans with primary immunodeficiency diseases.

Measurable outcomes of the program will be in alignment with one (or more) of the following performance goal(s) for Center for Surveillance, Epidemiology and Laboratory Services (CSELS)

Healthy People 2020 goals of education and community-based programs and health communications. CSELS facilitate this grant activity because it serves the CDC priorities of Advance Evidence-based Health Policies, Prevent Illness, Injury and Premature Death, and Support of State, Tribal and Local Health Departments.

Healthy People 2020 goals are also served by focusing resources into areas where genomics can enhance prevention of disease. This topic can be found at https://www.healthypeople.gov/2020/topics-objectives/topic/educational-and-community-based-programs

Other National Public Health Priorities and Strategies: CDC Key National Priority: Better at

preventing illness, injury, disability and death. This priority can be found at https://www.cdc.gov/about/organization/strategic-framework/index.html

Relevant Work: CDC has funded public awareness and physician education campaigns for primary immunodeficiency diseases for many years. CDC MMWR article about a public health strategy approach to primary immunodeficiency diseases can be found at https://www.cdc.gov/mmwr/preview/mmwrhtml/rr5301a1.htm

Measurable outcomes of the program will be in alignment with one (or more) of the following performance goal(s) for the CSELS:

This announcement is only for non-research activities supported by CDC. If research is proposed, the application will not be considered. For this purpose, research is defined at https://www.gpo.gov/fdsys/pkg/CFR-2007-title42-vol1/pdf/CFR-2007-title42-vol1-sec52-2.pdf. Guidance on how CDC interprets the definition of research in the context of public health can be found at https://www.hhs.gov/ohrp/regulations-and-policy/regulations/45-cfr-46/index.html (See section 45 CFR 46.102(d)).

Part 2. Full Text

Section I. Funding Opportunity Description

Statutory Authority

This program is authorized under section 317(k)(2) of the Public Health Service Act, (42 U.S.C 247b(k)(2):Project grants for preventive health services).

Background

The purpose of this project is to strengthen the nation's capacity to carry out public health activities in the areas of PID and to increase and improve both clinical education on PID and public health awarenes of PID.

Purpose

The purpose of this supplemental funding is to increase the following activities;

(a) Development and dissemination of materials and displays;

(b) Providers engage in education opportunities;

(c) Skills and knowledge of health care providers about primary immunodeficiency diseases

increases;

(d) Improve integration of primary immunodeficiency diseases prevention into clinical care;

(e) Expedited clinical recognition of primary immunodeficiency diseases;

(f) Increase community and provider knowledge of primary immunodeficiency diseases;

(g) Increase the number of people appropriately diagnosed with primary immunodeficiency diseases;

(h) Increase access to care for people with primary immunodeficiency diseases;

The activities are in alignment with Healthy People 2020 goals of education and community-based programs and health communications. CSELS facilitate this grant activity because it serves the CDC priorities of Advance Evidence-based Health Policies, Prevent Illness, Injury and Premature Death, and Support of State, Tribal and Local Health Departments.

Healthy People 2020 goals are also served by focusing resources into areas where genomics can enhance prevention of disease.

Program Implementation

Recipient Activities

Recipient activities

Strategies which provide a greater scale of commensurate activities to:

1. Provide greater financial assistance for planning, design, and implementation of materials and displays.

2. Disseminate additional educational information on a national level to public and private health care providers, educators, third-party payers, impacted families, and others.

3. Form additional partnerships with health care community.

4.The awardee will conduct additional evaluation and quality improvement efforts

Applicants are advised that any activities involving information collection (i.e. surveys, questionnaires, etc) from 10 or more non-Federal individuals/entities are subject to OMB/PRA requirements and may require the CDC to coordinate an OMB Information Collection clearance.

CDC Activities

This is a CDC grant.

