**ADVISORY: TRAINING AND EMPLOYMENT GUIDANCE LETTER NO. 16-17,
CHANGE 2**

TO: STATE WORKFORCE AGENCIES
ALL STATE WORKFORCE LIAISONS

FROM: MOLLY E. CONWAY 
Acting Assistance Secretary

SUBJECT: Revised Program Year (PY) 2018 Funding Levels for Workforce Innovation and Opportunity Act (WIOA) Title I Adult, Dislocated Worker (DW), Youth Activities Program Allotments; and PY 2018 Allotments for the Wagner-Peyser Act Employment Service (ES) Program

1. **Purpose.** This guidance provides states and outlying areas with revised allotment levels for WIOA Title I Adult, DW, Youth, and Wagner-Peyser Act ES PY 2018 funds. This Change 2 to Training and Employment Guidance Letter (TEGL) 16-17 restores PY 2018 appropriated funding set aside for program integrity purposes.
2. **Action Requested.** The Department of Labor (Department) is requesting that each state and outlying area submit an SF-424 form for each grant program to the Employment and Training Administration via www.grants.gov **within 10 calendar days** from the issue date on this Change 2 TEGL.
3. **Summary and Background.**
 - a. Summary – This Change 2 to TEGL 16-17 informs states that funding for PY 2018 is adjusted to restore the PY 2018 appropriated funding set aside for program integrity purposes. Division H, Title I, sec. 106(b) of the Consolidated Appropriations Act, 2018, allows the Secretary of Labor to set aside a portion of grant funds for program integrity. The Department has decreased the amount of funds it plans to set aside for this purpose and has restored the remaining funding to the state allotments.

The attached tables notify states and outlying areas of the amount of revised funding they will receive.

RESCISSIONS None	EXPIRATION DATE Continuing
----------------------------	--------------------------------------

Note: States have until June 30, 2019 to obligate 80 percent of their total restored PY 2018 DW allotment. As provided in 20 CFR 683.135, if a state does not obligate 80 percent of their total restored PY 2018 DW allotment, the Department will recapture the excess unobligated funds up to the 80 percent threshold from PY 2019 funds. Specifically, any recaptured funds would be deobligated from FY 2020 "advance" funds during PY 2019.

- b. Background – TEGL 16-17, Change 1, issued on November 2, 2018, informed states that the FY 2019 "advance" funding for PY 2018 was adjusted to restore the set-aside for evaluations for the WIOA Adult and DW programs. The base portion (available July 1, 2018) of PY 2018 funding for WIOA Adult and DW activities was not impacted by this restoration. Also, the Youth activities funds (available April 1, 2018) were not affected. TEGL 16-17, issued on May 21, 2018, announced PY 2018 WIOA state allotments.

- 4. **Notice of Award (NOA).** The Department will issue NOAs reflecting the restoration of funds to the programs. In order to receive the funding, states and outlying areas must submit an SF-424, Application for Federal Assistance (Office of Management and Budget Control No. 4040-0004) for each program which reflects the restoration amounts prescribed in the "Total Restoration (Program Integrity)" column in Attachments I and IV, and the "Program Integrity Restoration to FY 2019 Funds" column in Attachments II and III.

5. **SF-424 Submission Process.**

In an effort to achieve greater efficiency and as part of the Department's on-going effort to streamline the grant award process, grantees are required to submit the SF-424 through Grants.gov at www.grants.gov.

Applicants that need to register with Grants.gov may do so here: <https://www.grants.gov/web/grants/applicants/apply-for-grants.html>. Registration is a one-time process, and applicants who already have a Grants.gov account do not need to register again.

To submit the required application package, applicants must:

- a. Select the *SEARCH GRANTS* tab on the Grants.gov homepage.
- b. Under the Section, *BASIC SEARCH CRITERIA*, enter the Funding Opportunity Number: TEGL 16-17.
- c. Select the link to the applicable Opportunity Number provided in the search results.
- d. Select the *PACKAGE* tab.
- e. Under the *ACTIONS* column, select *APPLY*.

Submission requirements stipulate that all applicants for Federal grant and funding opportunities must have a Data Universal Numbering System (D-U-N-S®) number and must supply their D-U-N-S® number on the SF-424.

Before submitting their application, applicants must also ensure their registration with the System for Award Management (SAM) is current. Applicants may find instructions for Registering at <https://sam.gov/SAM/> (SAM cannot be accessed through old versions of IE. Please retype this url in your Chrome, Firefox, Safari, or later version of IE).

An awardee must maintain an active SAM registration with current information at all times during which it has an active Federal award or an application under consideration. To remain registered in the SAM database after the initial registration, entities must review and update the registration at least every 12 months from the date of initial registration. Failure to register with SAM and maintain an active account will result in Grants.gov rejecting the application submission. Submitting the SF-424 through www.grants.gov constitutes an electronically signed SF-424, Application for Federal Assistance. This submission process may at times be complicated and time-consuming. As such, the Department strongly encourages applicants to initiate the process as soon as possible, in order to allow time to resolve unanticipated technical problems.

For technical issues encountered during application submission, applicants may call 800-518-4726 or 606-545-5035 to speak to a Customer Support Representative, or email support@grants.gov. The Contact Center is open 24 hours a day, seven days a week, but closes on federal holidays.

6. **Inquiries.** Please direct questions regarding these allotments to the appropriate ETA Regional Office. Information on allotments and planning requirements may also be found on the ETA Web site at <http://www.doleta.gov>.
