2. Executive Summary

Priority Region: Nationwide in Nigeria

Executive Summary

The Public Diplomacy section of the U.S. Mission in Nigeria announces a limited competition for the Alumni Engagement Innovation Fund (AEIF). AEIF provides funding for alumni of U.S. government-sponsored and facilitated exchange programs to apply the skills gained during their exchanges and implement innovative solutions to global challenges in their communities. Since 2011, AEIF has supported nearly 500 alumni-led projects worldwide through a competitive process.

This year, in recognition of America’s 250th anniversary (Freedom 250), all projects must celebrate this milestone and highlight the United States’ commitment to a safer, stronger, and more prosperous nation while showcasing American excellence. Projects should: honor U.S. Values, Patriotism, and Global Contributions, Promote Global Understanding of U.S. Founding Principles, and Inspire the Next 250 Years of U.S. Leadership and Innovation. Project can include events separate from celebrating Independence Day.

The U.S. Mission Nigeria will accept AEIF projects that both celebrate America's 250th anniversary (Freedom 250) and support one of the following themes:

- **American Innovation, Global Leadership, and Economic Partnership**
Projects should highlight the United States' achievements in science, technology, energy, artificial intelligence, cybersecurity, education, and culture, while promoting fair, transparent, and mutually beneficial economic and trade relationships. Initiatives may focus on advancing American excellence and competitiveness, supporting entrepreneurship, open markets, and promoting favorable technical infrastructures and policies for economic growth. *Note: Projects under this theme should not include alumni summits, conferences, or similar large-scale gatherings.*
- **Alumni Summit: Celebrating America's 250th Anniversary (Freedom 250)**
This theme invites proposals for projects that bring together alumni of U.S. government-sponsored programs to mark the 250th anniversary of American independence. Summits and related activities should highlight the values of freedom, innovation, and democratic leadership, strengthen alumni engagement, promote continued learning, and amplify the collective impact of alumni in their communities and fields, while honoring America's legacy and advancing global partnerships.

All projects must visibly celebrate America's 250th Anniversary (Freedom 250) by incorporating elements that honor the nation's history, values, and ongoing contributions to global progress.

3. Unique entity identifier and System for Award Management (SAM.gov)

Required Registrations

All organizations, whether based in the United States or in another country, must have a Unique Entity Identifier (UEI) and an active registration in SAM.gov. A UEI is one of the data elements mandated by Public Law 109-282, the Federal Funding Accountability and Transparency Act (FFATA), for all Federal awards. An applicant must maintain an active registration while it has a proposal under review by the Department and must continue to keep the registration active for the entire duration of the period of performance of any Federal award that results from this NOFO.

The 2 CFR 200 requires subrecipients to obtain a UEI. Please note the UEI for subrecipients is not required at the time of application but will be required before an award is processed and/or directed to a subrecipient.

Note: The process of obtaining or renewing a SAM.gov registration may take anywhere from 4-8 weeks. Please begin your registration as early as possible.

- Organizations **based in the United States** or that pay employees within the United States will need an Employer Identification Number (EIN) from the Internal Revenue Service (IRS) and a UEI prior to registering in SAM.gov.
- Organizations **based outside of the United States** and that do not pay employees within the United States do not need an EIN from the IRS but do need a UEI prior to registering in SAM.gov.
- **Organizations based outside of the United States that do not intend to apply for U.S. Department of Defense (DoD) awards are no longer required to have a NATO Commercial and Government Entity (NCAGE) code to apply for non-DoD foreign assistance funding opportunities.** If an applicant organization is mid-registration and wishes to remove an NCAGE code from their SAM.gov registration, the applicant should submit a help desk ticket (“incident”) with the Federal Service Desk (FSD) online at www.fsd.gov using the following language: “I do not intend to seek financial assistance from the Department of Defense. I do not wish to obtain an NCAGE code. I understand that I will need to submit my registration after this incident is resolved in order to have my registration activated.”