Monitoring activities include routine and ongoing communication between CDC and awardees, site visits, and awardee reporting (including work plans, performance, and financial reporting). Consistent with applicable grants regulations and policies, CDC expects the following to be included in post-award monitoring for grants and cooperative agreements:

- Tracking grantee progress in achieving the desired outcomes.
- Ensuring the adequacy of awardee systems that underlie and generate data reports.
- Creating an environment that fosters integrity in program performance and results.

- Monitoring may also include the following activities deemed necessary to monitor the award:
- Ensuring that work plans are feasible based on the budget and consistent with the intent of the award.
- Ensuring that grantee perform at a sufficient level to achieve outcomes within stated time frames.
- Working with grantee on adjusting the work plan based on achievement of outcomes, evaluation results and changing budgets.
- Monitoring performance measures (both programmatic and financial) to assure satisfactory performance levels.

Monitoring and reporting activities that assist grants management staff (e.g., grants management officers and specialists, and project officers) in the identification, notification, and management of high-risk grantees.

Section II. Award Information

Type of Award: Grant
Award Mechanism: Grant
Activity Code: U60

Fiscal Year Funds: 2019
Approximate Total Supplemental Funding: $927,000
This amount is subject to availability of funds. Includes direct costs.
Supplemental funding will support activities for Budget period that ends July 31, 2020. Direct and indirect costs are applicable.

Approximate Number of Awards: 1

Approximate Average Award: $927,000
This amount is for the budget period only and includes direct costs and indirect costs as applicable.
Floor of Individual Award Range: $927,000
Ceiling of Individual Award Range: $2,000,000
This ceiling is for a 12-month budget period.
The budget period for this supplemental award is 12 months.

The period of performance for this project is 60 months or 5 years.

Anticipated Award Date: 08/01/2019
Budget Period Length: 12 month(s)
Period of Performance Length: 5 year(s)

Section III. Eligibility Information

Eligible Applicants

The following recipients may submit an application:

Eligibility Category:	Unrestricted (i.e., open to any type of entity above), subject to any clarification in text field entitled "Additional Information on Eligibility"

The following recipients may submit an application: Eligible organizations that are currently funded under the CDC-RFA-OE17-1702

Required Registrations

System for Award Management and Universal Identifier Requirements

An organization must be registered at the three following locations before it can submit an application for funding at www.grants.gov.

a. Data Universal Numbering System: All applicant organizations must obtain a Data Universal Numbering System (DUNS) number. A DUNS number is a unique nine-digit identification number provided by Dun & Bradstreet (D&B). It will be used as the Universal Identifier when applying for federal awards or cooperative agreements. The applicant organization may request a DUNS number by telephone at 1-866-705-5711 (toll free) or Internet at http://fedgov.dnb.com/webform/displayHomePage.do. The DUNS number will be provided at no charge. If funds are awarded to an applicant organization that includes sub-recipients, those sub-recipients must provide their DUNS numbers before accepting any funds.

b. System for Award Management (SAM): The SAM is the primary registrant database for the federal government and the repository into which an entity must submit information required to conduct business as a recipient. All applicant organizations must register with SAM, and will be assigned a SAM number. All information relevant to the SAM number must be current at all times during which the applicant has an application under consideration for funding by CDC. If an award is made, the SAM information must be maintained until a final financial report is submitted or the final payment is received, whichever is later. The SAM registration process usually requires not more than five business days, and registration must be renewed annually. Additional information about registration procedures may be found at www.SAM.gov.

c. Grants.gov: The first step in submitting an application online is registering your organization through www.grants.gov, the official HHS E-grant website. Registration information is located at the "Applicant Registration" option at www.grants.gov. All applicant organizations must register with www.grants.gov. The one-time registration process usually takes not more than five days to complete. Applicants must start the registration process as early as possible.

Cost Sharing or Matching

Cost Sharing / Matching Requirement:	No

Other

Special Requirements

Note: Title 2 of the United States Code Section 1611 states that an organization described in Section 501(c)(4) of the Internal Revenue Code that engages in lobbying activities is not eligible to receive Federal funds constituting a grant, loan, or an award.

