D. APPLICATION CONTENTS AND FORMAT

Please follow all instructions below carefully. Proposals that do not meet the requirements of this announcement or fail to comply with the stated requirements will be ineligible.

Content of Application

Please ensure:

- The proposal clearly addresses the goals and objectives of this funding opportunity
- All documents are in English
- All budgets are in U.S. dollars
- All applicant authorized signatures are provided where indicated on the various, required forms.

The following documents are **required**:

1. Mandatory application forms

- SF-424 (Application for Federal Assistance – organizations) at grants.gov [SF-424 Family | Grants.gov](https://grants.gov/SF-424-Family-Grants.gov)
- SF-424A (Budget Information for Non-Construction programs) at grants.gov [SF-424 Family | Grants.gov](https://grants.gov/SF-424-Family-Grants.gov)

2. Project Narrative (15 pages maximum – 12 point font)

Applicants must submit a complete narrative proposal in a format of their choice. The proposal should contain sufficient information that anyone not familiar with it would understand exactly what the applicant wants to do. The proposal must include all the items below:

- Organizational capacity and relevant past performance;
- Detailed program design, timeline, and geographic scope;
- Transatlantic partnership plan;
- Evaluation and sustainability strategy.
- **Monitoring & Evaluation Plan:** Proposals must include a Monitoring and Evaluation (M&E) Performance Monitoring Plan (PMP). The M&E plan should show how applicants intend to measure and demonstrate progress towards the project's objectives and goals. The key components to the PMP are as follows:
- **Monitoring and Evaluation Narrative:** In narrative form, applicants should describe how they intend to monitor and evaluate the activities of their award. In addition, the applicant should describe any M&E processes, including key personnel, management structure (where M&E fits into the overall program's staff structure), technology, and as well provide a brief budget narrative explaining any line-item expenditures for M&E listed in the program's budget. If the proposal is from a prior grantee, the proposal discusses how the grantee has adapted, improved or otherwise modified their approach based on learning from previous experience. This narrative is limited to two pages.

- **Theory of Change Diagram:** Applicants are expected to submit either a Theory of Change diagram or an If-Then Statement that illustrates how project activities will lead to intended outcomes.
- **Monitoring and Evaluation Datasheet:** The applicant must include their proposed activities and their expected outputs and outcomes as well as the goals and objectives as written in the NOFO. The datasheet's purpose is to explicitly illustrate how a project's activities lead to tangible results (such as increased beneficiary skills, knowledge, or attitudes) that ultimately address a PDS objective.
- The selected applicant's M&E PMP is subject to review and approval before any award will be issued under this NOFO. The selected applicant may be asked to work with U.S. Department of State Monitoring and Evaluation Specialists to ensure the applicant's M&E PMP achieves an expected level of expertise and meets PDS objectives.
- Expenses directly associated with monitoring and evaluation are considered allowable.

3. *Budget Justification Narrative*

- **Detailed Budget** - Applicants must submit a detailed line-item budget. Line-item expenditures should be listed in the greatest possible detail. The budget must identify the total amount of funding requested, with a breakdown of amounts to be spent in the following budget categories: personnel; fringe benefits; travel; equipment; supplies; consultants/contracts; other direct costs; and indirect costs. See Annex Section I for a description of the types of costs that should be included in each category. Personnel salaries should include the level of effort and the rate of pay, which should cover the percentage of time each staff member will dedicate to grant-based activities. If an organization is charging an indirect cost rate without a NICRA, it must apply it to the modified total budget costs (MTDC), refer to 2 CFR [200.1](#). **Budgets shall be submitted in U.S. dollars** and final grant agreements will be conducted in U.S. dollars.
- **Budget Justification Narrative** – Applicants must submit a budget justification narrative to accompany the detailed line-item budget. The purpose of the budget justification narrative is to supplement the information provided in the detailed budget spreadsheet by justifying how the budget cost elements are necessary to implement project objectives and accomplish the project goals. The budget justification narrative is a tool to help Embassy staff fully understand the budgetary needs of the applicant and is an opportunity to provide descriptive information about the requested costs beyond the constraints of the budget template. Together, the detailed budget spreadsheet, the budget justification narrative, and the SF-424A should provide a complete financial and qualitative description that supports the proposed project plan and should be directly relatable to the specific project components described in the applicant's proposal.

Note: The process of obtaining or renewing a SAM.gov registration may take anywhere from 4-8 weeks. Please begin your registration as early as possible.

- Organizations **based in the United States** or that pay employees within the United States will need an Employer Identification Number (EIN) from the Internal Revenue Service (IRS) and a UEI prior to registering in SAM.gov.

I do not wish to obtain an NCAGE code. I understand that I will need to submit my registration after this incident is resolved in order to have my registration activated.”

Organizations based outside of the United States and that DO NOT plan to do business with the DoD should follow the below instructions:

- Step 1: Proceed to SAM.gov to obtain a UEI and complete the SAM.gov registration process. SAM.gov registration must be renewed annually.

Exemptions

An exemption from the UEI and sam.gov registration requirements may be permitted on a case-by-case basis. See [2 CFR 25.110](#) for a full list of exemptions.

Organizations requesting exemption from UEI or SAM.gov requirements must email the point of contact listed in the NOFO at least two weeks prior to the deadline in the NOFO providing a justification of their request. Approval for a SAM.gov exemption must come from the warranted Grants Officer before the application can be deemed eligible for review.