Organizations based outside of the United States and that DO NOT plan to do business with the DoD should follow the below instructions:

Step 1: Proceed to SAM.gov to obtain a UEI and complete the SAM.gov registration process. SAM.gov registration must be renewed annually.

Organizations based outside of the United States and that DO plan to do business with the DoD in addition to Department of State should follow the below instructions:

Step 1: Apply for an NCAGE code by following the instructions on the NSPA NATO website linked below:

F. Application Review Information

1. Review Criteria

Each AEIF application will be evaluated and rated based on the evaluation criteria outlined below with scores ranging from 0-50.

Relevance to America’s Foreign Policy, Quality, and Feasibility of the Program Idea – 10 points: The program idea is well developed, with detail about how program activities will align with one of the two themes identified in the Executive Summary. Project must be innovative, well-developed, and include details about how the program activities will be carried out. The proposal includes a reasonable implementation timeline. The proposal identifies a specific issue and audience and includes substantive data to support implementing a project to address these elements. The proposal does not include any activities contrary to any standing Executive Orders. For a full list, see <https://www.federalregister.gov/>.

Alumni Team Capacity and Record on Previous Grants – 5 points: The project team has expertise in its stated field and has the internal controls in place to manage federal funds. This includes a financial management system and a bank account. If sub-awards are proposed, alumni demonstrate experience managing subawards.

Program Planning/Ability to Achieve Objectives – 10 points: Goals and objectives are clearly stated, and program approach is likely to provide maximum impact in achieving the proposed results.

Budget – 5 points: The budget justification is detailed. Costs are reasonable in relation to the proposed activities and anticipated results. The budget is realistic, accounting for all necessary expenses to achieve proposed activities. Budget items are reasonable, allowable, and allocable.

Monitoring and Evaluation Plan – 5 points: Applicant demonstrates it can measure program success against key indicators and provides milestones to indicate progress toward goals outlined in the proposal. The program includes output and outcome indicators and shows how and when those will be measured.

Communication, Media, and Outreach Plan – 5 points

The project should include a clear plan and timeline for how and when the team will share information about the project. It is important to ensure that the U.S. Embassy gets recognition throughout the process, if circumstances permit.

Participation and Support from Local Partners – 5 points

Local partner involvement is a strong sign that there is community support and that the project will engage a broad array of experts, such as subject matter experts, community centers, academic institutions, businesses, local/national government, non-governmental organizations, American Spaces, etc.

Sustainability – 5 points: The proposal details how program activities will continue to have positive impact after the end of the program.

Cost share may be used, during a merit review process, to break ties among applications with equivalent scores after evaluation against all other factors.

2. *Indirect Costs*

If two or more applications receive equivalent scores based on the evaluation criteria outlined in this NOFO, preference will be given to the applicant with the lower indirect cost rate, as consistent with Executive Order 14332, Section 4(b)(iii). This preference will only be applied as a tie-breaking mechanism and does not supersede the primary evaluation criteria.

3. *Review and Selection Process*

A review committee will evaluate all eligible applications.

4. *Risk Review*

i. Risk factors

Under the merit review as required by 2 CFR 200.206, prior to making a Federal Award the Department will review and consider the following risk factors:

- d. Audit reports and findings
- e. Ability to effectively implement requirements

G. Award Notices

The award or cooperative agreement will be written, signed, awarded, and administered by the Grants Officer. The award agreement is the authorizing document, and it will be provided to the recipient for review and counter-signature. The recipient may only start incurring project expenses beginning on the start date shown on the award document signed by the Grants Officer.

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is at the discretion of the Department of State.

Issuance of this NOFO does not constitute an award commitment on the part of the U.S. government, nor does it commit the U.S. government to pay for costs incurred in the preparation and submission of proposals. Further, the U.S. government reserves the right to reject any or all proposals received.

Unsuccessful applicants: Unsuccessful applicants will be notified by August 2026 via email.

Payment Method

Recipients will be required to request payments by completing form SF-270—Request for Advance or Reimbursement and submitting the form to the Grants Officer.