Maintenance of Effort

Section IV. Application and Submission Information

Address to Request Application Package

Applicants must download the application package associated with this funding opportunity from Grants.gov. If access to the Internet is not available or if the applicant encounters difficulty accessing the forms on-line, contact the HHS/CDC Office of Grants Services (OGS) Technical Information Management Section (TIMS) staff at (770) 488-2700 for further instruction. CDC Telecommunications for the hearing impaired or disable is available at: TTY 1-888-232-6348.
If the applicant encounters technical difficulties with Grants.gov, the applicant should contact Grants.gov Customer Service. The Grants.gov Contact Center is available 24 hours a day, 7 days a week, with the exception of all Federal Holidays. The Contact Center provides customer service to the applicant community. The extended hours will provide applicants support around the clock, ensuring the best possible customer service is received any time it is needed. You can reach the Grants.gov Support Center at 1-800-518-4726 or by email at support@grants.gov. Submissions sent by email, fax, CD's or thumb drives of applications will not be accepted.

Content and Form of Application Submission

Unless specifically indicated, this announcement requires submission of the following information:

Table of Contents

The table of contents is not included in the project narrative page limit. The applicant must provide, as a separate attachment, the "Table of Contents" for the entire submission package. Provide a detailed table of contents for the entire submission package that includes all of the documents inthe application and headings in the "Project Narrative" section. Name the file "Table of Contents" and upload it as a PDF file under "Other Attachment Forms" at www.grants.gov.

A Project Abstract must be completed in the Grants.gov application forms. The Project Abstract must contain a summary of the proposed activity suitable for dissemination to the public. It should be a self-contained description of the project and should contain a statement of

objectives and methods to be employed. It should be informative to other persons working in the same or related fields and insofar as possible understandable to a technically literate lay reader. This abstract must not include any proprietary/confidential information.

(Maximum 1 page)

A project abstract is included on the mandatory documents list and must be submitted at www.grants.gov. The project abstract must be a self-contained, brief summary of the proposed project including the purpose and outcomes. This summary must not include any proprietary or confidential information. Applicants must enter the summary in the "Project Abstract Summary" text box at www.grants.gov.

A Project Narrative must be submitted with the application forms. The project narrative must be uploaded in a PDF file format when submitting via Grants.gov. The narrative must be submitted in the following format:

- Maximum number of pages: 25. If your narrative exceeds the page limit, only the first pages which are within the page limit will be reviewed.
- Font size: 12 point unreduced, Times New Roman
- Double spaced
- Page margin size: One inch
- Number all narrative pages; not to exceed the maximum number of pages.

Applicants must submit a Project Narrative with the application forms. Applicants must name this file “Project Narrative” and upload it at www.grants.gov.

The Project Narrative should address activities to be conducted over the period of performance and must include the following items:

1. Background,

2. Approach,

3. Applicant Evaluation Plan

4. Performance Measurement Plan

5. Organizational Capacity of Applicants to Implement the Approach

6. Work Plan.

The narrative should address activities to be conducted over the entire Period of Performance and must include the following items in the order listed.

Additional information may be included in the application appendices. The appendices must be

uploaded to the "Other Attachments Form" of application package in Grants.gov. Note: appendices will not be counted toward the narrative page limit. This additional information includes:

Additional information submitted via Grants.gov must be uploaded in a PDF file format, and should be named:

No more than 50 electronic attachments should be uploaded per application.

CDC Assurances and Certifications: *All applicants are required to sign and submit "Assurances and Certifications" documents indicated at* http://wwwn.cdc.gov/grantassurances/(S(mj444mxct51lnrv1hljjjmaa))/Homepage.aspx.
Applicants may follow either of the following processes:

- *Complete the applicable assurances and certifications with each application submission, name the file "Assurances and Certifications" and upload it as a PDF file with at www.grants.gov*
- *Complete the applicable assurances and certifications and submit them directly to CDC on an annual basis at http://wwwn.cdc.gov/grantassurances/(S(mj444mxct51lnrv1hljjjmaa))/Homepage.aspx*

Assurances and certifications submitted directly to CDC will be kept on file for one year and will apply to all applications submitted to CDC by the applicant within one year of the submission date.