Please note: Any applicant with an exclusion in the System for Award Management (SAM) is not eligible to apply for an assistance award in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR, 1986 Comp., p. 189) and 12689 (3 CFR, 1989 Comp., p. 235), “Debarment and Suspension.”

In accordance with the Office of Management and Budget's guidance located at 2 CFR 200, all applicable Federal laws, and relevant Executive guidance, the Department of State will review and consider applications for funding, as applicable to specific programs, pursuant to this notice of funding opportunity in accordance with the following: NOTE:

- Guidance for Grants and Agreements in Title 2 of the Code of Federal Regulations (2 CFR), as updated in the Federal Register's 89 FR 30046 on April 22, 2024, particularly on:
 - Selecting recipients most likely to be successful in delivering results based on the program objectives through an impartial process of evaluating Federal award applications (2 CFR 200.205),
 - Promoting the freedom of speech and religious liberty in alignment with *Promoting Free Speech and Religious Liberty* (E.O. 13798) and *Improving Free Inquiry, Transparency, and Accountability at Colleges and Universities* (E.O. 13864) (§§ 200.300, 200.303, 200.339, and 200.341),
 - Providing a preference, to the extent permitted by law, to maximize use of goods, products, and materials produced in the United States (2 CFR 200.322), and
 - Terminating agreements pursuant to the U.S. Department of State Standard Terms and Conditions, including, to the greatest extent authorized by law, if an award no longer effectuates the program goals or agency priorities (2 CFR 200.340). For the avoidance of doubt, the Department has sole discretion over the determination that an award no longer effectuates program goals or agency priorities, and this provision permits awards to be terminated at the Department's convenience, including when it determines that the award no longer advances the national interest.

- Recipients must comply with all applicable Executive Orders. A searchable list can be found in the Federal Register: <https://www.federalregister.gov/>.

2. *Reporting*

Reporting Requirements: Recipients will be required to submit financial reports and program reports. The award document will specify what reports are required and how often these reports must be submitted. **Note:** most recipients will be required to submit quarterly program progress and financial reports throughout the project period. The quarterly progress report should include an up-to-date copy of the PMP datasheet. Progress and financial reports are due 30 days after the reporting period. Final certified programmatic and financial reports are due 120 days after the close of the project period.

All reports are to be submitted electronically.

The Awardee must also provide the Embassy on an annual basis an inventory of all the U.S. government provided equipment using the SF428 form.

Foreign Assistance Data Review: As required by Congress, the Department of State must make progress in its efforts to improve tracking and reporting of foreign assistance data through the Foreign Assistance Data Review (FADR). The FADR requires tracking of foreign assistance activity data from budgeting, planning, and allocation through obligation and disbursement. Successful applicants will be required to report and draw down federal funding based on the appropriate FADR Data Elements, indicated within their award documentation. In cases of more than one FADR Data Element, typically program or sector and/or regions or country, the successful applicant will be required to maintain separate accounting records.

3. *Branding and Marking*

The Department of State, its programs, and U.S. Government funding and assistance should be easily identifiable to the Department's global audiences.

Recipients of federal assistance awards must follow the branding guidance published at [Guidance for Contracts and Grants - U.S. Department of State Brand System](#). Branding policy exceptions are outlined in the U.S. Department of State Foreign Affairs Manual [10 FAM 416, Policy Exceptions](#).

In addition to the Department of State branding guidance referenced above, recipients of new Public Diplomacy awards promoting Freedom 250 activities will also be required to incorporate the Freedom 250 logos in all program materials, activities, and communications.

The recipient will be expected to follow all existing marking and branding requirements in accordance with Department branding guidance. The Freedom 250 logos would be used in addition to, not in place of, these requirements.

I. OTHER INFORMATION

Guidelines for Budget Justification

Personnel and Fringe Benefits: Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program.

Travel: Estimate the costs of travel and per diem for this program, for program staff, consultants or speakers, and participants/beneficiaries. If the program involves international travel, include a brief statement of justification for that travel.

Equipment: Describe any machinery, furniture, or other personal property that is required for the program, which has a useful life of more than one year (or a life longer than the duration of the program), and costs at least \$10,000 per unit.

Supplies: List and describe all the items and materials, including any computer devices, that are needed for the program. If an item costs more than \$10,000 per unit, then put it in the budget under Equipment.

Contractual: Describe goods and services that the applicant plans to acquire through a contract with a vendor. Also describe any sub-awards to non-profit partners that will help carry out the program activities.

Other Direct Costs: Describe other costs directly associated with the program, which do not fit in the other categories. For example, shipping costs for materials and equipment or applicable taxes. All “Other” or “Miscellaneous” expenses must be itemized and explained.

Indirect Costs: These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 15% of Modified Total Direct Costs (MTDC) as defined in [2 CFR 200.1](#).

“Cost Sharing” refers to contributions from the organization or other entities other than the U.S. Embassy. It also includes in-kind contributions such as volunteers’ time and donated venues.

Alcoholic Beverages: Please note that award funds cannot be used for alcoholic beverages and other entertainment related expenses.

STEP Enrollment

U.S. citizens who travel to the United Kingdom are encouraged to enroll in the Department of State's Smart Traveler Enrollment Program (STEP) available at: <https://step.state.gov/step/>.