Risk Assessment Questionnaire Requirement
CDC is required to conduct pre-award risk assessments to determine the risk an applicant poses to meeting federal programmatic and administrative requirements by taking into account issues such as financial instability, insufficient management systems, non-compliance with award conditions, the charging of unallowable costs, and inexperience. The risk assessment will include an evaluation of the applicant's CDC Risk Questionnaire, located at https://www.cdc.gov/grants/documents/PPMR-G-CDC-Risk-Questionnaire.pdf, as well as a review of the applicant's history in all available systems; including OMB-designated repositories of government-wide eligibility and financial integrity systems (see 45 CFR 75.205(a)), and other sources of historical information. These systems include, but are not limited to: FAPIIS (https://www.fapiis.gov/), including past performance on federal contracts as per Duncan Hunter National Defense Authorization Act of 2009; Do Not Pay list; and System for Award Management (SAM) exclusions.

CDC requires all applicants to complete the Risk Questionnaire, OMB Control Number 0920-1132 annually. This questionnaire, which is located at https://www.cdc.gov/grants/documents/PPMR-G-CDC-Risk-Questionnaire.pdf, along with supporting documentation must be submitted with your application by the closing date of the Notice of Funding Opportunity Announcement. If your organization has completed CDC's

Risk Questionnaire within the past 12 months of the closing date of this NOFO, then you must submit a copy of that questionnaire, or submit a letter signed by the authorized organization representative to include the original submission date, organization's EIN and DUNS.
When uploading supporting documentation for the Risk Questionnaire into this application package, clearly label the documents for easy identification of the type of documentation. For example, a copy of Procurement policy submitted in response to the questionnaire may be labeled using the following format: Risk Questionnaire Supporting Documents _ Procurement Policy.

Duplication of Efforts

Applicants are responsible for reporting if this application will result in programmatic, budgetary, or commitment overlap with another application or award (i.e. grant, cooperative agreement, or contract) submitted to another funding source in the same fiscal year.
Programmatic overlap occurs when (1) substantially the same project is proposed in more than one application or is submitted to two or more funding sources for review and funding consideration or (2) a specific objective and the project design for accomplishing the objective are the same or closely related in two or more applications or awards, regardless of the funding source. Budgetary overlap occurs when duplicate or equivalent budgetary items (e.g., equipment, salaries) are requested in an application but already are provided by another source.
Commitment overlap occurs when an individual's time commitment exceeds 100 percent, whether or not salary support is requested in the application. Overlap, whether programmatic, budgetary, or commitment of an individual's effort greater than 100 percent, is not permitted.
Any overlap will be resolved by the CDC with the applicant and the PD/PI prior to award.
Report Submission: The applicant must upload the report in Grants.gov under "Other Attachment Forms." The document should be labeled: "Report on Programmatic, Budgetary, and Commitment Overlap."

Submission Dates and Times

This announcement is the definitive guide on application content, submission, and deadline. It supersedes information provided in the application instructions. If the application submission does not meet the deadline published herein, it will not be eligible for review and the recipient will be notified the application did not meet the submission requirements.
This section provides applicants with submission dates and times. Applications that are submitted after the deadlines will not be processed.
If Grants.gov is inoperable and cannot receive applications, and circumstances preclude advance notification of an extension, then applications must be submitted by the first business day on which grants.gov operations resume.

Application Deadline Date

Due Date for Applications: **06/03/2019**

Explanation of Deadlines: Application must be successfully submitted to Grants.gov by 11:59pm Eastern Standard Time on the deadline date.

Intergovernmental Review

Executive Order 12372 does not apply to this program.

Pilot Program for Enhancement of Employee Whistleblower Protections
All applicants will be subject to a term and condition that applies the terms of 48 CFR section 3.908 to the award and requires that recipients inform their employees in writing (in the predominant native language of the workforce) of employee whistleblower rights and protections under 41 U.S.C 4712.

Copyright Interest Provisions
This provision is intended to ensure that the public has access to the results and accomplishments of public health activities funded by CDC. Pursuant to applicable grant regulations and CDC's Public Access Policy, Recipient agrees to submit into the National Institutes of Health (NIH) Manuscript Submission (NIHMS) system an electronic version of the final, peer-reviewed manuscript of any such work developed under this award upon acceptance for publication, to be made publicly available no later than 12 months after the official date of publication. Also at the time of submission, Recipient and/or the Recipient's submitting author must specify the date the final manuscript will be publicly accessible through PubMed Central (PMC). Recipient and/or Recipient's submitting author must also post the manuscript through PMC within twelve (12) months of the publisher's official date of final publication; however the author is strongly encouraged to make the subject manuscript available as soon as possible. The recipient must obtain prior approval from the CDC for any exception to this provision.

The author's final, peer-reviewed manuscript is defined as the final version accepted for journal publication, and includes all modifications from the publishing peer review process, and all graphics and supplemental material associated with the article. Recipient and its submitting authors working under this award are responsible for ensuring that any publishing or copyright agreements concerning submitted articles reserve adequate right to fully comply with this provision and the license reserved by CDC. The manuscript will be hosted in both PMC and the CDC Stacks institutional repository system. In progress reports for this award, recipient must identify publications subject to the CDC Public Access Policy by using the applicable NIHMS identification number for up to three (3) months after the publication date and the PubMed Central identification number (PMCID) thereafter.

Federal Funding Accountability and Transparency Act of 2006 (FFATA), P.L. 109–282, as amended by section 6202 of P.L. 110–252 requires full disclosure of all entities and organizations receiving Federal funds including awards, contracts, loans, other assistance, and payments through a single publicly accessible Web site, www.USASpending.gov.

Compliance with this law is primarily the responsibility of the Federal agency. However, two elements of the law require information to be collected and reported by applicants: 1) information on executive compensation when not already reported through the SAM, and 2) similar information on all sub-awards/subcontracts/consortiums over $25,000.

For the full text of the requirements under the FFATA and HHS guidelines, go to:

- http:// frwebgate.access.gpo.gov /cgi-bin/getdoc.cgi ?dbname= 109_cong_bills&docid= f:s2590enr.txt.pdf,
- https://www.fsrs.gov/documents/ffata_legislation_110_252.pdf

Funding Restrictions

Funding Restrictions:
Restrictions, which must be taken into account while writing the budget, are as follows:
In accordance with the United States Protecting Life in Global Health Assistance policy, all non-governmental organization (NGO) applicants acknowledge that foreign NGOs that receive funds provided through this award, either as a prime recipient or subrecipient, are strictly prohibited, regardless of the source of funds, from performing abortions as a method of family planning or engaging in any activity that promotes abortion as a method of family planning, or to provide financial support to any other foreign non-governmental organization that conducts such activities. See Additional Requirement (AR) 35 for applicability (https://www.cdc.gov/grants/additionalrequirements/ar-35.html).

- Recipients may not use funds for research.
- Recipients may not use funds for clinical care.
- Recipients may only expend funds for reasonable program purposes, including personnel, travel, supplies, and services, such as contractual.
- Recipients may not generally use HHS/CDC/ATSDR funding for the purchase of furniture or equipment. Any such proposed spending must be identified in the budget.

Other than for normal and recognized executive-legislative relationships, no funds may be used for: publicity or propaganda purposes, for the preparation, distribution, or use of any material designed to support or defeat the enactment of legislation before any legislative body the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before any legislative body.

See Additional Requirement (AR) 12 for detailed guidance on this prohibition and additional guidance on lobbying for CDC recipients.

This announcement is only for non-research activities supported by CDC. If research is proposed, the application will not be considered.

The recipient can obtain guidance for completing a detailed justified budget on the CDC website, at the following Internet address:
http://www.cdc.gov/grants/interestedinapplying/applicationprocess.html

Other Submission Requirements

Application Submission
Submit the application electronically by using the forms and instructions posted for this funding opportunity on www.Grants.gov. If access to the Internet is not available or if the recipient encounters difficulty in accessing the forms on-line, contact the HHS/CDC Office of Grants Services (OGS) Technical Information Management Section (TIMS) staff at (770) 488-2700 for further instruction.
Note: Application submission is not concluded until successful completion of the validation process. After submission of your application package, recipients will receive a "submission receipt" email generated by Grants.gov. Grants.gov will then generate a second e-mail message to recipients which will either validate or reject their submitted application package. This validation process may take as long as two (2) business days. Recipients are strongly encouraged check the status of their application to ensure submission of their application package is complete and no submission errors exists. To guarantee that you comply with the application deadline published in the Notice of Funding Opportunity, recipients are also strongly encouraged to allocate additional days prior to the published deadline to file their application. Non-validated applications will not be accepted after the published application deadline date.
In the event that you do not receive a "validation" email within two (2) business days of application submission, please contact Grants.gov. Refer to the email message generated at the time of application submission for instructions on how to track your application or the Application User Guide, Version 3.0 page 57.

Electronic Submission of Application:
Applications must be submitted electronically by using the forms and instructions posted for this notice of funding opportunity at www.grants.gov. Applicants can complete the application package using Workspace, which allows forms to be filled out online or offline. All application attachments must be submitted using a PDF file format. Instructions and training for using Workspace can be found at www.grants.gov under the "Workspace Overview" option. Applications submitted through www.Grants.gov, are electronically time/date stamped and assigned a tracking number. The Authorized Organizational Representative (AOR) will receive an e-mail notice of receipt when HHS/CDC receives the application. The tracking number serves to document submission and initiate the electronic validation process before the application is made available to CDC for processing.
If the recipient encounters technical difficulties with Grants.gov, the recipient should contact Grants.gov Customer Service. The Grants.gov Contact Center is available 24 hours a day, 7 days a week. The Contact Center provides customer service to the recipient community. The extended hours will provide recipients support around the clock, ensuring the best possible customer service is received any time it's needed. You can reach the Grants.gov Support Center at 1-800-518-4726 or by email at support@grants.gov. Submissions sent by e-mail, fax, CD's or thumb drives of applications will not be accepted.

After consulting with the Grants.gov Support Center, if the technical difficulties remain unresolved and electronic submission is not possible to meet the established deadline, organizations may submit a request prior to the application deadline by email to the Grants Management Specialist/Officer for permission to submit a paper application. An organization's request for permission must: (a) include the Grants.gov case number assigned

to the inquiry, (b) describe the difficulties that prevent electronic submission and the efforts taken with the Grants.gov Support Center (c) be submitted to the Grants Management Specialist/Officer at least 3 calendar days prior to the application deadline. Paper applications submitted without prior approval will not be considered.

If a paper application is authorized, the recipient will receive instructions from OGS TIMS to submit the original and two hard copies of the application by mail or express delivery service.

Section V. Application Review Information

Eligible recipients are required to provide measures of effectiveness that will demonstrate the accomplishment of the various identified objectives of the **CDC-RFA-OE17-17020301SUPP19**. Measures of effectiveness must relate to the performance goals stated in the "Purpose" section of this announcement. Measures of effectiveness must be objective, quantitative and measure the intended outcome of the proposed program. The measures of effectiveness must be included in the application and will be an element of the evaluation of the submitted application.

Criteria

Eligible recipients will be evaluated against the following criteria:

Applicant's Organizational Capacity	Maximum Points: 25

Does the applicant have expertise with primary immunodeficiency disease activities contained in the supplemental announcement?

Evaluation and Performance Measurement	Maximum Points: 30

The following criteria will be used to evaluate each project for which an applicant is applying.

Evaluation and Performance Measurement (30 points)

- Applicant provides an overall evaluation and performance measurement plan that is consistent with strategies listed in announcement.
- Applicant includes a plan that include a plan for public dissemination along with timelines, milestones and responsible parties.

Approach	Maximum Points: 45

The following criteria will be used to evaluate each project for which an applicant is applying:

Approach (45 points)

Does the applicant have demonstrated experience in organizational capacity, skill, and expertise to perform the stated activities contained in the funding opportunity announcement?

Review and Selection Process

Review

Eligible applications will be jointly reviewed for responsiveness by **CSELS** and PGO. Incomplete applications and applications that are non-responsive will not advance through the review process. Recipients will be notified in writing of the results.

An objective review panel will evaluate complete and responsive applications according to the criteria listed in Section V. Application Review Information, subsection entitled "Criteria".

Selection

- Applications will be funded in order by score and rank determined by the review panel.

CDC will provide justification for any decision to fund out of rank order.

Anticipated Announcement and Award Dates

Award will be communicated by the CDC Office of Grant Services via an official Notice of Grant Award.

Section VI. Award Administration Information

Award Notices

Successful recipients will receive a Notice of Award (NoA) from the CDC Office of Grants Services. The NoA shall be the only binding, authorizing document between the recipient and CDC. The NoA will be signed by an authorized Grants Management Officer and e-mailed to the program director. A hard copy of the NoA will be mailed to the recipient fiscal officer identified in the application.
Unsuccessful recipients will receive notification of the results of the application review by mail.

Administrative and National Policy Requirements

Administrative and National Policy Requirements, Additional Requirements (ARs) outline the administrative requirements found in 45 CFR Part 75 and the HHS Grants Policy Statement and other requirements as mandated by statute or CDC policy. CDC programs must indicate which ARs are relevant to the NOFO. All NOFOs from the Center for Global Health must include AR-35. Recipients must then comply with the ARs listed in the NOFO. Do not include any ARs that do not apply to this NOFO. NOFO Recipients must comply with administrative and national policy requirements as appropriate. For more information on the Code of Federal Regulations, visit the National Archives and Records Administration: https://www.archives.gov/federal-register/cfr. For competing supplements, ARs remain in effect as published in the original announcement.

Continuing Continuations -

The full text of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards, 45 CFR 75, can be found at:

https://www.ecfr.gov/cgi-bin/text-idx?node=pt45.1.75

Reporting

Federal Funding Accountability and Transparency Act of 2006 (FFATA), P.L. 109–282, as amended by section 6202 of P.L. 110–252 requires full disclosure of all entities and organizations receiving Federal funds including awards, contracts, loans, other assistance, and payments through a single publicly accessible Web site, http://www.USASpending.gov
Compliance with this law is primarily the responsibility of the Federal agency. However, two elements of the law require information to be collected and reported by applicants: 1) information on executive compensation when not already reported through the SAM, and 2) similar information on all sub-awards/subcontracts/consortiums over $25,000.
For the full text of the requirements under the FFATA and HHS guidelines, go to:

- http:// frwebgate. access. gpo.gov /cgi-bin /getdoc.cgi ?dbname= 109_cong_bills &docid= f:s2590enr .txt.pdf
- https://www.fsrs.gov /documents /ffata_legislation_ 110_252.pdf

Section VII. Agency Contacts

CDC encourages inquiries concerning this announcement.

For **programmatic technical assistance and general inquiries**, contact:

Debra Bostick, Project Officer
Department of Health and Human Services
Centers for Disease Control and Prevention

2500 Century Center Boulevard
Atlanta, GA 30345
Telephone: (404) 498-6257
Email: dtb5@cdc.gov

For **application submission** questions, contact:
Technical Information Management Section
Department of Health and Human Services
CDC Office of Grants Services
2920 Brandywine Road, MS E-14

Atlanta, GA 30341
Telephone: 770-488-2700
Email: ogstims@cdc.gov

Victoria McBee, Grants Management Specialist
Department of Health and Human Services
Office of Grants Services
Atlanta, GA 30341
Telephone: (770) 488-2825
Email: yig9@cdc.gov

Section VIII. Other Information

Other CDC Notice of Funding Opportunities can be found at www.grants.gov.
